

# *solar-powered* LED SECURITY SPOTLIGHT

## *A Lot Of Light In A Little Package*

A Great Addition To Any Outside Area

### A LOT OF PUNCH IN A SMALL PACKAGE; SURFACE MOUNT LED TECH

This light is a perfect addition to any outdoor area including your deck, patio or walkway. The solar powered LED Security Spotlight automatically activates when it detects motion after dark. Its small size means it can fit almost anywhere. Solar powered, meaning you don't use any electricity from your home!

### FREE, SOLAR ENERGY & NO ELECTRICIAN

The included solar panel captures sunlight and converts it into electricity, which then charges the pre-installed batteries. A 9 foot cable running from the solar panel to the light allows you to position the panel in area with maximum sunlight. On a full charge, the light will activate up to 120 times when on for 60 seconds at a time.

### WORKS YEAR ROUND, IN ALL CLIMATES

An IP44 weatherproof rating, sealed lens, and durable construction ensure that your light will provide many years of functionality.

#### WHY IS THIS LIGHT USEFUL TO ME?

- *It's solar powered, so no electrician is required.*
- *You can add these outdoor lights anywhere.*
- *The light only turns on when someone walks by.*
- *No more stumbling in the dark.*

#### ADJUSTABLE TO YOUR NEEDS

You can adjust both the time the light stays on after the motion stops as well as how dark it must be for the light to start activating.
