## MORE INFO

Create a first-rate dining experience by offering your patrons great food, service and attractive furnishings. The metal chair is a popular choice for furnishing restaurants, cafes, pool halls, lounges, bars and other high traffic establishments. This chair is easy to clean, which is an important aspect when it comes to a business. This chair was designed to withstand the daily rigors in the hospitality industry, but will also provide a chic look to your home. The thick, foam padded seat will keep users comfortable. The durable frame is stabilized with welded joint assembly.

The floor glides help protect your floors and ensure smooth gliding. The simple and lightweight design of this chair will not disappoint, whether used for residential or commercial grade use.
