INSTALLATION INSTRUCTIONS

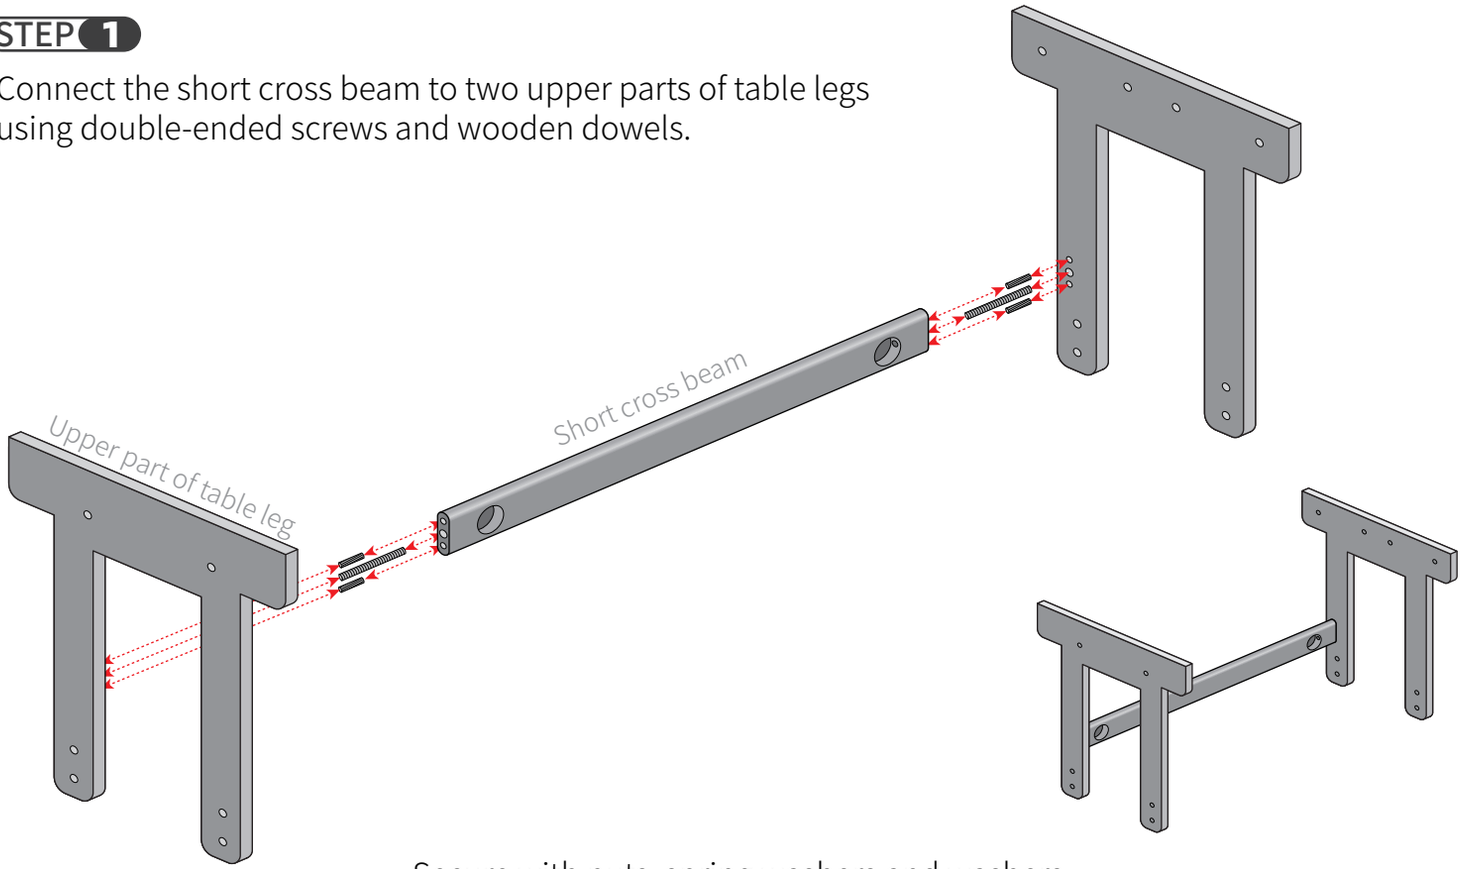

PARTS LIST

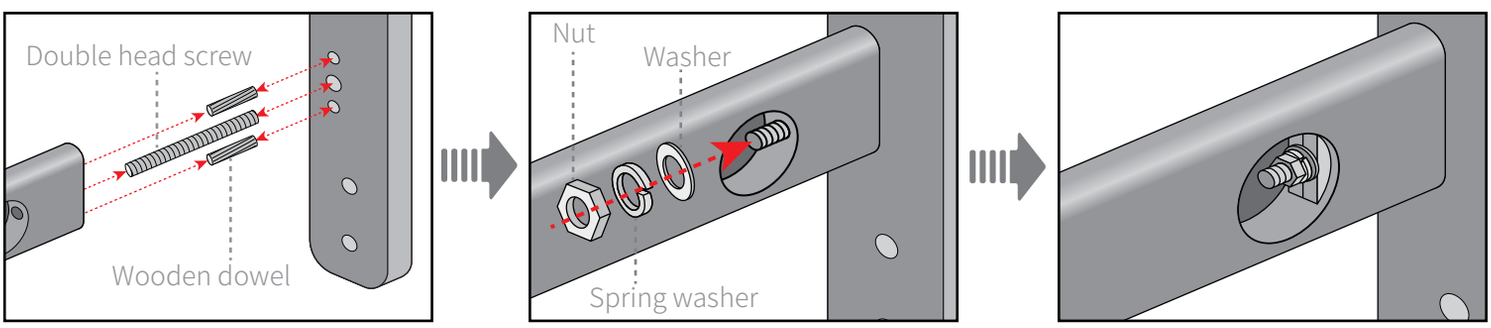

Screw x16	Washer x20	Half-moon washer x4
Wooden dowel x8	Spring washer x20	Allen wrench x1
Double head screw x4	Nut x4	Wrench x1

STEP 1

Connect the short cross beam to two upper parts of table legs using double-ended screws and wooden dowels.

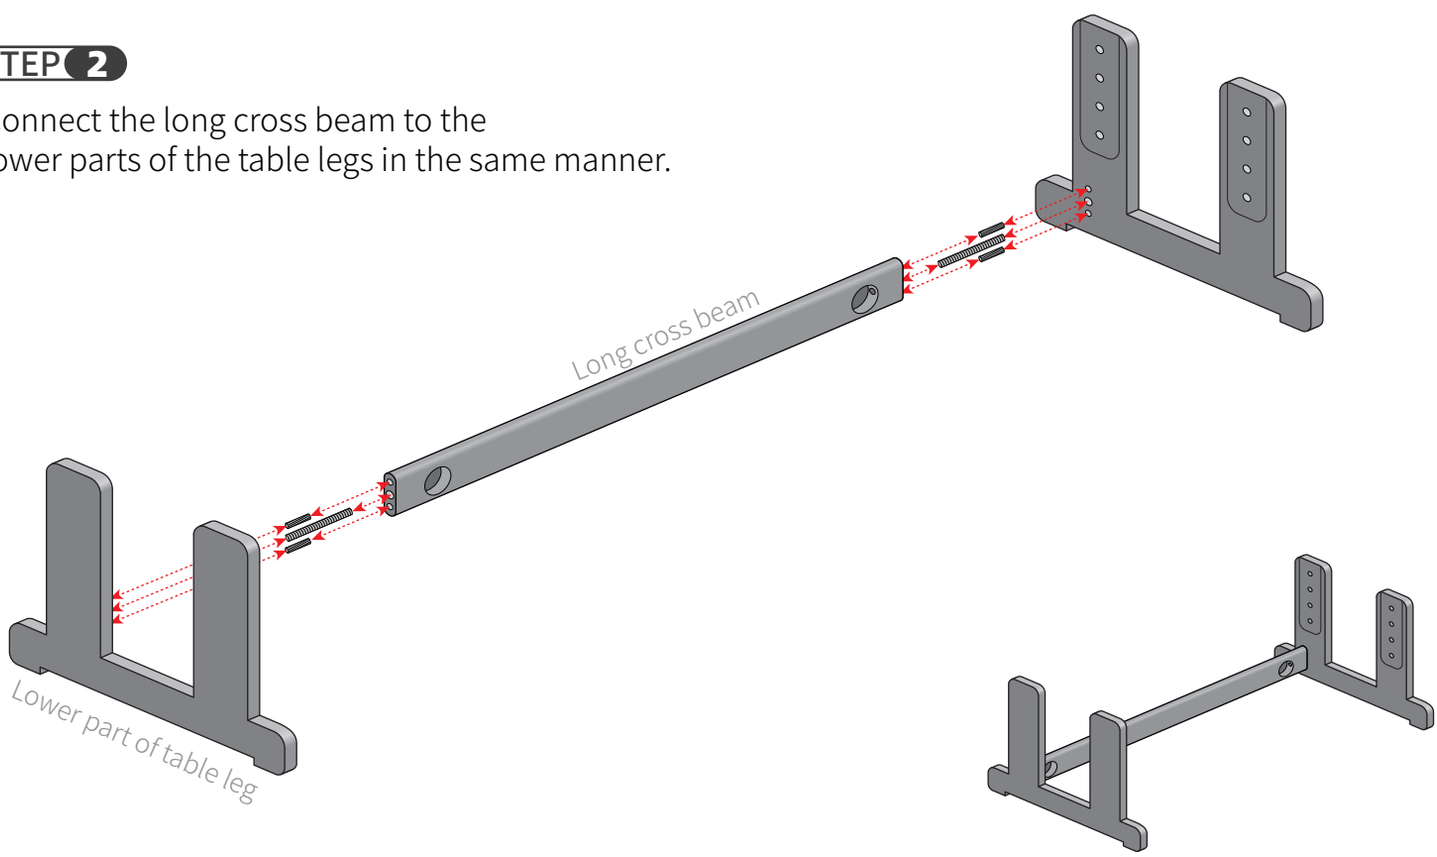

Secure with nuts, spring washers and washers.

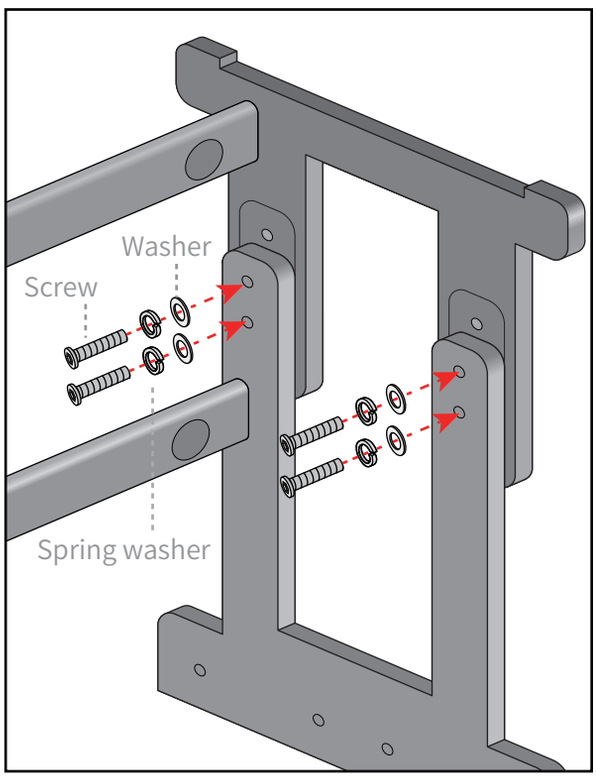

STEP 2

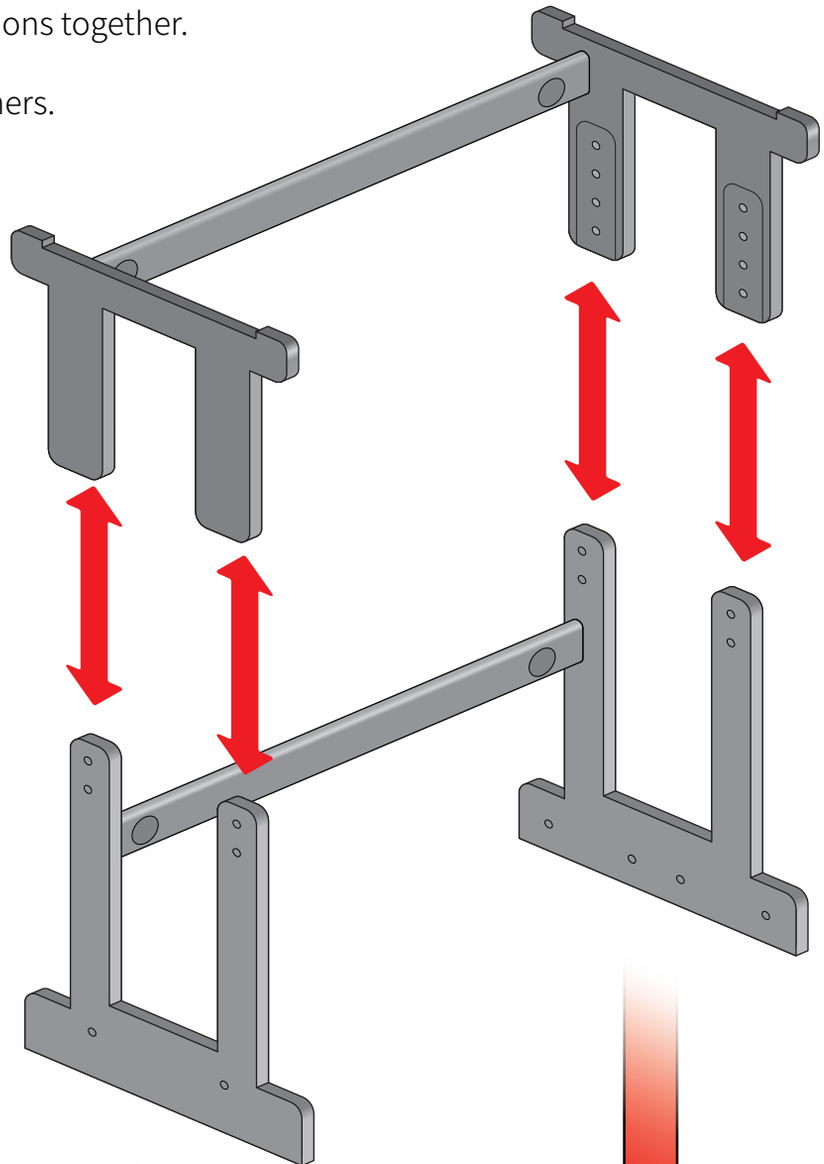

Connect the long cross beam to the lower parts of the table legs in the same manner.

STEP 3

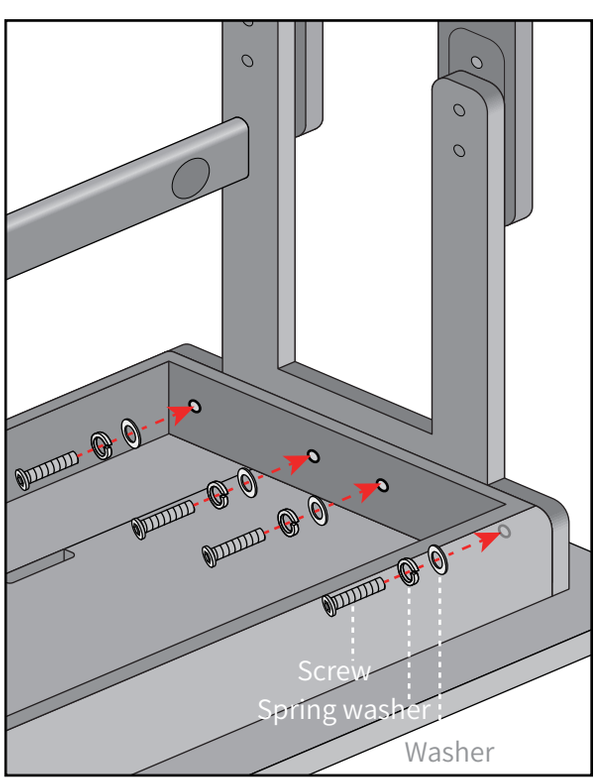

Assemble the upper and lower table-leg sections together.
Height can be adjusted as desired.
Secure with screws, spring washers and washers.

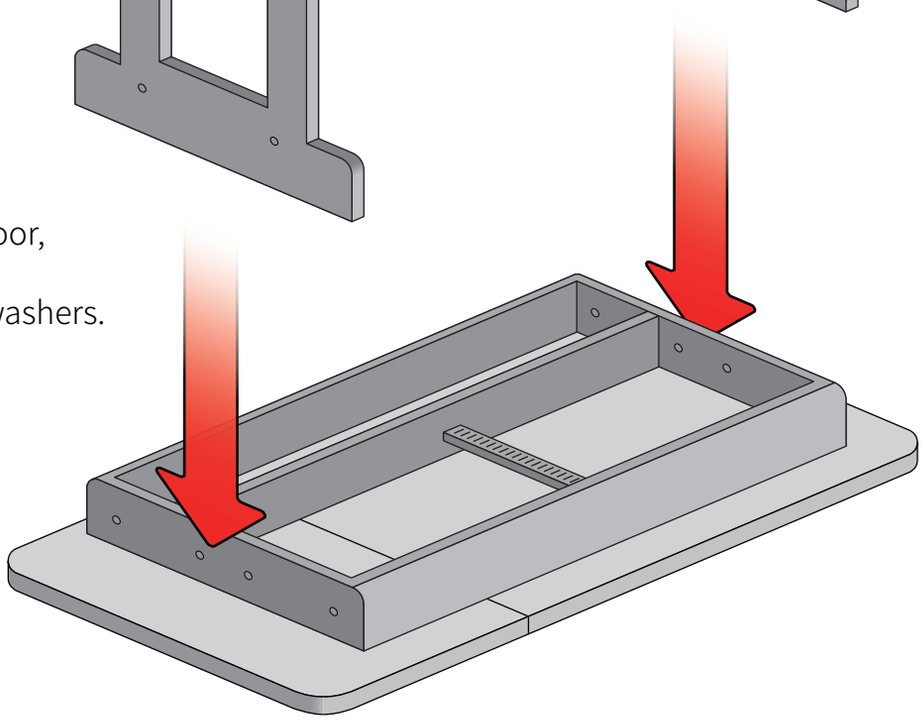

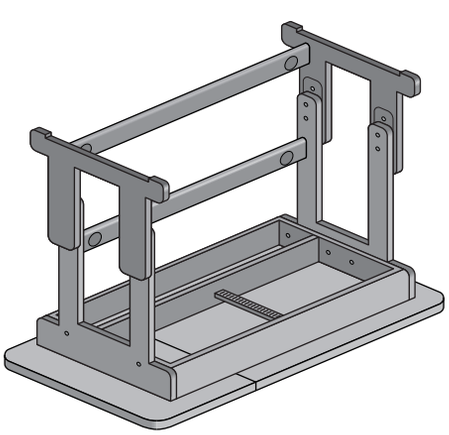

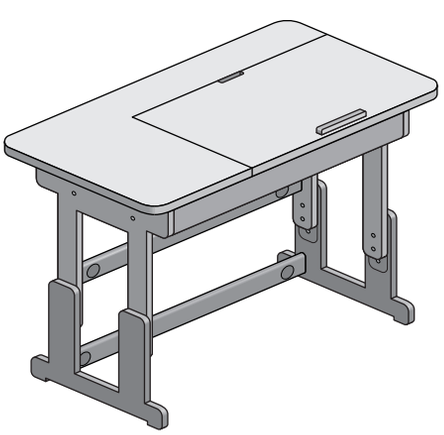

STEP 4

Place the tabletop upside-down on the floor,
then attach the table legs to the tabletop.
Secure with screws, spring washers and washers.

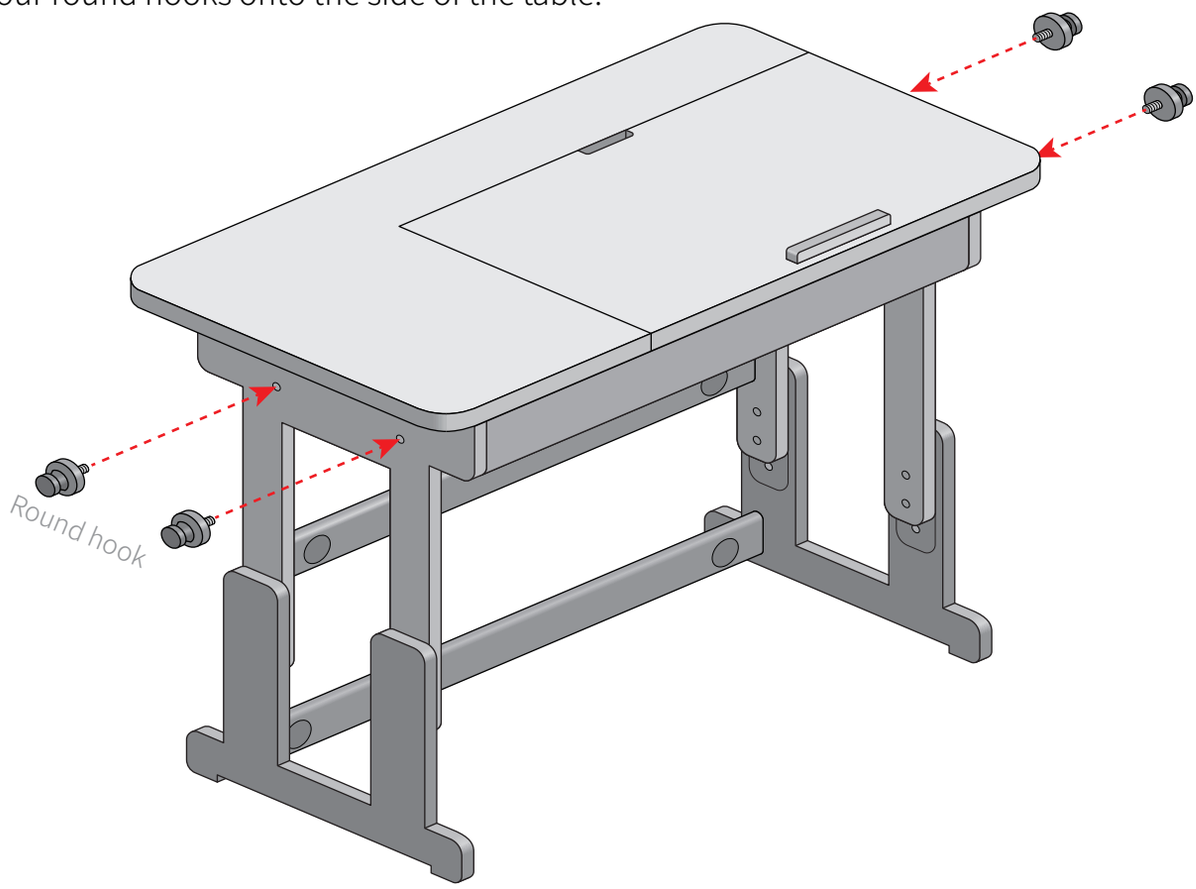

STEP 5

Install the four round hooks onto the side of the table.

INSTALLATION COMPLETED
