Screw x 8

Part list

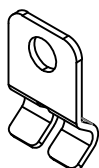

16 2PCS

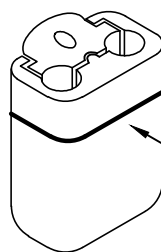

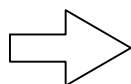

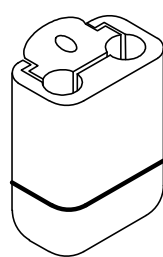

Drawer board

17 2PCS

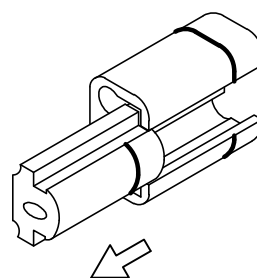

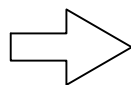

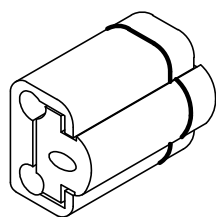

Iron buckle

19 8PCS

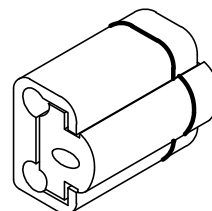

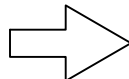

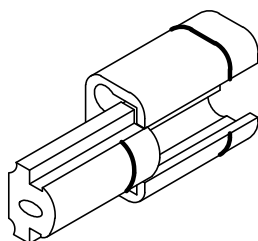

Remember this
convex coil

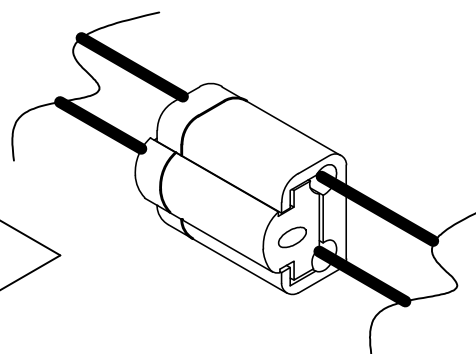

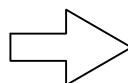

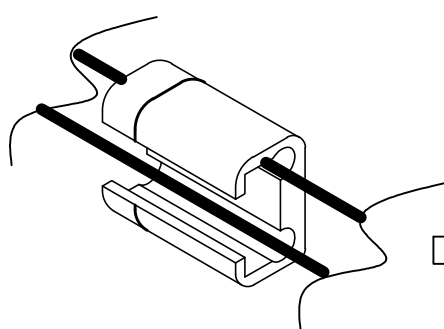

Reverse
direction

You can pull the buckle out by
following the direction indicated
by the arrow

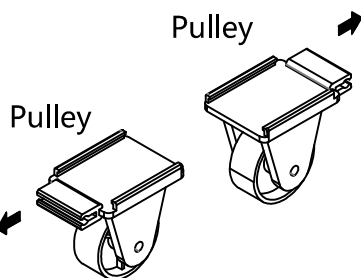

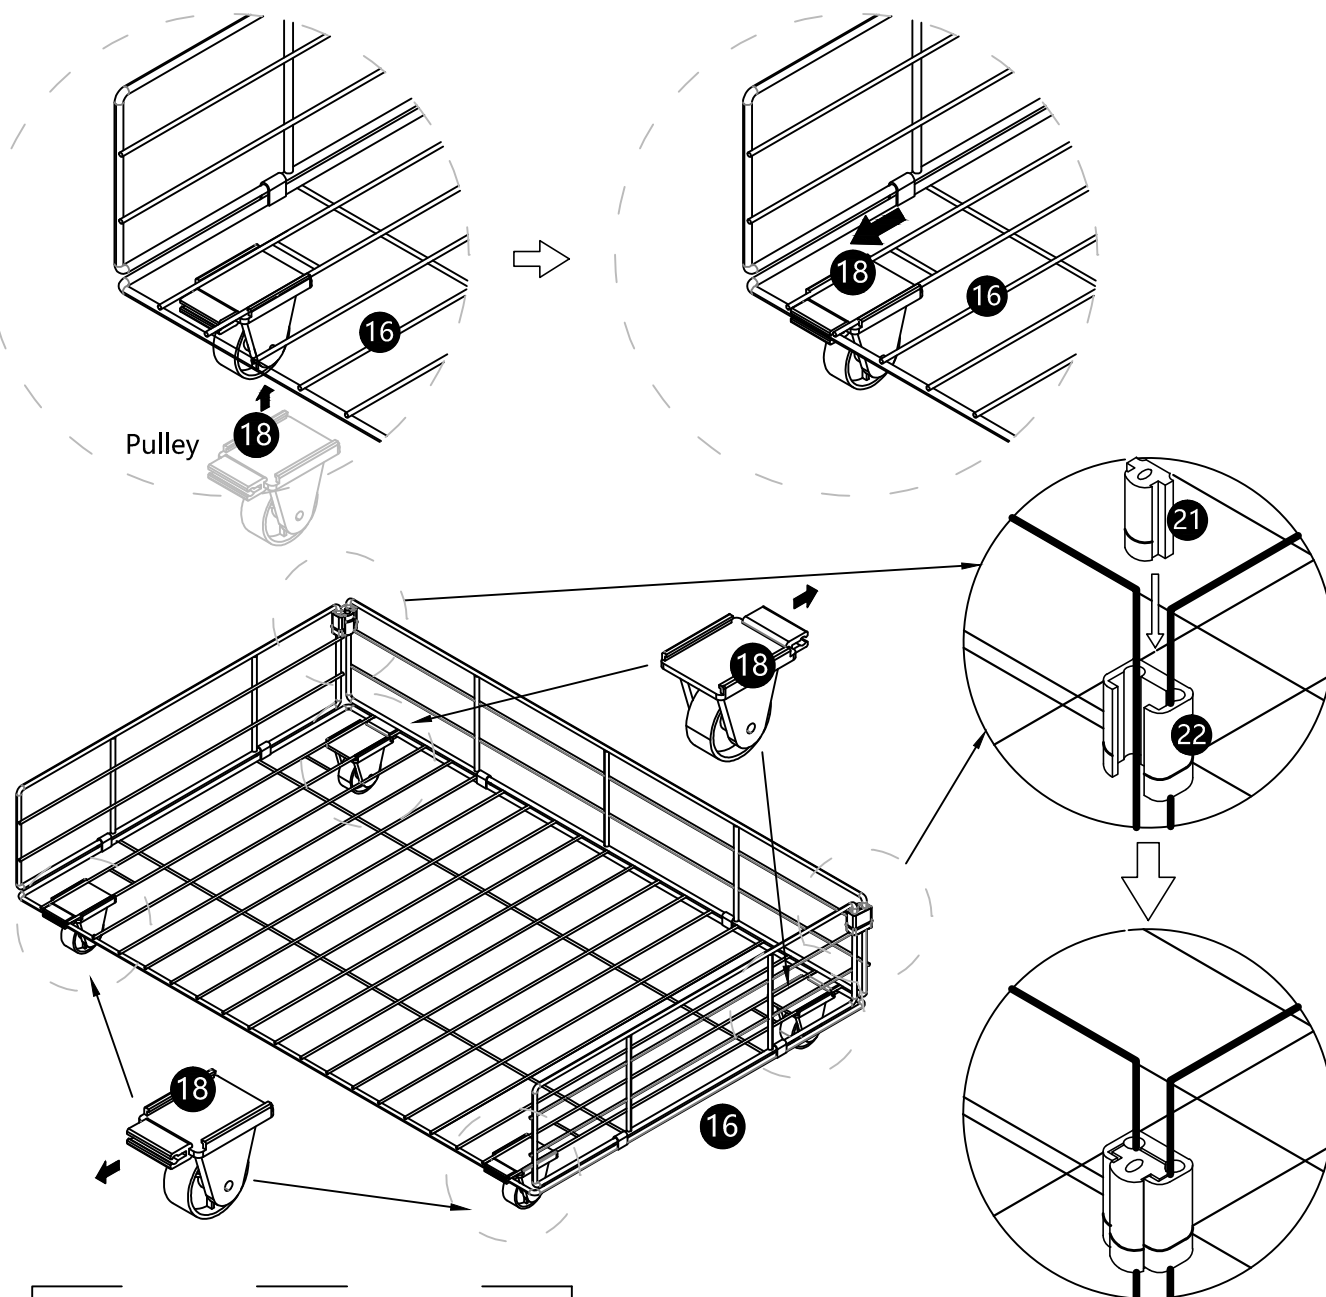

So This is the only direction that
can be locked

Place round iron tube as shown
for better drawer assembly

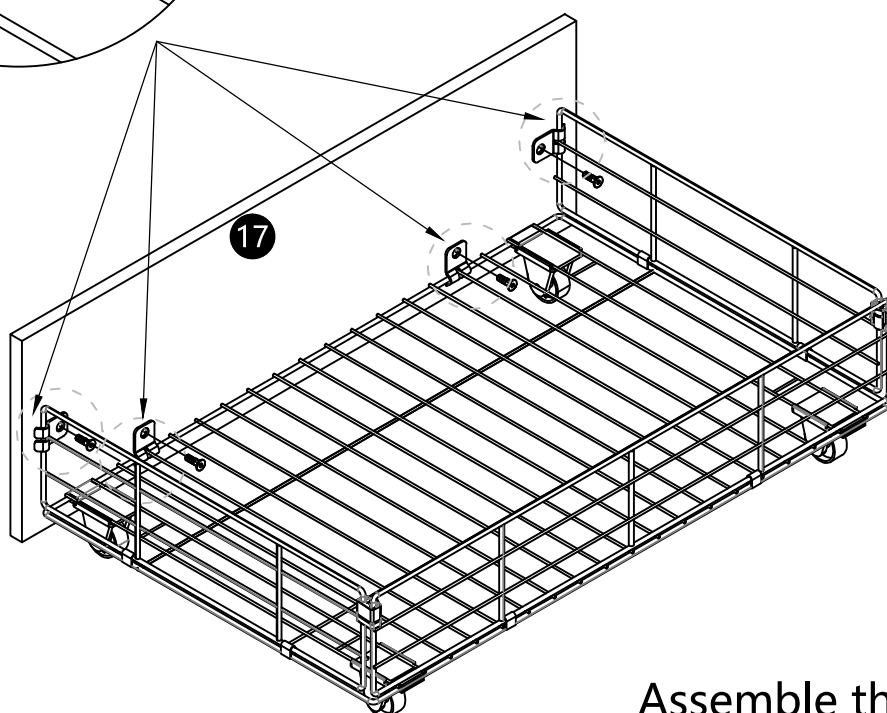

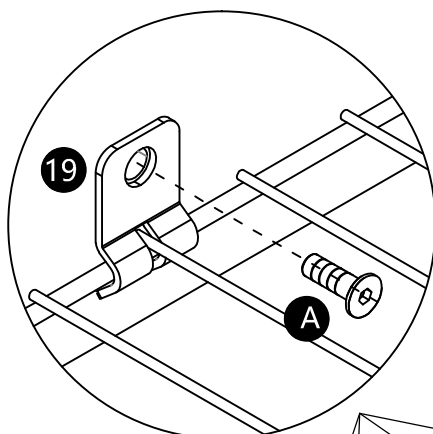

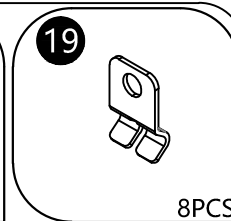

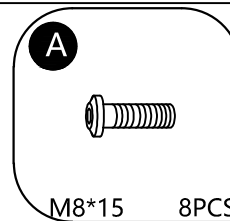

As shown in the figure Clip the pulley into position first

Then push the pulley to the side
At the same time, clamp the iron wire at the edge. It takes a little strength

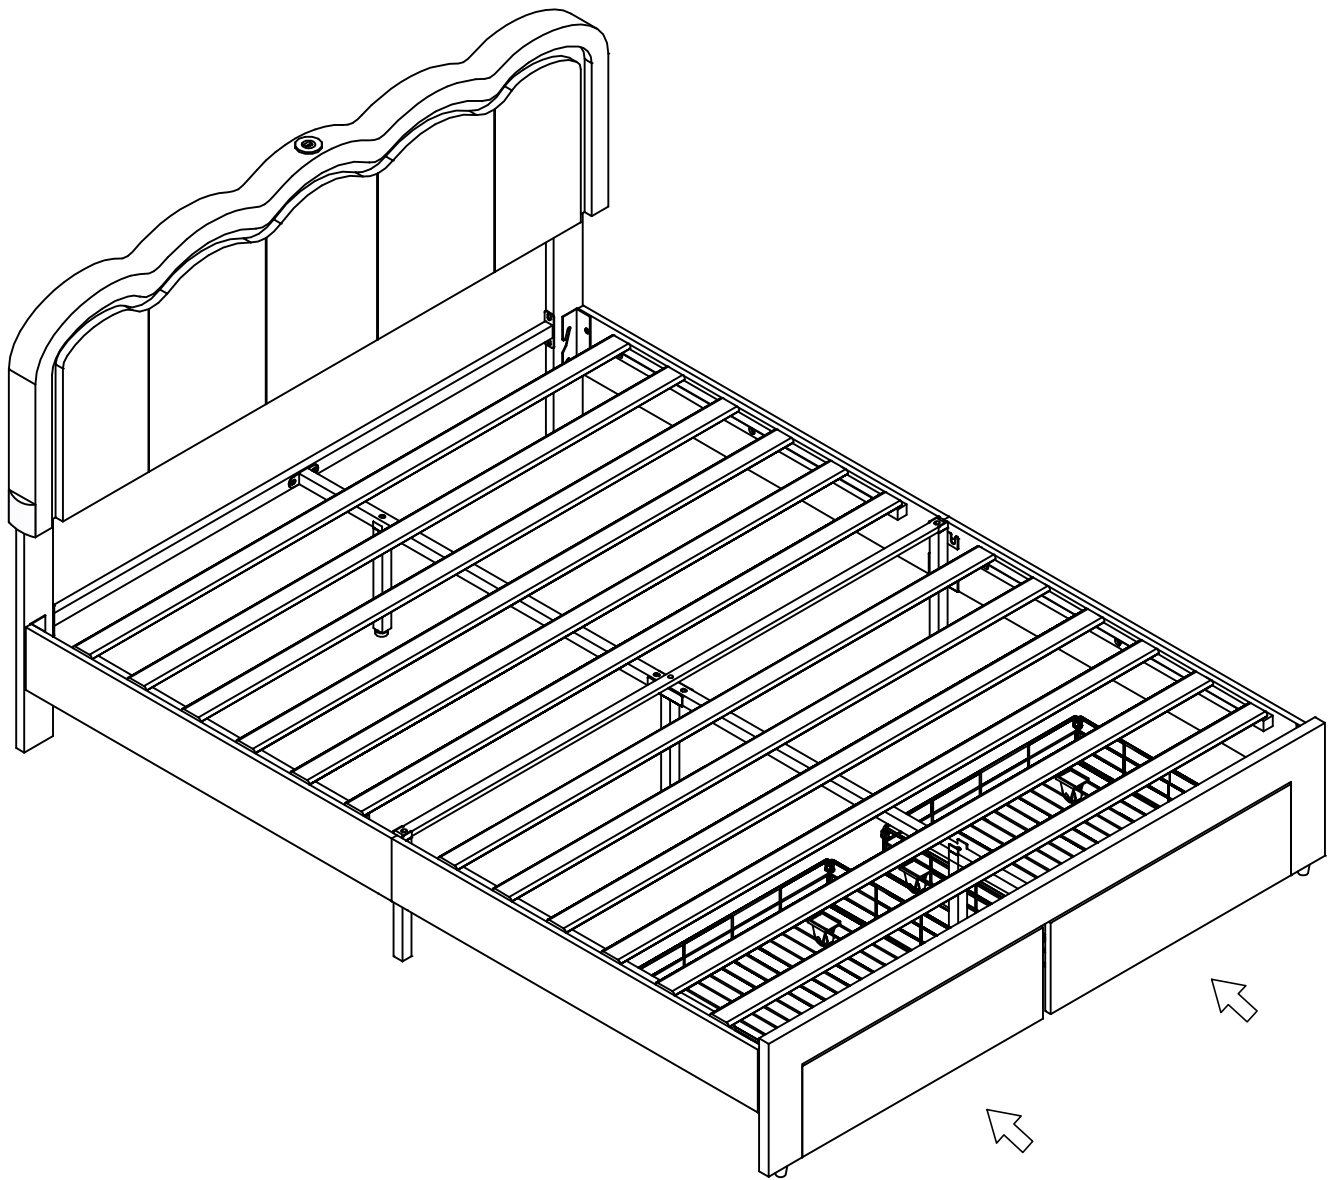

Pay attention to the orientation before clamping in

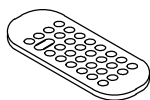

Please note that this drawer base (16) has front and back sides! Please see the instructions clearly before assembling!!!

Assemble the other
drawer in this way.
2 drawers in total.

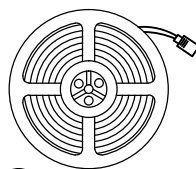

Push two dawner in

24 Remote control
1PC

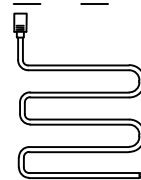

You can use the remote control to control the color

23 light bar
1PCS

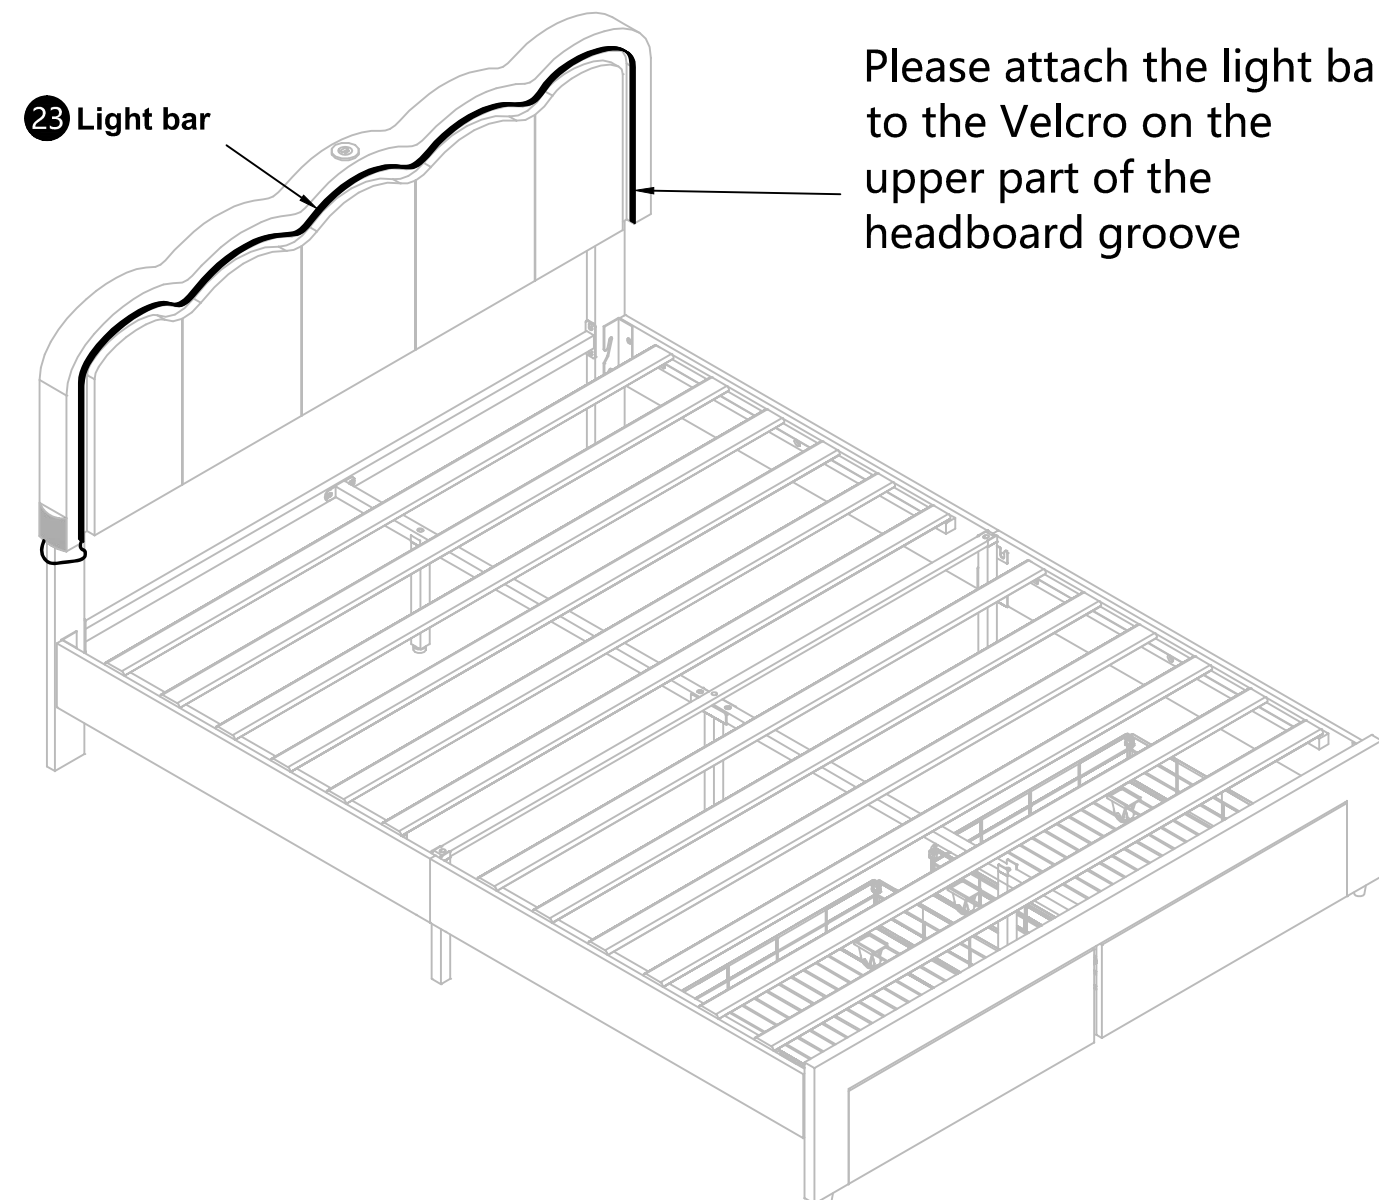

Pull out
and unfold

light bar

23 Light bar

Please attach the light bar to the Velcro on the upper part of the headboard groove

1. Connect LED color strip and controller, power on controller.
2. Scan two-dimensional code download APP.
3. Start APP, search and connect controller.
4. Enjoy the Bluetooth wireless control experience.

IMPORTANT SAFETY INFORMATION

Please carefully read the instructions and caution warnings below before assembling the product. Following this guide will ensure that you install, use and maintain the product properly.

- Please keep this installation and user manual/instructions for future reference in case you need to assemble the product.
- Do not assemble if you notice serious damage such as cracks or bends.
- During installation, please use work gloves for hand safety.
- Please assemble the unit on carpeted floor or the flat cardboard box to avoid scratching the surface or your floor while assembling on the floor.
- To assemble, please use the complimentary installation tools (Allen Wrench). Pay more attention to the direction of components at each steps.
- It is recommended that two people work together to assemble the product.
- Please do not tighten the screws up too much, just to 80% before you finish to make the instalion go on successfully.

HOW TO MAINTAIN YOUR PRODUCT:

- Check the screws of the product are not loose from regular use.
- Do not use sharp instruments, rubbing alcohol, corrosive chemicals, or abrasive cleaners to clean the product.
- Do not keep the product in a damp environment for a long period of time. The damp environment may cause the iron components to rust and the plates to bulge and crack.
