- Have 2 adults on hand for assembly-

- Do not assemble on flooring or carpet-

- Assemble on a clean non-marring surface (packing foam)-

- Save all packaging until finished-

Assembly Steps

Overview

This Loveseat has multiple parts and may require up to 30 minutes to assemble. To give you an overview of the Loveseat parts, the above picture is to help you put the various parts into perspective. Please read through the instructions below to familiarise yourself with the parts and steps before assembly.

Step 1

Place the Seat(A) on a clean, non-marring surface with the bottom facing you, as shown in picture above.

Carefully unzip the Dust Cover at the bottom, and remove the Legs and Hardware.

Step 2

Step 3

Test for Stability

Stand the Loveseat up.

Place the Loveseat on a **LEVEL SURFACE**.

Inspect it and make sure all parts are adequately connected.

Gently and carefully, sit on the Loveseat.

This will help to align all parts at all joints.

Then get off the Loveseat, and carefully place the Loveseat facedown.

Then proceed to tighten all Bolts at all joints in a sequential manner.

If there are still wobbles, loosen the Bolts and execute the same process.

Step 4

Your Loveseat Chair is ready for use.

This Loveseat Chair can only be used on a flat, level surface.
