

Porcelain vs Laminate Table Top Comparison

Why choose porcelain over whiteboard laminate?

- Porcelain is 2.5x harder than whiteboard laminate
- Porcelain dry erases 3x better than a new laminate surface and 6x better than a used whiteboard laminate surface
- Porcelain is more than twice as scratch resistant as whiteboard laminate
- Porcelain is more than five times wear resistant as whiteboard laminate
- Porcelain is bacterial resistant
- Porcelain is chemical resistant (bleach cleanable)
- Porcelain resists delamination
- Porcelain comes with a lifetime guarantee
