! SAFETY INFORMATION

Please read and understand this entire manual before attempting to assemble, operate or install the product.

! WARNING

- . IMPORTANT: NEVER attempt any work without shutting off the electricity.
- . Place the main power switch in the "OFF" position and unscrew the fuse(s), or switch "OFF" the circuit breaker switch(es), that control the power to the fixture or room you are working in.
- . Place the wall switch in the "OFF" position. If the fixture to be replaced has a switch or pull chain, place it in the "OFF" position.
- . Do not use bulbs with wattage greater than specified on this fixture.
- . California Prop. 65: This lighting fixture contains chemicals known to the state of California to cause cancer, birth defects, and/or other reproductive harm. Wash hands after use.

CAUTION

- . If you have any doubts about how to install this lighting fixture, or if the fixture fails to operate completely, please contact a licensed electrical contractor.
- . All parts must be used as indicated in these instructions. Do not substitute any parts, leave parts out, or use any parts that are worn out or broken. Failure to obey this instruction could invalidate ETL listing and/or C.S.A. certification of this fixture.
