

Dressing Table Assembly Instructions

Sort and lay out all components before starting assembly.

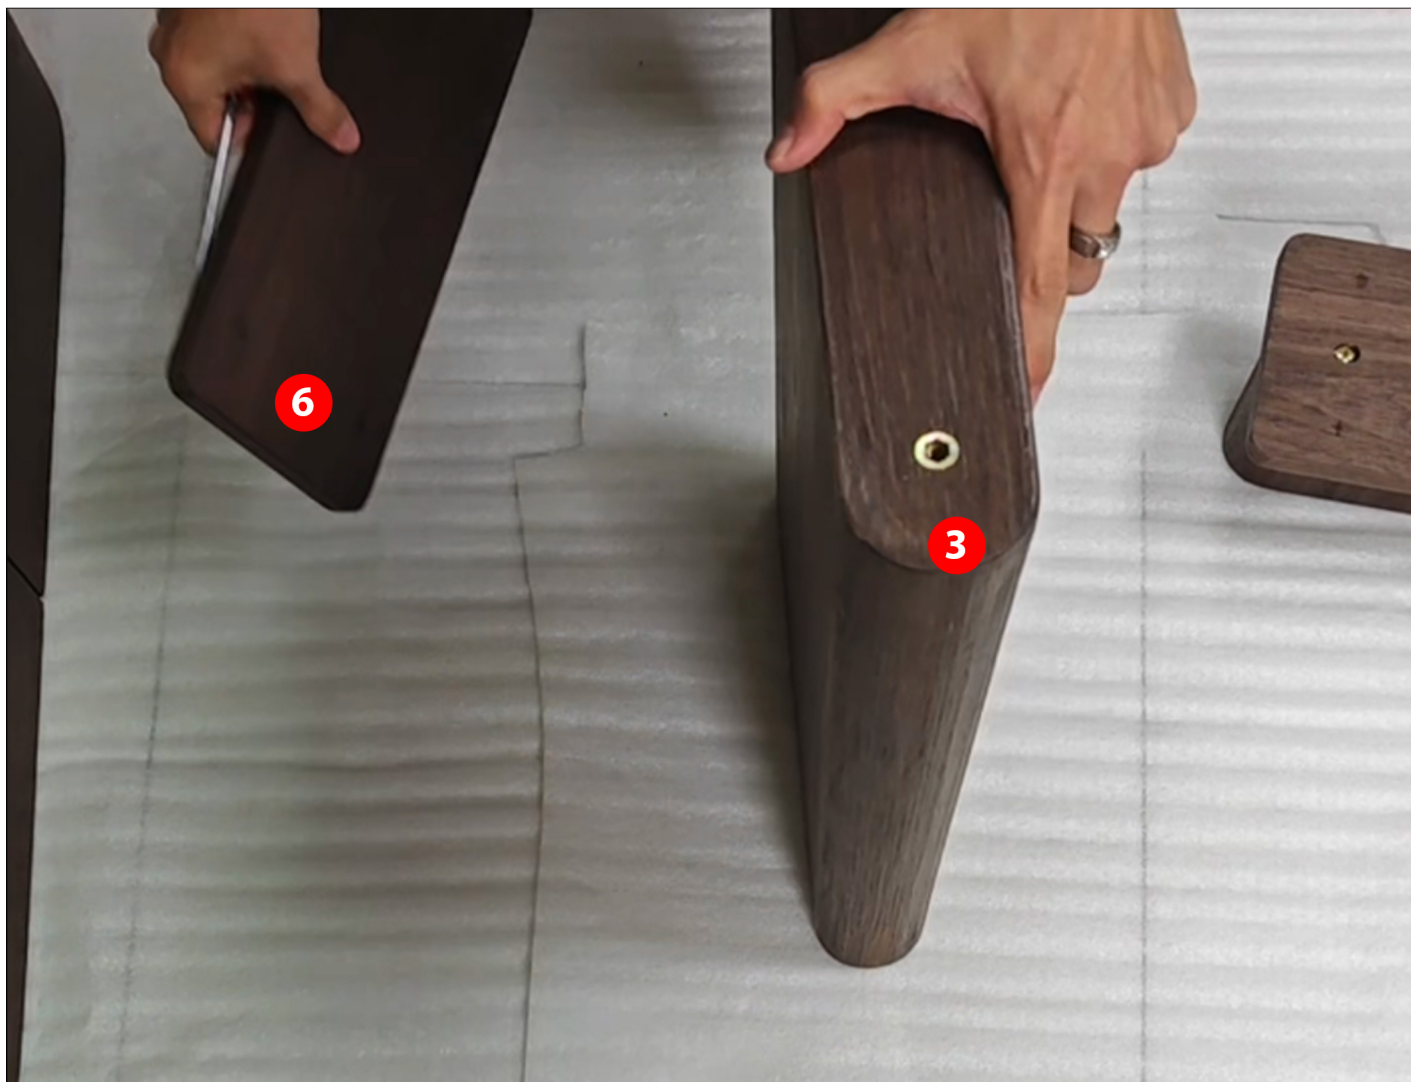

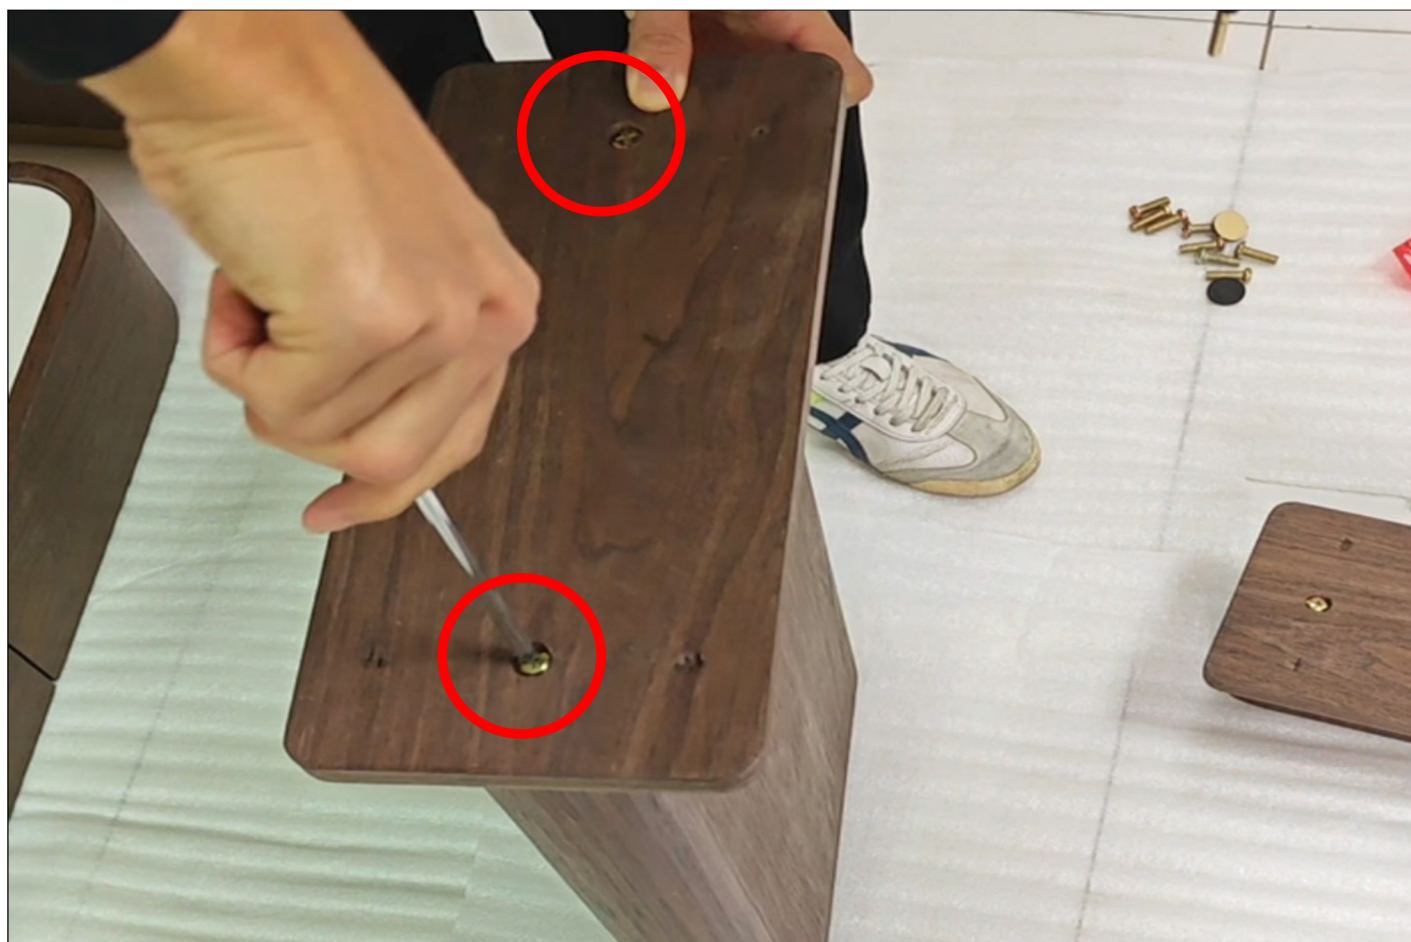

Then attach the two small rectangular boards (Part 5 & Part 6) to vanity legs (Part 4 & Part 3) respectively.

Secure with screws.

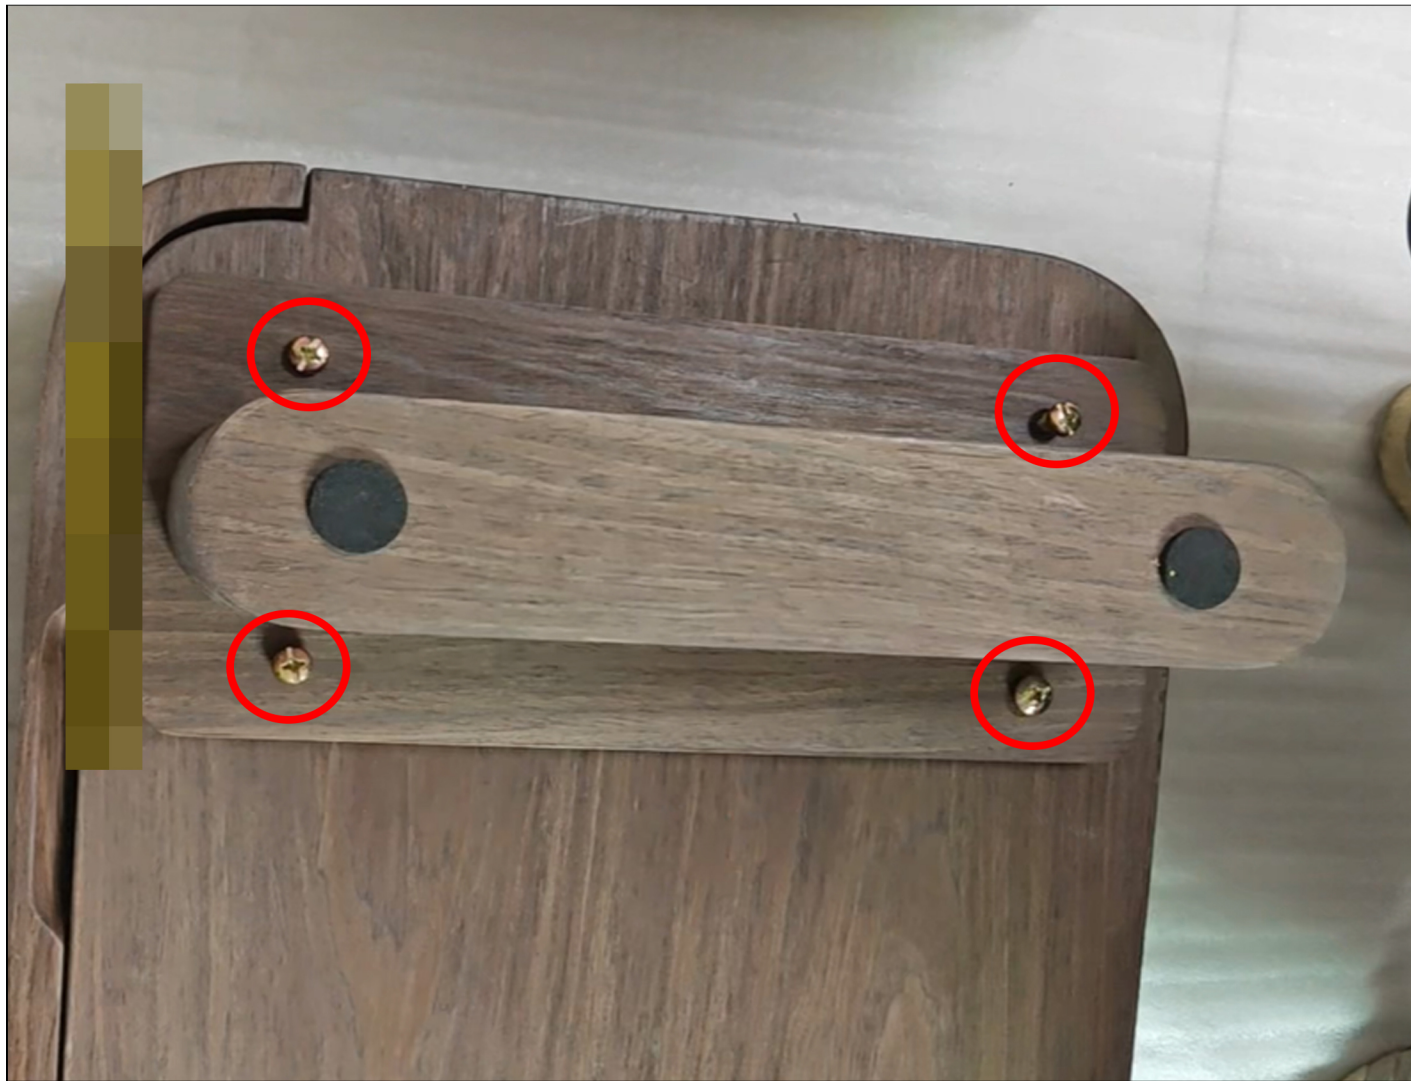

After installation, stick the anti-slip pad to the bottom of short leg Part 4.

Next, attach the two vanity legs to the bottom of Tabletop Part 1. You may adjust the left-right position of the legs as you prefer.

Finally, place the vanity table onto Part 2 cabinet, and the assembly is complete.
