ONE-YEAR LIMITED WARRANTY

## PLEASE READ BEFORE INSTALLATION.

Home Art products are built to meet superior quality standards and are backed by a one-year limited warranty. This warranty guarantees that the product is free from defects in materials or workmanship for the original purchaser. Any defective product or part will be replaced free of charge. Proof of purchase (original order receipt) must be provided for all warranty claims.

Inspect the product thoroughly upon delivery, before installation. Any scratches, surface damage, or other defects must be reported within 5 days of delivery. Please store the product safely until installation to prevent damage.

This warranty does not cover surface damage or scratches that occur after installation or issues caused by improper installation, negligence, misuse, or exposure to harsh substances like hard water or corrosive materials. It also excludes discontinued items, display models, or products purchased from unauthorized dealers or clearance sales. This warranty is designed for residential use only and does not cover industrial or commercial applications.

Certain regions may not allow the exclusion or limitation of incidental or consequential damages, so these limitations may not apply to you. For assistance with warranty claims, contact us at [servicehomeart@outlook.com](mailto:servicehomeart@outlook.com)
