

1 PULL THE TABS

Simply detach the tabs from your vacuum-packed sofa.
No scissors required!

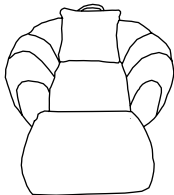

2 REMOVE THE CUSHION

Gently slide the sofa out of its protective textile layer

3 CUT OFF THE OUTER PACKAGING

Carefully use scissors to open the plastic bag.
Lift the chairshape out of the bag.
Watch as your sofa begins to slowly expand.

4 SHAKE! SHAKE! SHAKE!

Give it a good shake to help the foam expand evenly
wait 24 hours

For the foam bean to fully support you.
