

# **79"x24"x31.5" Pet Dog Cage Owner's Manual**

#### NOTE :

1. Open the package and check the completeness of the numbers/codes of planks and hardware according to this instruction manual.
2. Assemble step by step and in sequence according to the pictures in the instruction manual. (Tip: Pay attention to the arrangement of the planks and holes as shown in the picture.)

#### GUIDELINES:

- \* Please read the following instructions carefully and use the product according to the instructions.
- \* This summary may not include all changes and every detail of the considered steps. For more information and help, please contact us.
- \* After unpacking, if any parts are found defective or missing, stop assembling immediately and contact us.
- \* The product must be assembled and used in accordance with the provisions of the instruction manual.

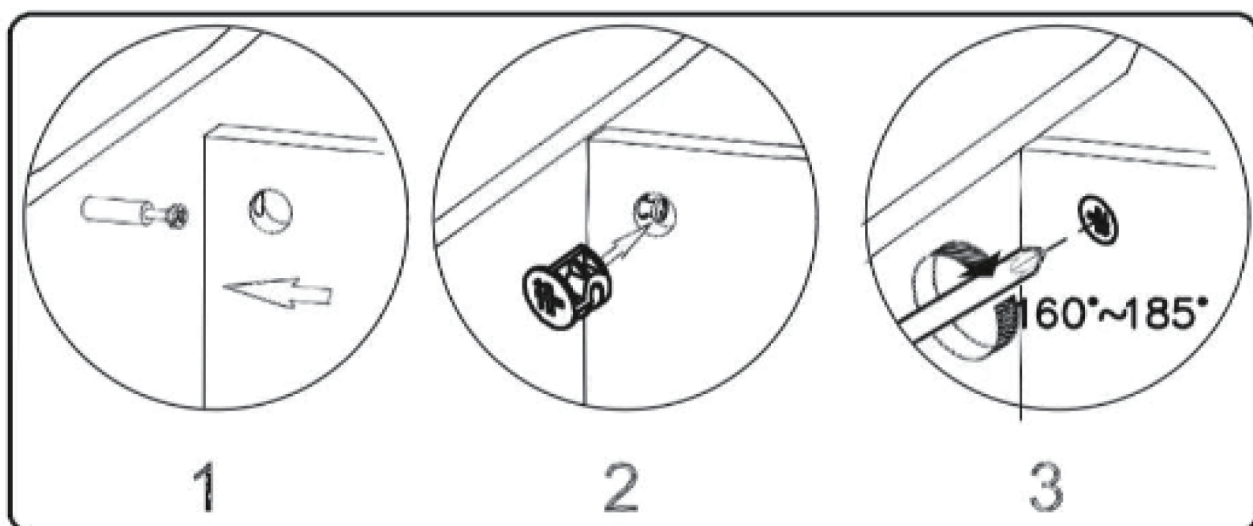

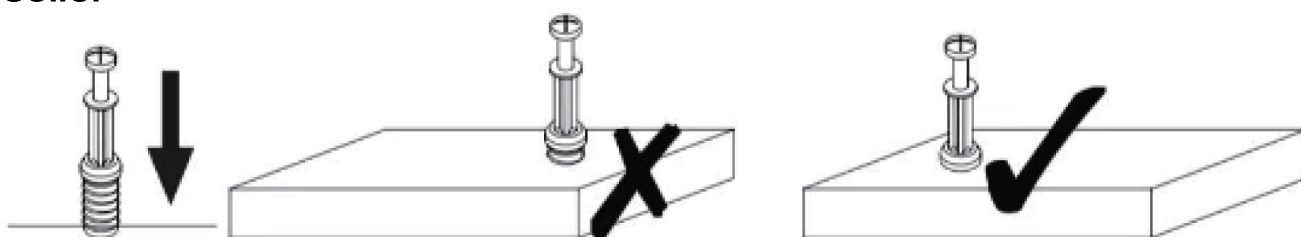

#### WARNING:

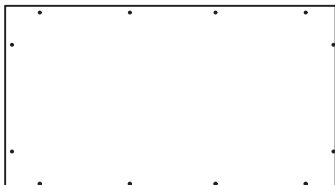

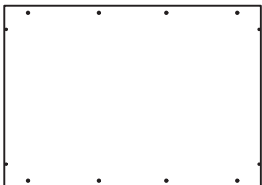

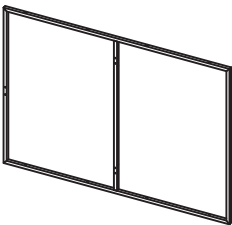

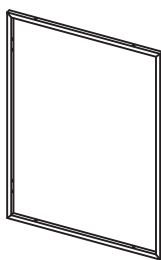

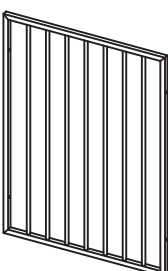

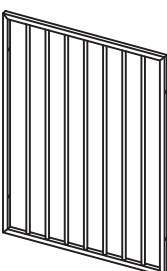

- \* Keep any small parts out of the reach of children during the assembly process.
- \* To avoid potential choking hazards, keep all parts and packaging (films, plastic bags, foam, etc.) away from infants and children.
- \* Do not touch sharp objects or corrosive chemicals to avoid damaging the surface of the item.
- \* Do not expose the product directly to sunlight or rain, nor place it in a humid place.

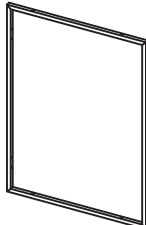

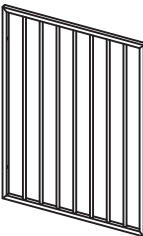

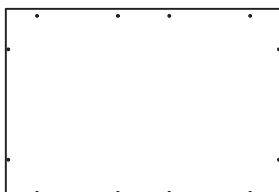

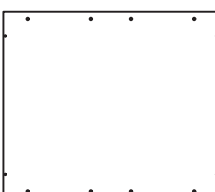

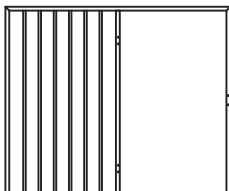

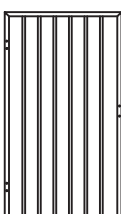

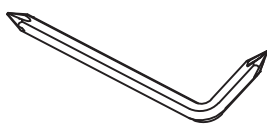

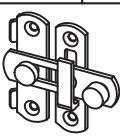

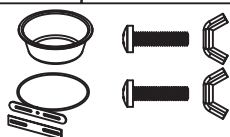

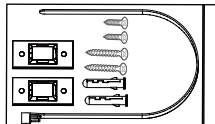

#### Contact us:

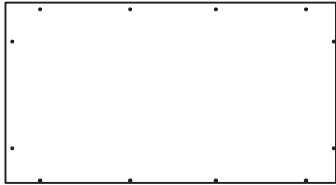

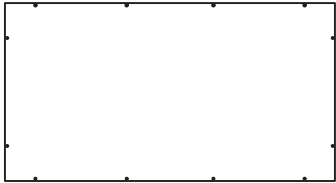

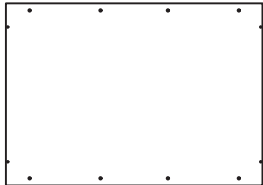

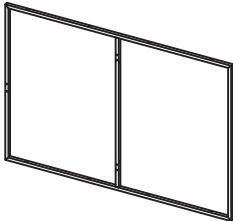

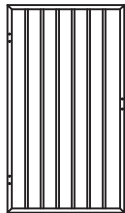

If you have any questions, please contact our customer service staff immediately. We will reply to your message within 24 hours.
