

INSTALLATION INSTRUCTION

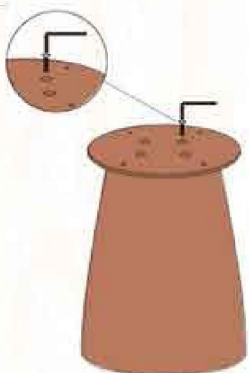

- ① Check the integrity of the outer box after receiving the package.

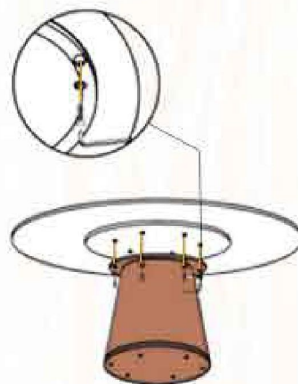

Note: Need to unpack and inspect all items: tabletop, connecting plate, and base.

- ② Align all the holes on the desktop, connecting plate, and chassis

- ③ Place the connecting plate on the base and secure the connecting plate and base with screws.

- ④ Flip the dining table, align the holes on the connecting plate with those on the table, and use a screwdriver to install the screws. **(handle with care when flipping.)**

- ⑤ Put the small table on the tabletop, or put it up when you want to use.

- ⑥ Assembly completed.
