

NOBLE PENDANT

49063
Antique Brass
H: 13.5 IN
Dia: 6.0 IN

Thick crystal, sculpted into an optical globe, creates the extraordinary shade of this pendant lamp. The center is carved out to fit a single light, which is concealed in its frosted texture, giving the light a filtered glow. It's accented with a band of stainless steel, which matches the stem in an antique brass finish. Additional pipe available (PIPE-180). Certified for damp locations and intended for interior use.
