# 不锈钢置物架厨房厨柜拉蓝 说明书翻 译 英

## Installation Manual for Linkage Corner Pull-out Basket

| | | |
|---|---|---|
|  |  |  |
| 1.Install a sliding frame on the back panel of the kitchen cabinet. | 2.Make a mark on one side of the base plate, 8 millimeters away from the front edge, keeping the frame aligned with point A at the nearest position and on the same straight line. | 3.Pull out the sliding frame from the marked position and install screws on the edges and base plate. |
|  |  | |
| 4.Connect the frame and sliding frame with screws, and fix the door panel mounting seat at the top of the pull-out frame. | 5.Drill several screw holes on the door panel and connect the door panel to the pull-out frame through the door panel mounting seat. | |

# 联动转角拉篮安装说明书（小怪物）

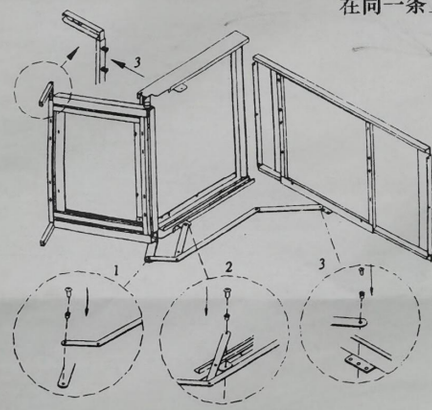

1.在厨柜后板上安装滑动框架。

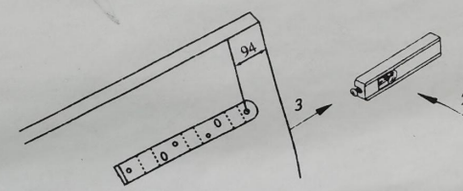

2.在一边底板上做一个标记，距离前边缘 8毫米，保持边框在最精的位置对准A点，并在同一条直线上。

3.在原来做好记号的位置上拉出滑动框架，在边上和底板安装上螺丝。

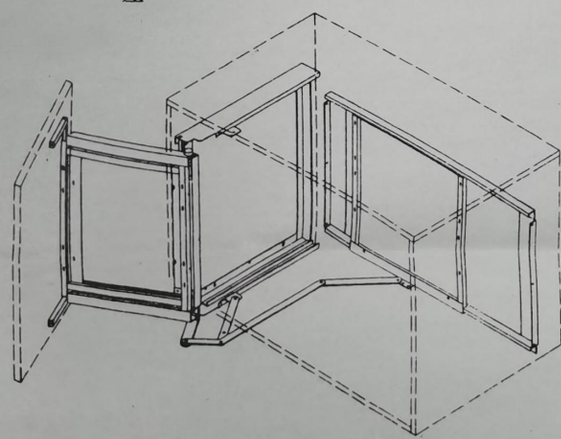

4.用螺丝连接边框和滑动框架，在可拉出的框架顶部固定好门板安装座。

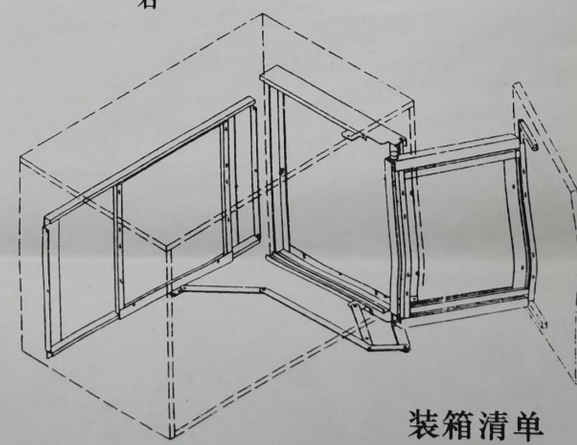

5.在门板上钻几个螺丝孔，通过门板安装座连接门板和克拉出的边框。
