- G  X2

Step 1

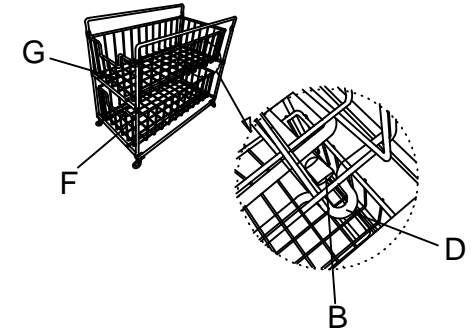

Fasten screws E to fix Frame D onto Foot C.

Step 2

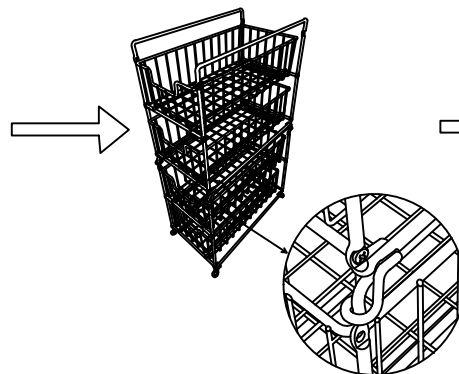

Please ensure this side is on top for both slideways at assembly.

Step 3

Place Basket A and B onto the frames: put the sliding head of the basket right at the opening of the slideway on the frame, and then slide in. Put plastic pad G/F into the top and bottom of Basket B/A.

Step 4

Stacking of two products: place the 4 feet of the product on top onto the outer frame of the product below.

Step 5

In case that a bigger height is needed on the bottom layer, install the slideway on top onto the higher level of screw holes. (As shown in the picture)
