SOFA PRODUCT INSTRUCTIONS

1

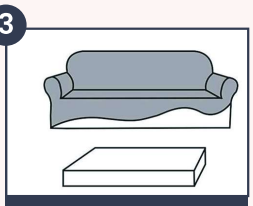

Remove seat cushion(s) from the sofa.

2

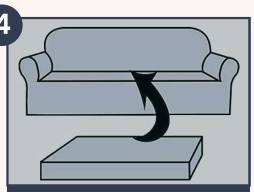

Find the label tag with the word "BACK" printed on it. Align it with the right-hand side of the sofa.

3

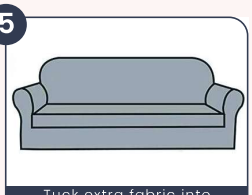

Drape the slipcover over the sofa and pull all the way to the bottom.

4

Slip the cover onto the seat cushion. Then put the seat cushion back on to the sofa.

5

Tuck extra fabric into crevices of the sofa and smooth the slipcover wherever you see fit. That's it! Job well done! Now it's time to enjoy the new look of your sofa!
