Base Type: E26

Light Source Included: NO

Voltage: 120VAC

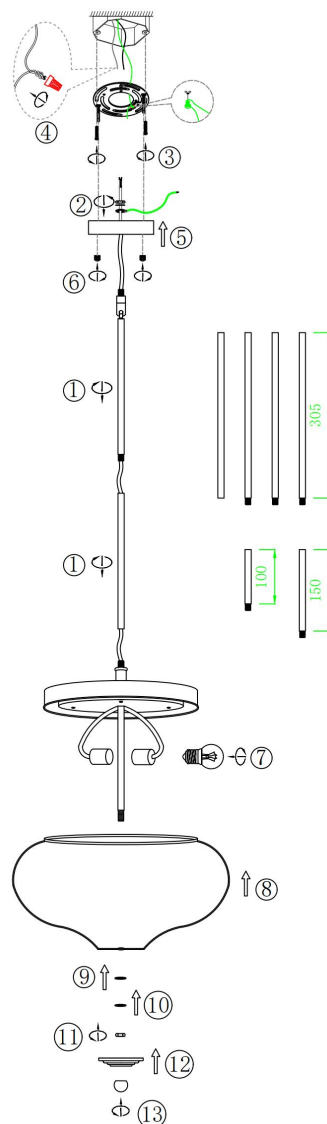

Wattage: 40W

Package includes

1 x Pendant Light

1 x Accessories Kit

1 x User's Manual

Installation Instructions

1. Pass the lamp wire through the center hole of the rod, then screw that rod on the lamp body (the rods are adjustable, choose the appropriate quantity of rods for installation)
2. Pass the lamp wire through the canopy, ground wire, washer, and nuts, then use the nuts to screw it onto the sloped-ceiling adapter
3. Fix the back plate to the junction box using screws.
4. Connect the live wire and neutral wire of the lamp body with the wire reserved on the junction box
- 5-6. Cover the back plate with the canopy and fasten the canopy using cap nuts
7. Install the light bulb (not included)
8. Insert the glass shade into the lamp body
- 9-11. Place the silicone washer/metal washer on the bottom of the glass shade and tighten it with the nuts
- 12-13. Put the cone cover on the bottom of the glass shade and tighten it with the cap nuts

Note: please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
