# STEP1

Cut the plastic air compression bags, and take out the cushion (A&BR&BL). Let it recover to its original shape, the whole recovery process might take 48 hours, you may gently slap on it to speed up the process.

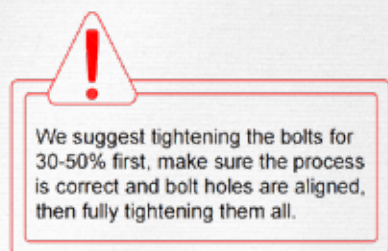

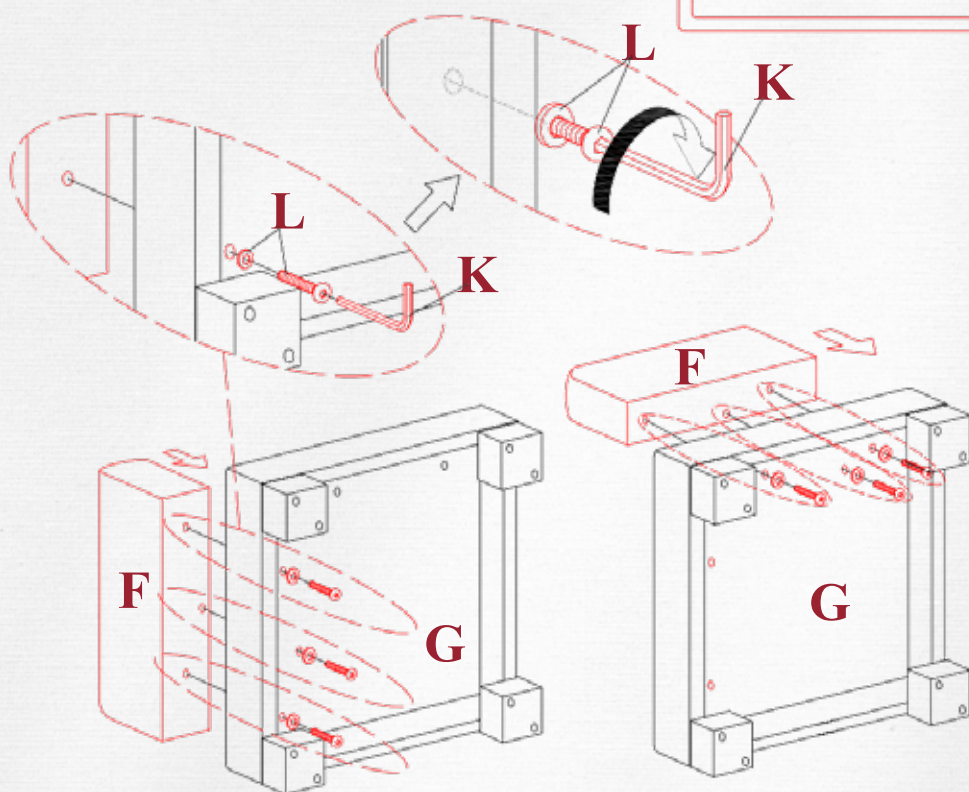

# STEP 2

Take off the case, screw all legs (J) into holes on each corner of sofa and ottoman frames (G), tighten them with hands.

# STEP 3

Place the sofa frame on its side on a clean surface, and install the backrest frames (F) on two sides as shown. Align the bolt holes on both backrest frames (F) and seat frame (G), first add one flat washer on each bolt, then use the allen wrench (K) to tighten all bolts.

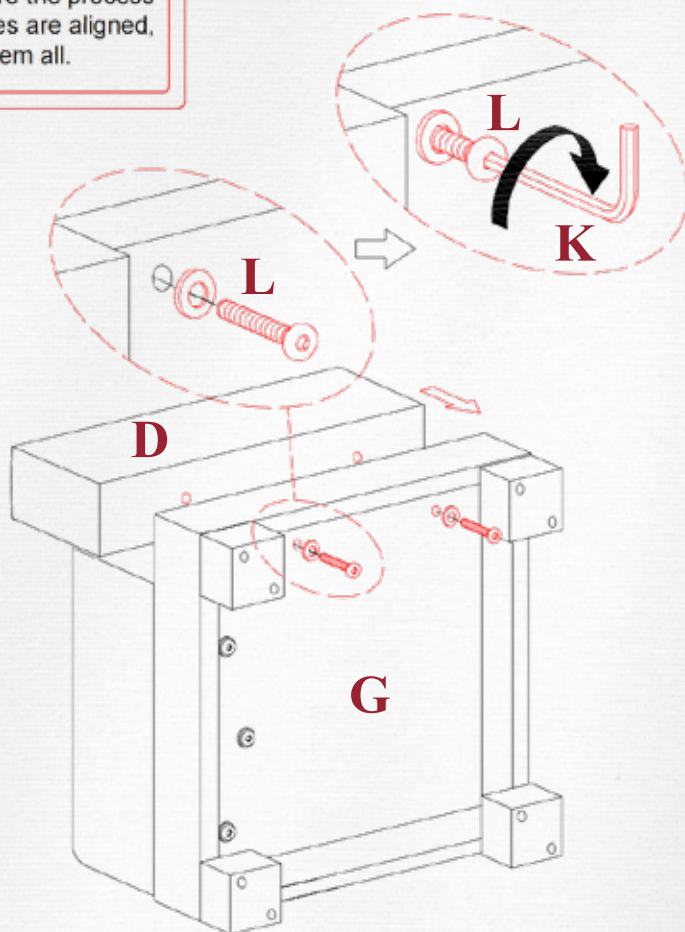

# STEP 4

Install the armrest (D) to the previous part as shown, align the bolt holes on both seat frame (G) and armrest frame (D), first add one flat washer on each bolt, then use the allen wrench (K) to fully tighten the bolts.

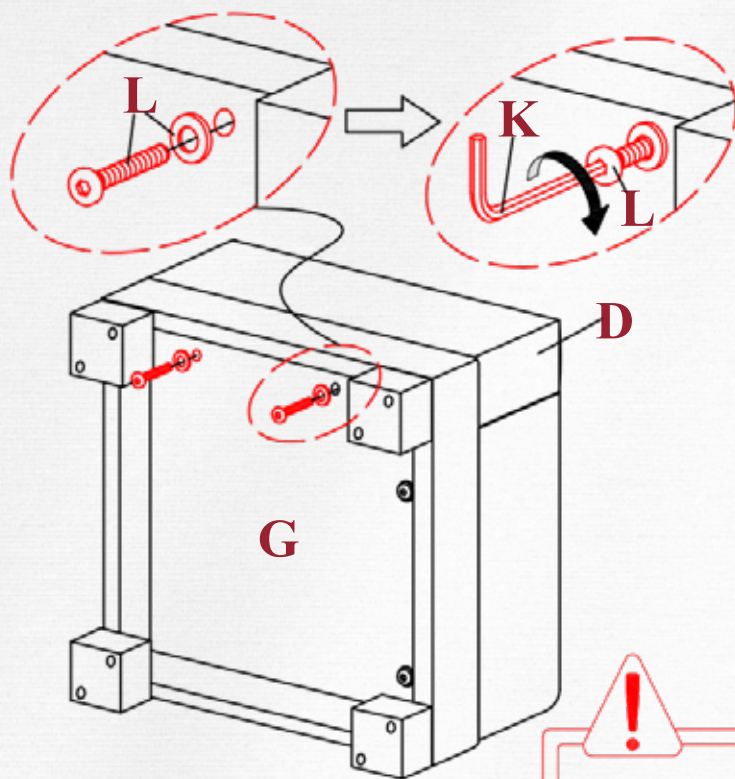

We suggest tightening the bolts for 30-50% first, make sure the process is correct and bolt holes are aligned, then fully tightening them all.

# STEP 5

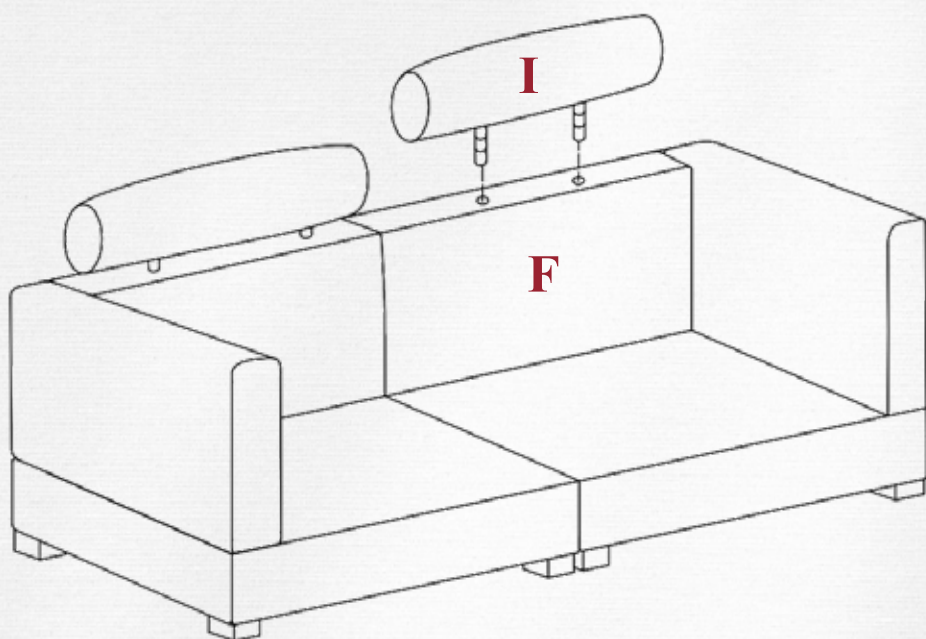

Install the armrest (D) to the previous part as shown, align the bolt holes on both seat frame (G) and armrest frame (D), place one flat washer on each bolt first, then use the allen wrench (K) to fully tighten the

! We suggest tightening the bolts for 30-50% first, make sure the process is correct and bolt holes are aligned, then fully tightening them all.

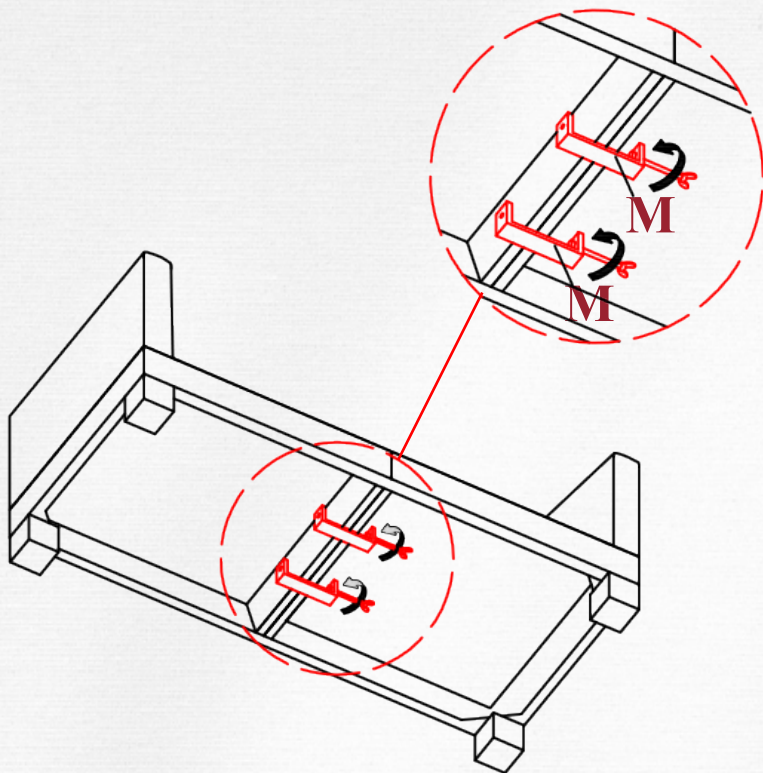

# STEP 6

Insert headrest (I) into the backrest (F) as shown, make sure they are aligned. There are three levels of adjustment for the headrest.

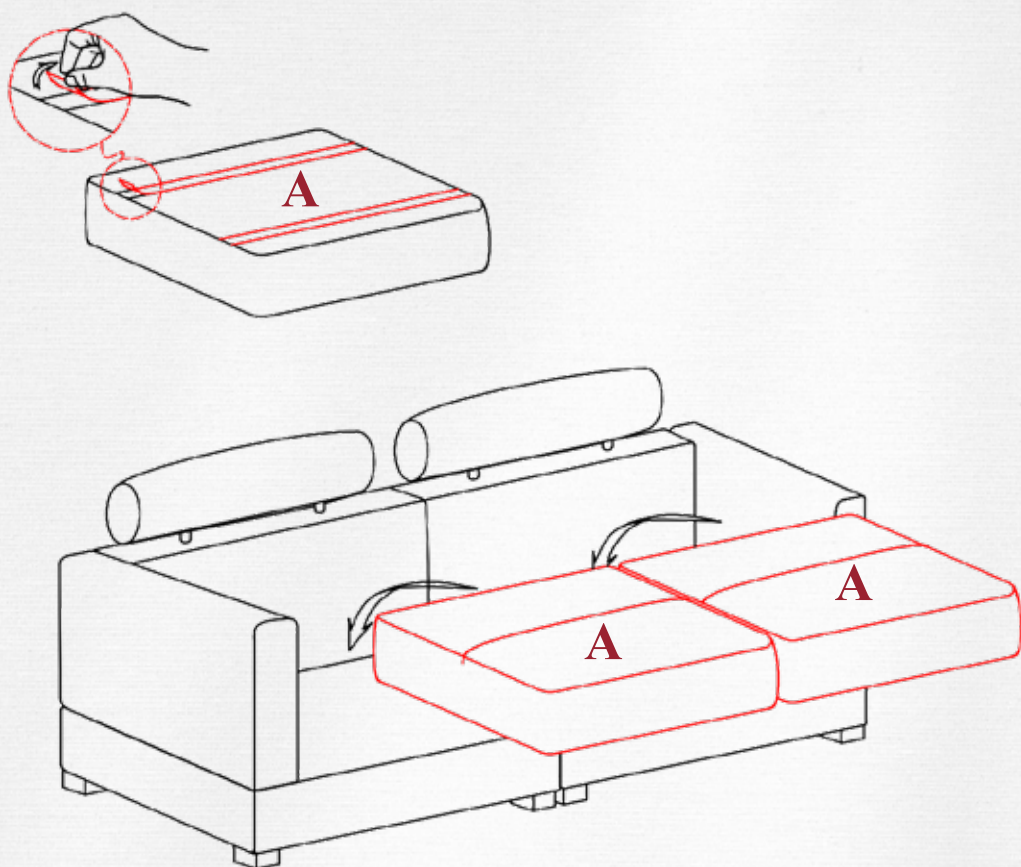

# STEP 7

A metal hook (M) is included in the carton; it is not needed for a single sofa, but when combining this sofa with other components (ottoman, chair, chaise, etc.), use the hook to fix the two parts together from underneath and prevent them from shifting during use.

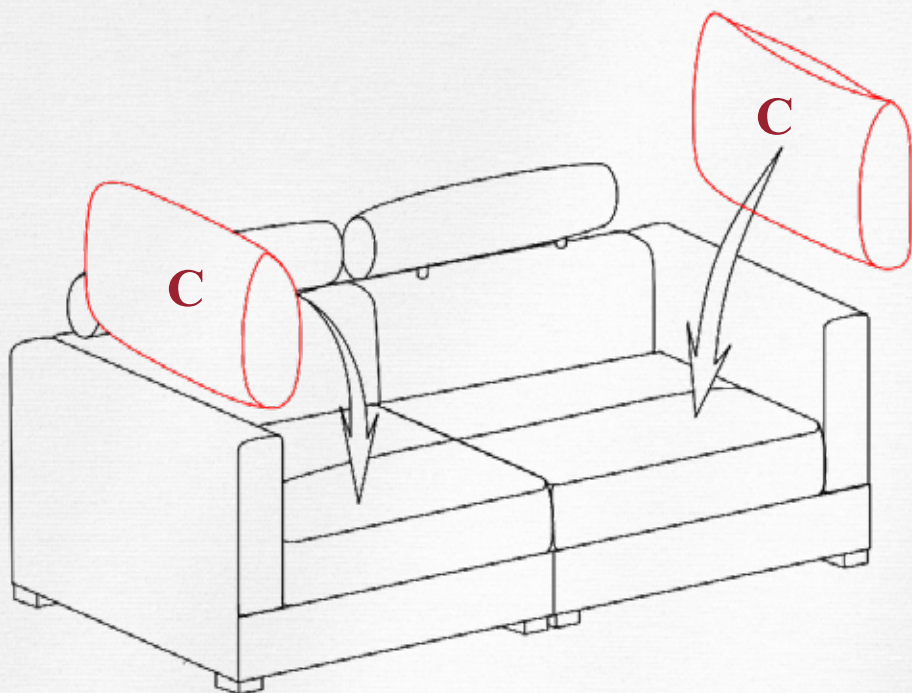

# STEP 8

Place the Seat cushion (A) onto the sofa.

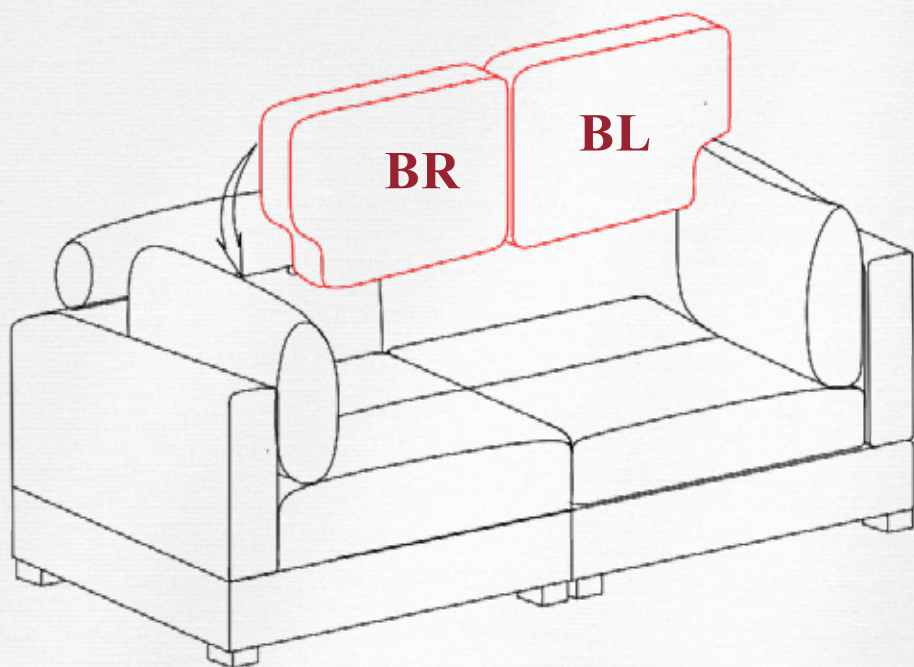

# STEP 9

Place the Armrest cushion (C) onto the sofa.

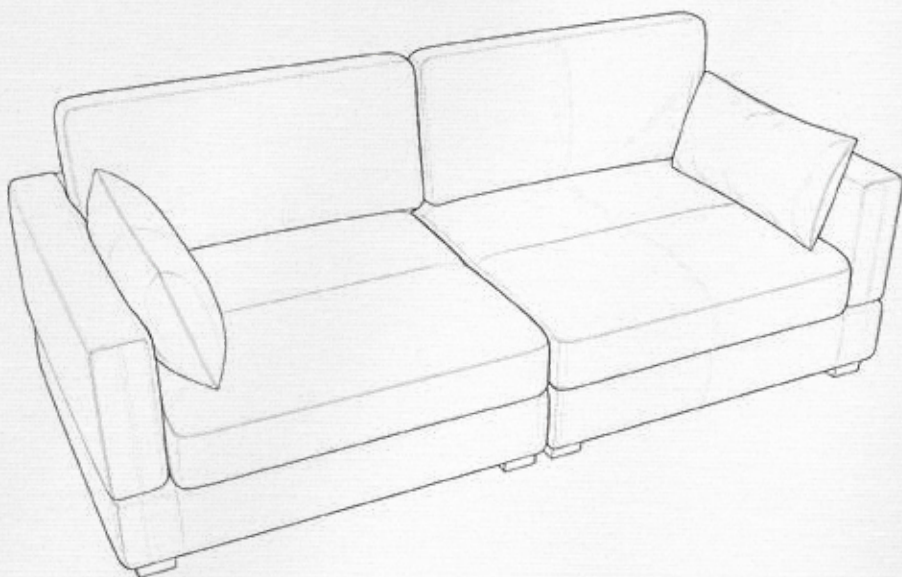

# STEP10

Put Back cushions (B) on it as picture shows.

# STEP11

Congratulations! The assembly has complete! Thank you again for choosing our product, please enjoy!
