

# Lakeside II Mantel Clock 630278

---

Adorn your home with the Lakeside II key wound mantel clock for classic elegance. It emits soft chimes and has a silent option for when you prefer quiet. The graceful tambour design looks stylish in any room, and this timepiece a statement piece for any mantel or shelf.

**Transitional Style:** This tambour clock has a Seaside Gray finish applied on select hardwoods and veneers for a refined look. The white dial is protected by a convex glass crystal and features charcoal gray Roman numerals. The hour and minute hands are also charcoal gray to match the numerals.

**Precision Movement:** The German-crafted, key-wound Westminster chime movement provides precise timekeeping. It plays 1/4, 1/2, and 3/4 chimes at the appropriate times. A strike and full chime plays on every hour, while the dual-ratchet winding arbor lets you safely wind this timepiece.

**Great for Gift-Giving:** This elegant wooden mantel clock makes an excellent gift for weddings and anniversaries. It's also a thoughtful gift for housewarming celebrations.

**Howard Miller:** Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
