Please make sure all hardware&packing material fitting the list. Especially some small accessories may be missing during transportation. Please contact us if you have any question.

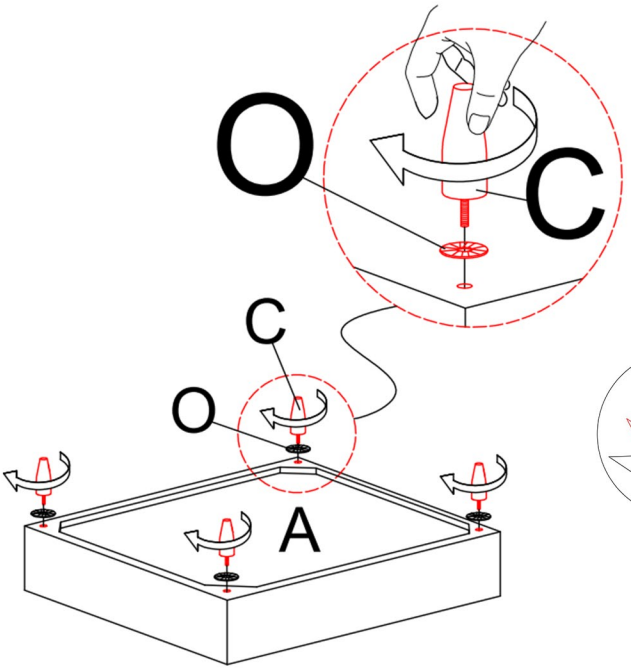

step 1

After taking out of the cushions (B) from the air compression bag, please allow it to recover for a period of time. It might take up to 48 hours to be fully recovered, you may gently slap onto the cushion to speed up the process.

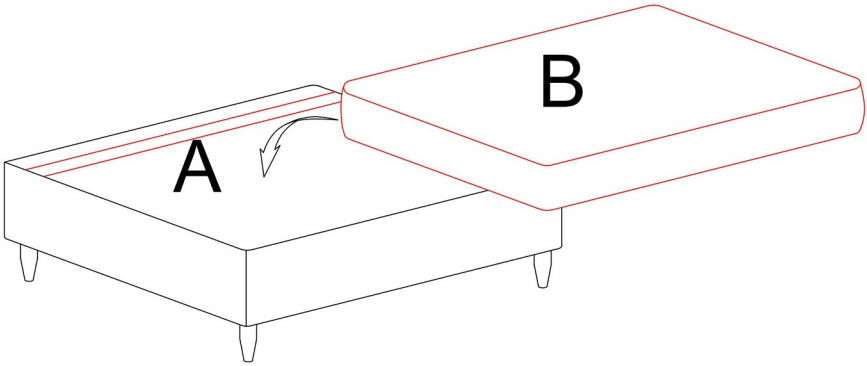

step 2

Screw the leg (C) and plastic washer (O) into each hole on seat frame (A) as shown. Make sure they are tightened. Place the cushion (B) onto the frame (A) as shown.

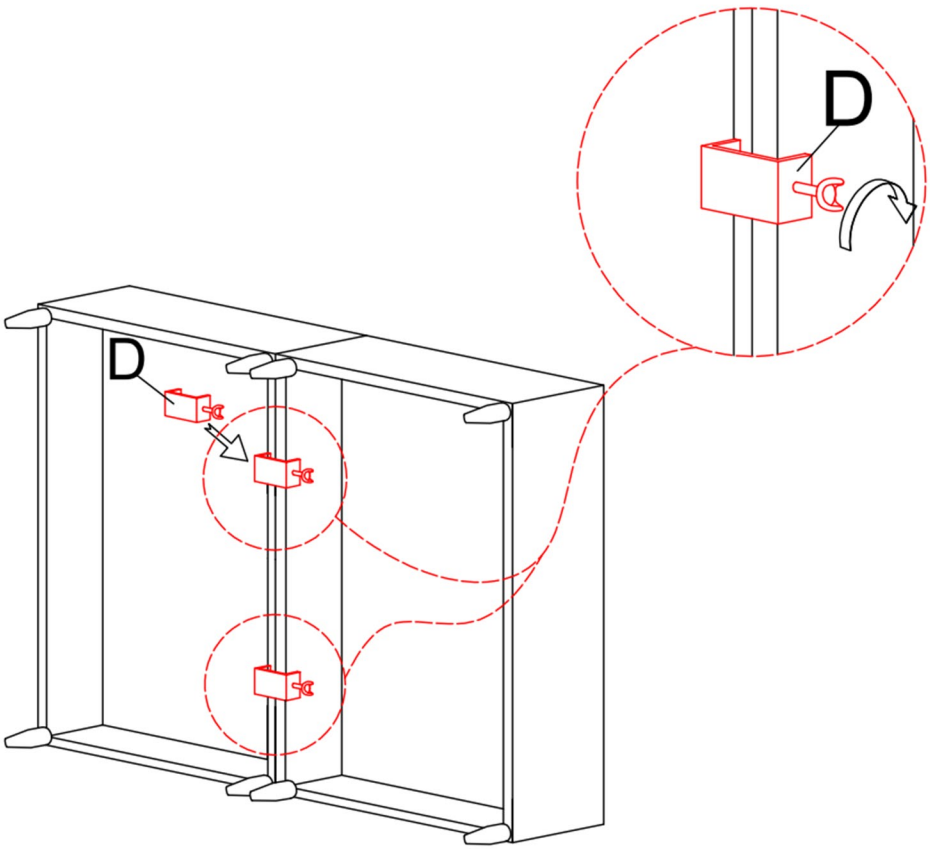

step 3

There is a metal hook inside the carton as a free part.
If you only purchased single part of the sofa, this hook will not be useful.
If you want to be combined with other sofa components (ottoman, chair, chaise etc), this hook can be used. Just use this hook to fix two parts together from the bottom to prevent displacement while using the products.
