

Instruction Manual

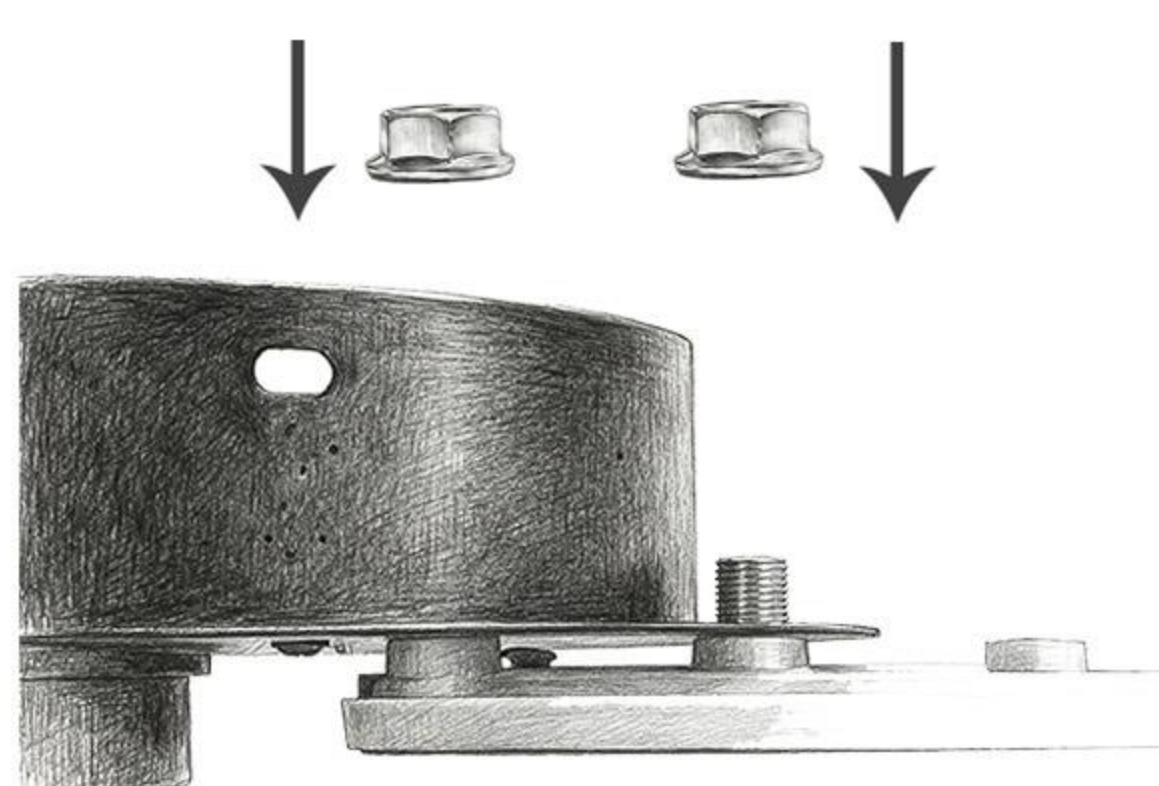

I : Installation Instructions

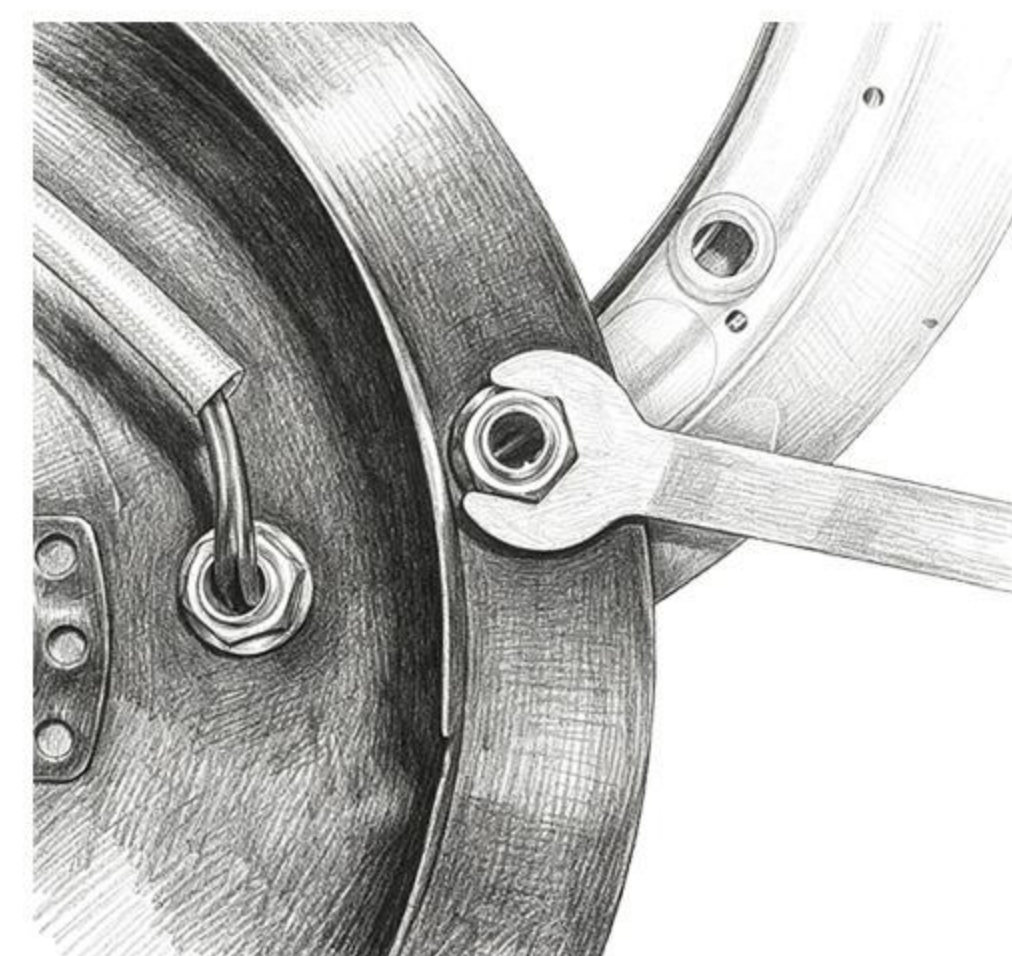

1: The petal-shaped light spreads out.

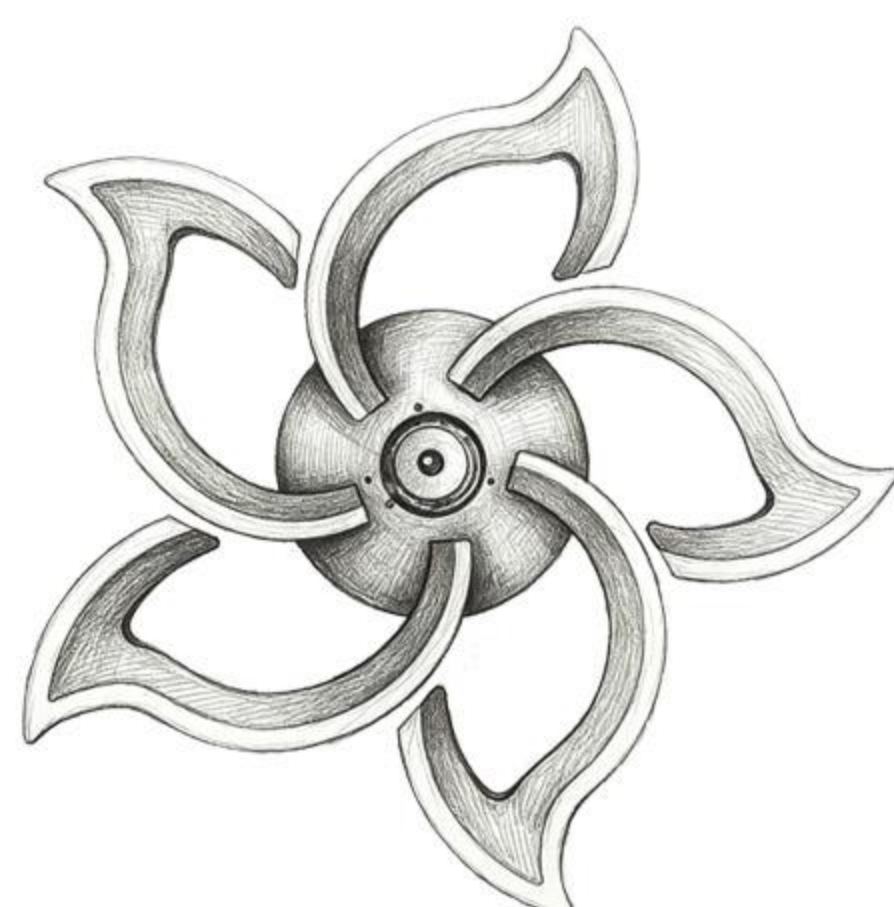

2: Screw rod for installing petal-shaped light fixture.

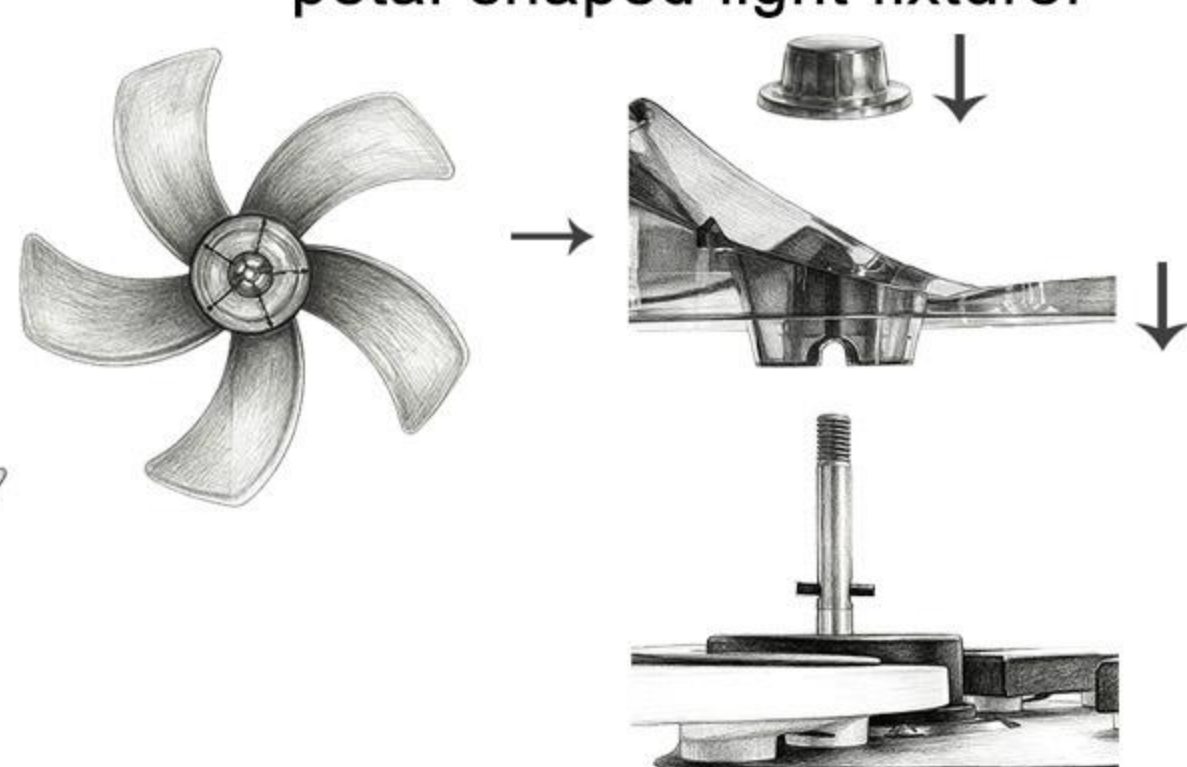

3: Install the lamp onto the lamp holder.

4: Use a wrench to tighten the screw.

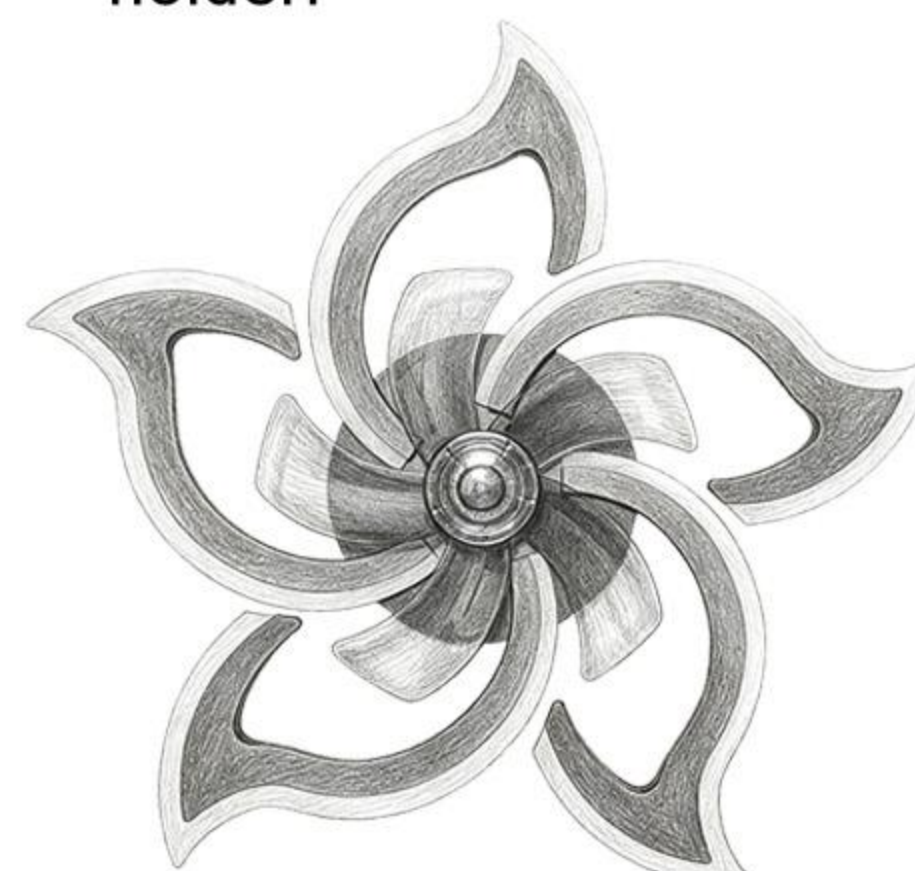

5: Complete the installation of the petal-shaped light fixture.

6: Install the fan blade.

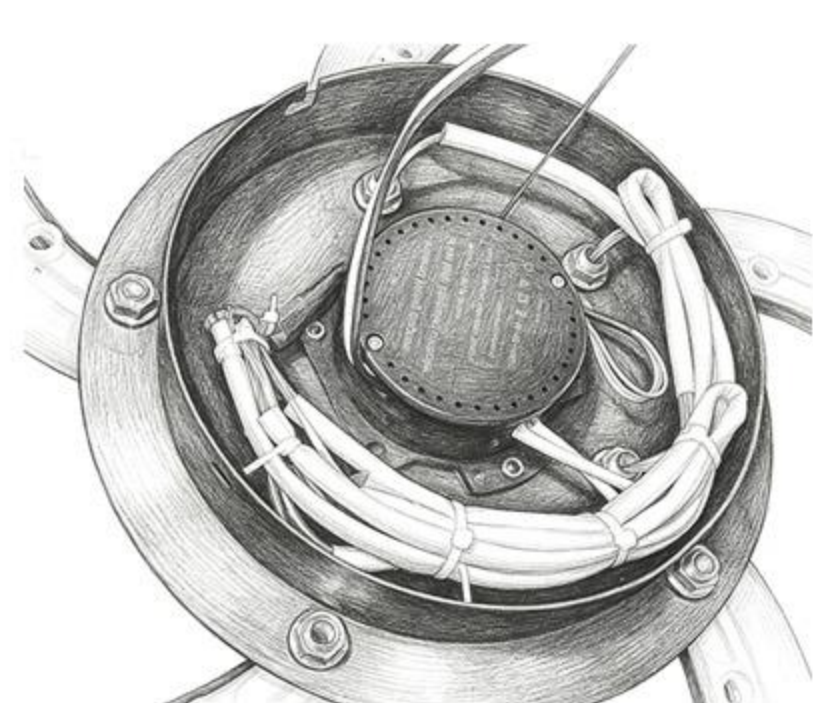

- ① The groove of the fan blade fits into the rotating shaft.
- ② Rotate the fan blade's fixing screw cover counterclockwise and tighten it.

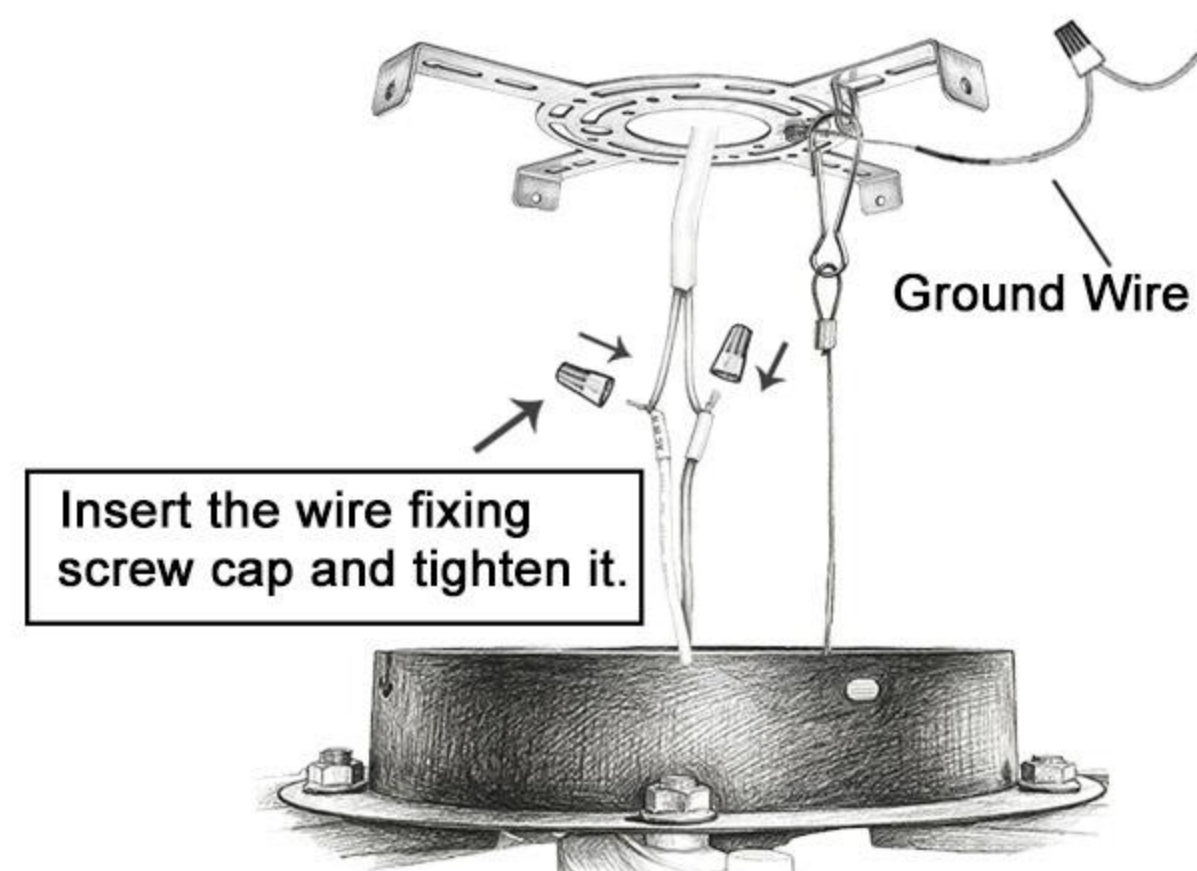

7: Complete the installation of fan blades.

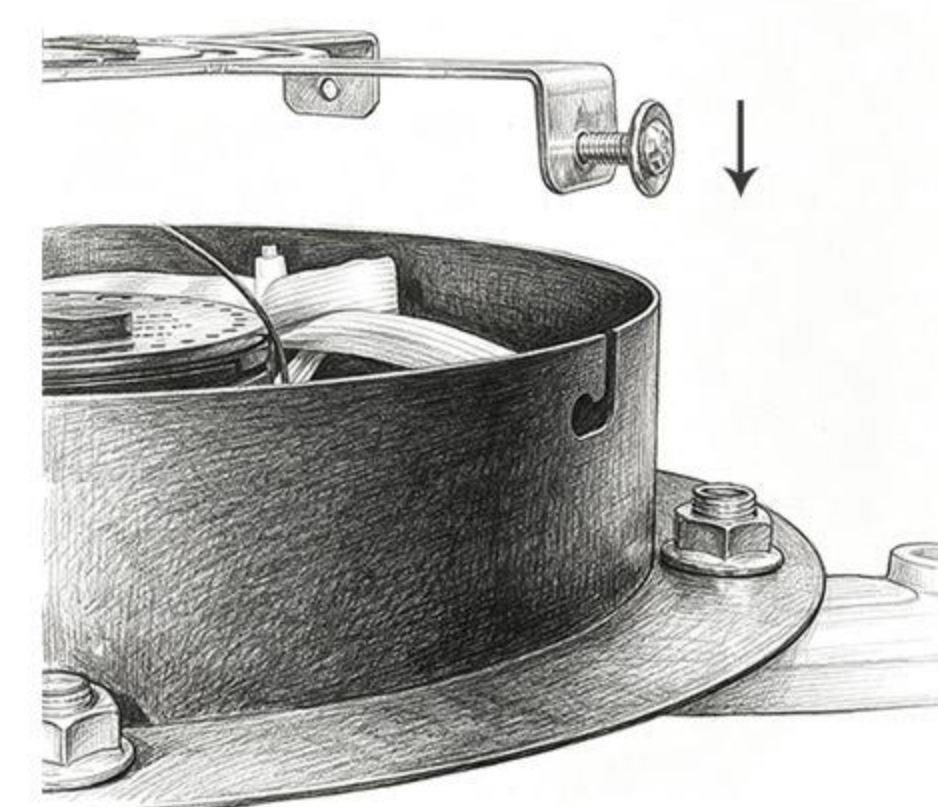

8: Install the lighting fixture hanging plate onto the ceiling, and secure the anti-fall buckle of the lighting fixture onto the hanging plate.

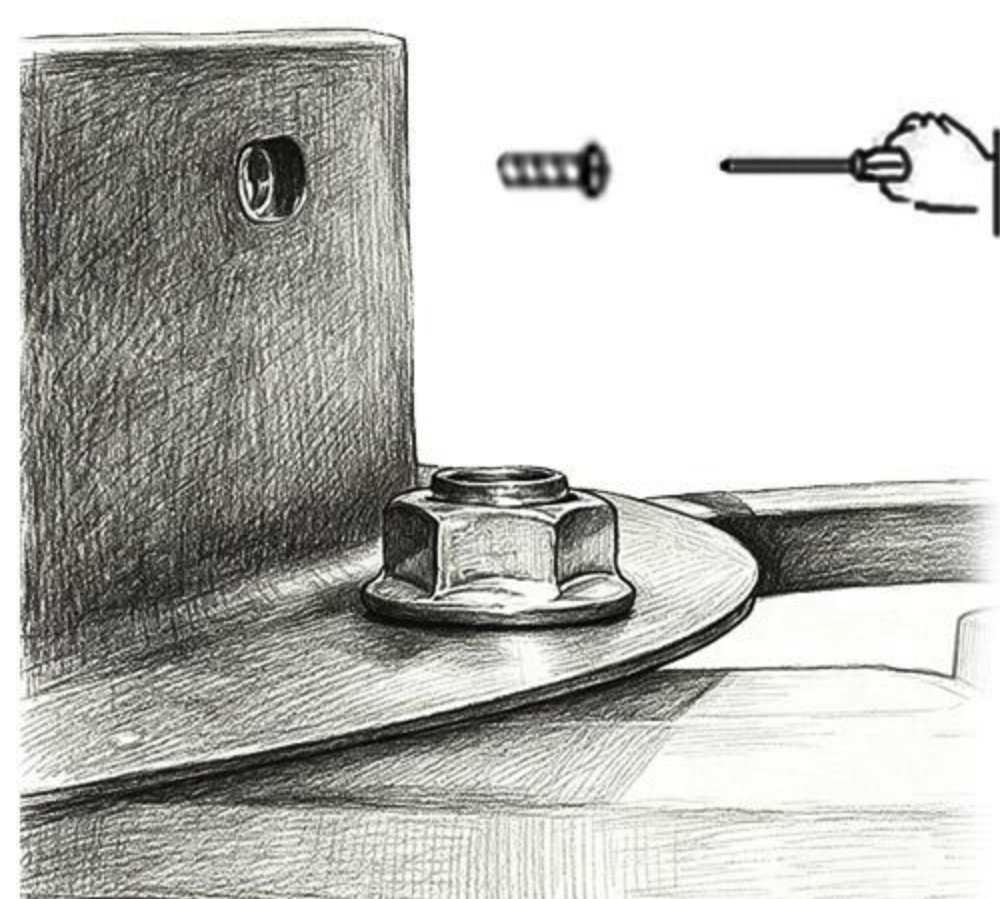

9: Organize the wires inside the light panel and secure them with cable ties.

10: Install the power cord and grounding wire.

11: Install the lighting fixtures onto the hanging board (For ease of installation, you can first install the two screws on the opposite side of the hanging board, and then hang the light fixture onto the hanging board.).

12: Install the other two screws for the light panel to complete the installation of the entire lighting fixture.

II : Remote Control Instructions

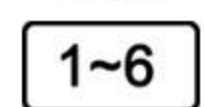

— LIGHT ON/OFF: Turn on or turn off the lights.

— ALL OFF: Turn off the fan and lights.

— FAN OFF: Turn off the fan.

— FAN SPEED LEVELS: Fan speed gear

— FAN REVERSE/FORWARD: The fan is rotating in forward or reverse direction. If the fan is spinning but there is no airflow, you can try pressing this button.

— TIMER: Turn off the fan and lights at a fixed time. Three timing options: 1 hour, 2 hours, and 4 hours, with cyclic timing. The light flashes once, indicating successful timing. Press "ALL OFF" to reset the timing to 0.

— NATURAL WIND: Let the fan blow natural wind.

— LIGHT DIM: The lights dimmed.

— BRIGHTEN: The lights brighten.

— COLOUR TEMP CHANGE: Adjust the color temperature of the light.

Note: The remote control uses 2*AAA batteries(not included, need to be purchased by the buyer).

⚠ Attention: Please cut off the power when installing lighting fixtures.

*Warm tips: If you have any questions during use of the lamp, please contact us.
