

ASSEMBLY INSTRUCTIONS

CHAIR

Legs and hardware are stored in the bottom of the seat,
Please take them out for assembly.

Note: Do not use power tools for assembly. Power tools increase the risk of over tightening which lead to **splitting or cracking the wood**.

Care Instruction for Chenille Furniture.

In order to maintain the original appearance of your Chenille furniture, please follow below simple care procedures:

- Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Sunlight and/or exposure to heating and air conditioning outlets will fade/damage Chenille.
- Do not place your Chenille furniture too close to windows, radiators, or vents.
- Vacuum or wipe with a soft brush to remove dust.
- Hardware may loosen over time. Periodically check to make sure all connection are tight, Re-tighten if necessary.

For items use on wooden floor, hard surfaces or carpets, it is recommended to install protective pads under all legs and supports to avoid/prevent from damages/scratches and discoloration.
