Product Description: The epitome of organic elegance, the St. James Console combines a polished stone top with an oxidized iron base in a light-and-airy console to create a stylish focal point. Only 15 inches deep, this console can add drama to even tight spaces.

Collection Features: Taking the next step in creating a Hill Country family of collections, Hooker Furniture has introduced LaGrange. The anthology of bedroom, living room, dining room, occasional and home office furniture is inspired by the Hill Country region of Texas, including the town of LaGrange, one of the stops made by the Hooker Furniture design team in search of inspiration. The collection includes heavily distressed oak and hickory surfaces, extensive carving and scroll work, aged metals, sedimentary stone and primitive textiles. Each piece has a unique story to tell, while still retaining the authentic American character of the original collection. LaGrange is updated with a fresh new personality, brought to life by four distinctive finishes and modern conveniences for the lifestyles of today.
