

STICKLEY®

Copper-Top Side Table Copper-Top Side Table

The Copper-Top Side Table is inspired by a Stickley Brothers design circa 1910. A round top of hammered copper sits on a solid-oak frame made up of three tapered legs and a stretcher shelf attached with through-tenon joinery. Its 26-inch height makes it perfect for use as a lamp table alongside a sofa or chair.

SKU: 89-1230-032

Dimensions: W26 D26 H26

Solid oak

Mortise-and-tenon joinery

Details & Specs: Hammered copper top
