Ala

Designed by Caloroso studio

Ala offers a 180-degree swivel motion, supported by a self-centering stainless steel base. It redefines functional seating with sculptural elegance, blending poetic design with the simplicity of everyday moments.

- Frames are craftsman-built using cross-directional hardwood laminate certified by the Sustainable Forestry Initiative.
- Frame support system features flexible elastic webbing.
- Seat cushions contain foams of different density, padded with polyester fibers.
- Stainless steel swivel mechanism allows 180-degree rotation.

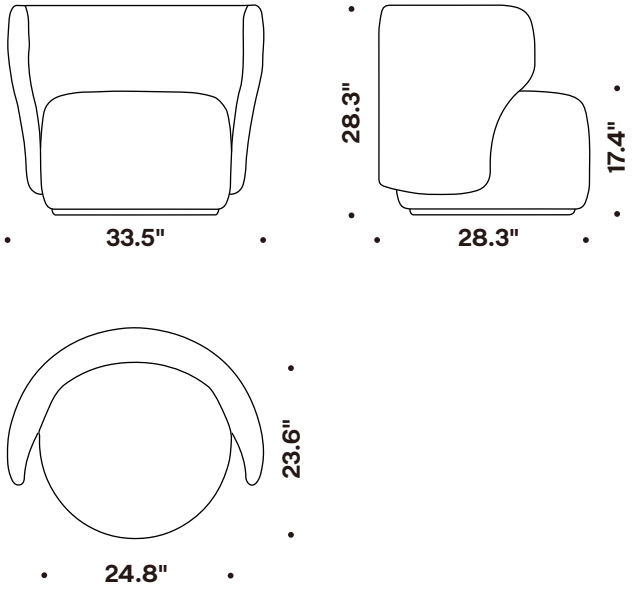

- ***Note: To maintain the integrity of the fabric, avoid ironing at high temperatures.***
