Receiving the Product

Upon receiving the product, please immediately inspect it for any transportation damage, missing parts, or manufacturing defects.

Cleaning and Maintenance

1. For daily cleaning, use a general liquid detergent and a soft cloth.
2. If there are stains, gently wipe with a clean, soft towel or a small amount of neutral soap or toothpaste.
3. To make the glass surface shiny, use a polishing agent.

Notes

1. Do not use acids, alkalis, or sharp tools during cleaning to avoid damaging the surface of the shower basin, glass, aluminum, and other accessories.
2. Avoid strong detergents containing acetone or ammonia. When disinfecting, do not use products containing formic acid or formaldehyde to prevent damage to the product's surface gloss.
3. When showering, avoid using your body or hard objects to contact or impact the glass surface to prevent accidents.
4. Regularly check the shower room for any abnormalities. If any issues are found, please contact the after-sales service department promptly.
