Application

It is mainly suitable for cats and can be used as a home use, pet store or in bedrooms, living rooms and other places.

Notes

1. The product is supported by a solid density board structure, so please do not soak the product in water.
2. If the product has an odor, you just need to put it in a ventilated place and the odor will slowly dissipate.
3. Please allow the slight color difference caused by the shooting light and 1-3 cm error due to manual measurement, and make sure you do not mind before ordering.
