| Part | Description | Quantity |
|------|--------------|----------|
| A | Tube | 1 pc. |
| B | Lamp Base | 1 pc. |
| C | Lamp Body | 1 pc. |
| D | Fabric Shade | 1 pc. |

STEP 1

Insert the Tube(A) to the Lamp Base(B).

STEP 2

Fix the Lamp Body(C) to the Tube(A) with the help of connector.

STEP 3

Remove socket ring from the Lamp Body(C).

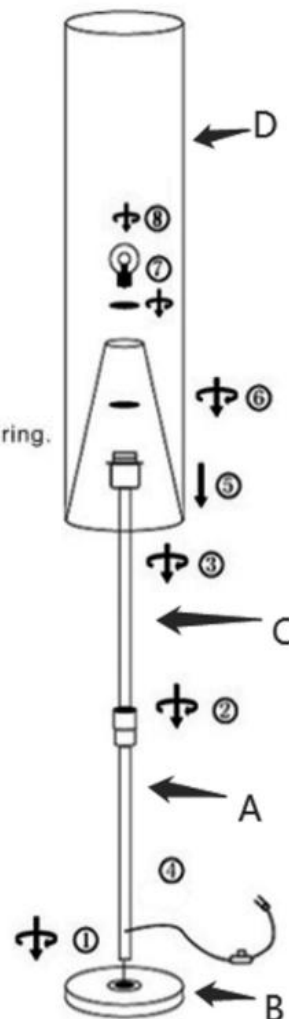

Place the Fabric Shade(D) on the Lamp Body(C) and fix it with socket ring.

STEP 4

Install your bulb to the bulb base.

STEP 5

Plug in the power cord.

Pay attention to the direction of the lampshade:

If the bulb is in the middle of the lampshade, it is correct.

If the position of the bulb is higher, the lampshade will be installed upside down.
