

## TRI-FOLD TRAVEL MIRROR

### Instruction Manual

1. Before using the mirror, please pull the battery tabs out in order to activate batteries and use the mirror.

2. Press button on the top left of the mirror to turn the lights on or off.
3. Adjust the stand to desired height.

### Battery safety information:

- To replace batteries, please make sure both batteries are installed with positive terminal facing up.
- Replace both batteries at the same time. Use only CR2032 3V Lithium batteries.
- If battery contents are leaking, discontinue use and discard.
- Remove batteries if the mirror will not be used for an extended period of time.
- Batteries should be replaced by an adult.
- Ensure the battery compartment is closed properly and secure.
