Introducing the DURA-PRO X Series by SKY FLOORING – an embodiment of elegance and endurance in the realm of flooring. With an exceptional 7.5mm thickness and an extraordinary 28 mil wear layer, elevated by an innovative ceramic bead finish UV coating, our SPC vinyl flooring redefines the boundaries of opulence and resilience.

Meticulously designed to encapsulate the essence of natural wood, the DURA-PRO X Series unveils a captivating texture and aesthetic, shedding the weight of high maintenance and exorbitant costs. Imbued with eco-friendly aggregates and stabilizers, its steadfast SPC composition echoes the tactile allure of genuine wood beneath your feet.

The DURA-PRO X Series radiates sophistication through its beveled edge profile, gracing your space with a visually striking floor design. Seamlessly installed via the secure Unilin Locking system, this flooring solution

effortlessly molds into living, kitchen, and bedroom spaces, while its robust SPC core guarantees unyielding stability, echoing the solidity of real wood.

From fire and water to fading and indentations, the DURA-PRO X Series rises resilient against the trials of heavy traffic and frequent use, making it a flawless choice for residential and commercial environments. Crafted entirely from 100% virgin, eco-conscious materials, this series proudly brandishes certifications by GreenGuard Gold and FloorScore, underscoring its commitment to a healthier indoor ecosystem.

Planks sized at 7.2" x 48" artfully embody the harmonious fusion of design and engineering brilliance.

Elevate your space's aesthetic while safeguarding the longevity of your flooring with the DURA-PRO X Series – an investment harmonizing eco-consciousness, endurance, and timeless luxury.

# Elmes

**SF-225X**

Dark Cedar shows dramatic shifts in tone and color and that gives out sharp contrasting angles. This finish shows more rigid and straight lines that are suitable for condominium floors and office spaces, but can also be warm and welcoming for bedrooms and living spaces.

## ACCESSORIES AVAILABLE

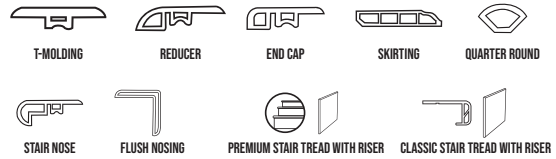

# Rustic Grey

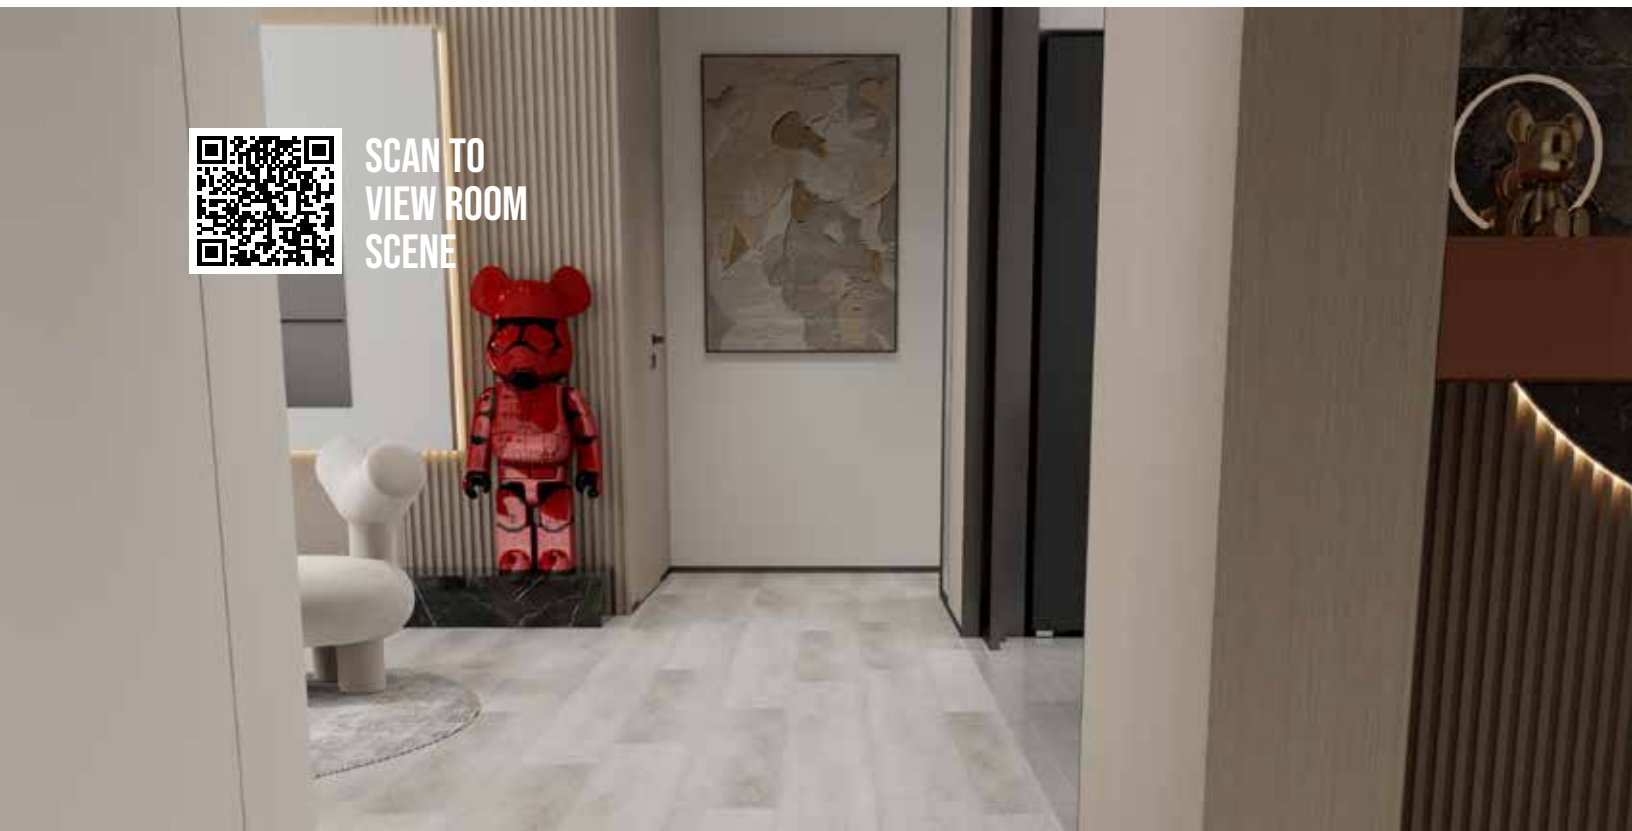

**SF-232X**

The gray tiled surface is ideal for many different types of living spaces where there will be much foot traffic. This surface is ideal for both industrial-themed and modern chic interior design. The neutral color provides a seamless connection between the bustling pavements and streets and the comfortable ambience of the indoors.

# Sycamore

**SF-235X**

Wood surfaces are very popular and evoke a rustic and lived in feel in any home or office. The natural wood finish with a solid wood plank design makes for wider patterns and a more natural finish. Perfect for living spaces and bedroom floors for both residential and condominium types.
