Step 3: Insert top of the gas lift cylinder into the mounting hole.

• Function

1. Adjustable seat height.
2. 360° freely swivel.
3. Adaptive swing function.
4. Tilt adjustment.

• Instruction

1. Use the lever on the right side to adjust the seat height.
2. Use the lever on the left side to adjust adaptive swing function.
3. Use the handle on the right armrest to adjust tilt angle.

• Cautions

(1) If you want to make the chair recline further, please first use the tilt angle adjuster to lean back and then pull out the adaptive swing function lever (Due to large tilt angle, please be careful when using the chair).

(2) Leather Maintenance

1. Keep dry and store it in a cool and ventilated place.
2. Do not expose to sunlight, fire, water, sharp objects and chemical solvents.
3. If there are stains, please use special leather cleaner to clean and care it.
