

ASSEMBLY INSTRUCTION

7031 Swivel Accent Chair

Parts List

(A) Chair Seat x 1 PC

(B) Wooden Base

(C) Bolt x 4 PCS

(D) flat washer x 4 PCS

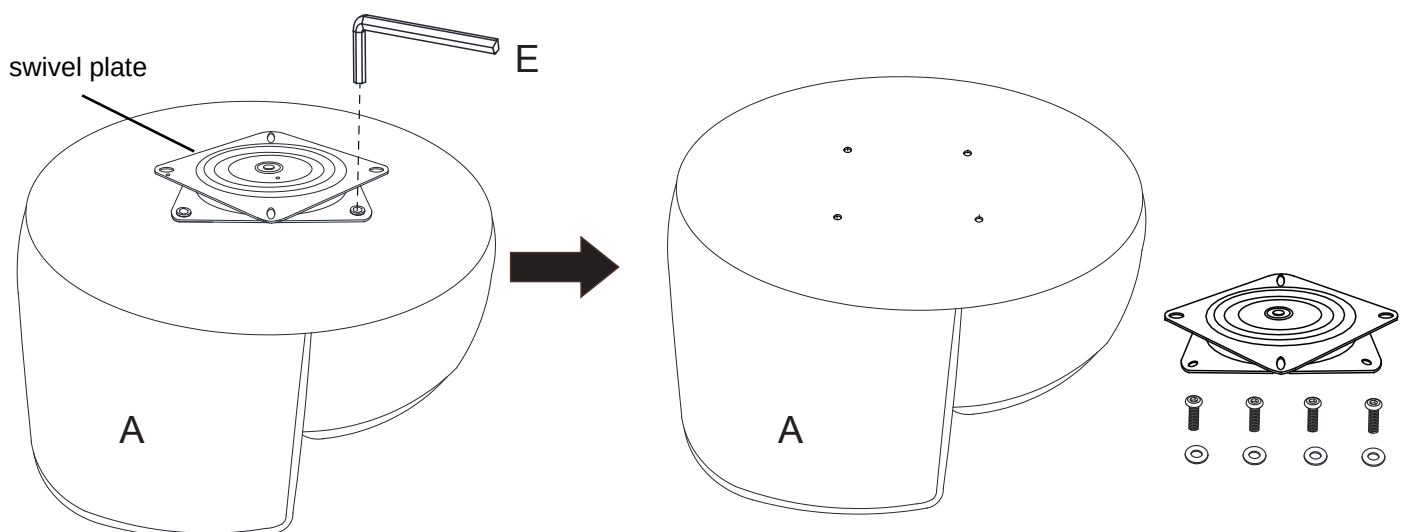

(E) Allen Key x 1 PC

Step 1

Remove all the parts from the carton and place them on a protected surface or carpet.

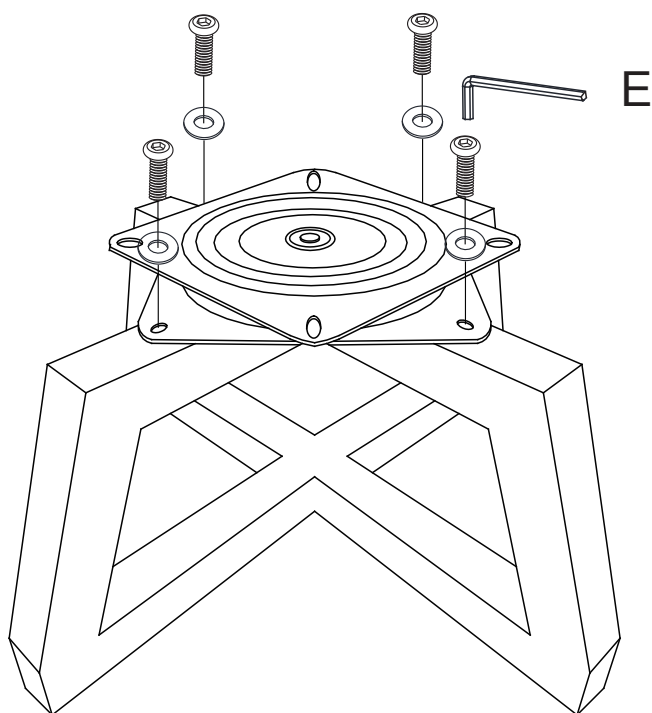

- A) Place the chair seat (A) upside down on the floor, you can see a swivel plate.
- B) Loosen and disassemble the bolts and flat washers by allen key (E) and remove the swivel plate from the bottom of chair seat, keep the bolts and washers for next step.

Remove the swivel plate from bottom of the chair seat,
and keep the bolts and flat washers for next step.

Step 2

Turn the wooden base (B) upright on the floor, and assemble the swivel plate on the top of wooden base with their original bolts and flat washers by allen key (E). Fully tighten all the bolts securely. Then the assembled wooden base with swivel plate is ready.

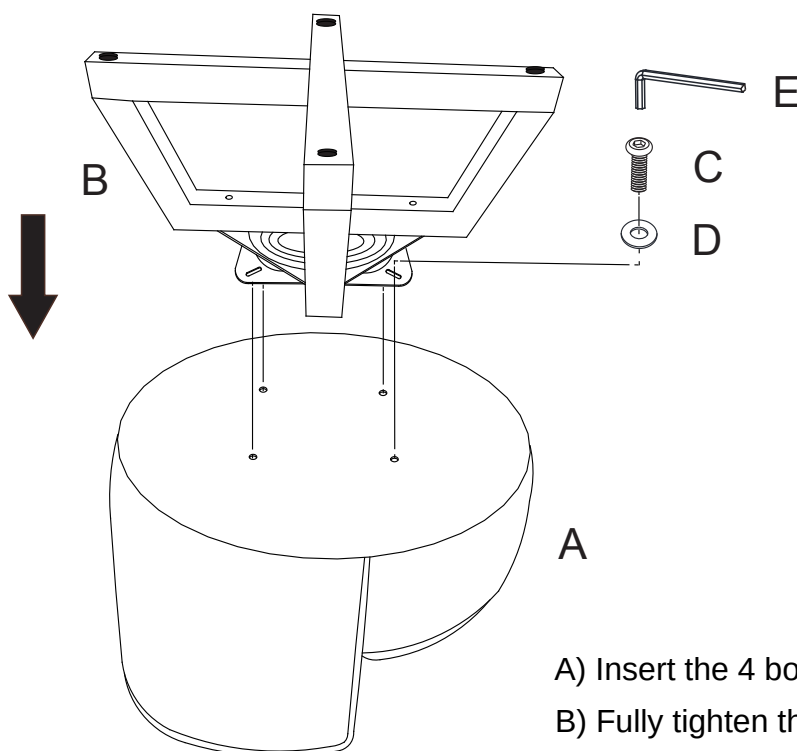

Assemble the swivel plate on the wooden base.

A) Insert the 4 bolts first

B) Fully tighten the bolts later

Step 3

Place the chair seat (A) upside down on the floor, and attach the swivel plate and wooden base to the bottom of the chair seat (A), align to their hole position as below drawing instructed, insert the bolt (C) x 4pcs with flat washer (D) x 4pcs into the 4 holes first, then full tighten the bolts by allen key (E) securely.

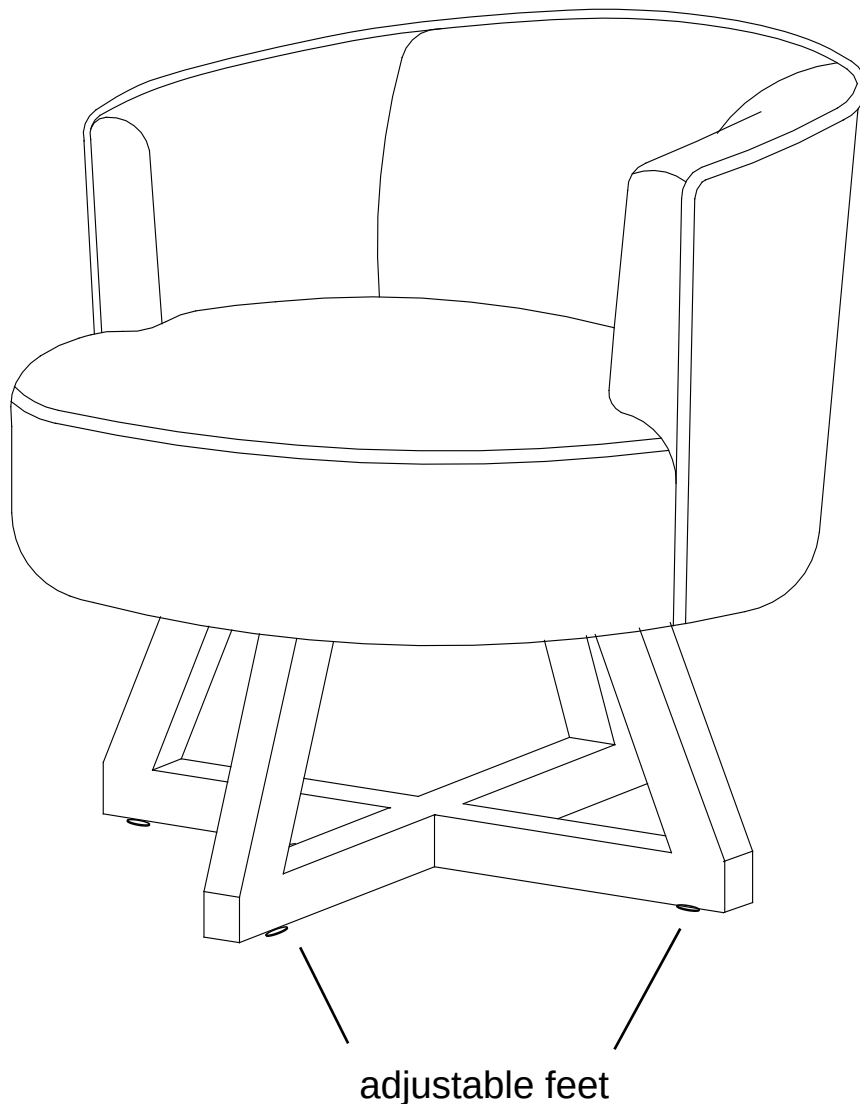

A) Insert the 4 bolts first

B) Fully tighten the bolts later

Step 4

Place the swivel chair upright on the floor, then the assemble is complete.

Remark: There are 4 adjustable feet under the chair, if necessary you can adjust them to keep the chair at the same level.
