Installation diagram

Step 15  A line drawing of a shelving unit frame. It consists of a vertical back panel, a horizontal top panel, and two horizontal shelves. A label 'K' points to the top corner joint where the back panel meets the top panel.	Step 16  A line drawing showing two vertical panels. A label 'L' points to the top edge of the left panel. Arrows indicate the panels are to be moved towards each other.
Step 17  A line drawing showing two horizontal shelves being inserted into the frame. Arrows indicate the shelves are being moved into the frame.	Step 18  A line drawing of the shelving unit with the shelves inserted. A label 'K' points to the top corner joint where the back panel meets the top panel.
Step 19  A line drawing of the shelving unit with the shelves inserted. A label 'P' points to the top edge of the back panel.	Step 20  A line drawing of a rectangular panel. A label 'L' points to the top edge of the panel. Arrows indicate the panel is to be moved towards the unit.
Step 21  A line drawing showing the bottom panel being inserted into the frame. Arrows indicate the panel is being moved into the frame.	Step 22  A line drawing of the completed shelving unit, showing the back panel, top panel, shelves, and bottom panel.
