

GE APPLIANCES

Profile™

# UNLOCK MORE WHEN YOU CONNECT

GE and GE Profile™ smart ranges have built-in WiFi that works with the SmartHQ™ app to deliver additional features and cooking modes. The modes can be accessed by making a one-time WiFi connection and download to the appliance or by having a continuous WiFi connection.

## RANGES

|                                                                     | GE    |        | Profile        |                |        |        |                  |        |        |        |        |
