

Installation Instruction for Item

Please turn off power and read this instruction before installation, changing the bulb or cleaning the fixture.

The installation must be handled by a qualified electrician with license.

- A. Fix the hanging plate (2) on the junction box with the screw (3).
- B. Use the terminal cap (1) to connect the lamp body wire with the external wire.
- C. Pass the screw (4) through the hanging plate(2) and adjust it to the proper position with the screw nut (5), then pass through the ceiling plate (8) and fix it with the flower branch (9).
- D. Fasten the lampshade (11) with the screw (10).
- E. Install the bulb (not included).
