

# Installation Instruction

# Assembling

## What you need

- Use the packaging carton as a working surface to prevent product damage during assembly
- Phillips head screwdriver

## Weight Limitation

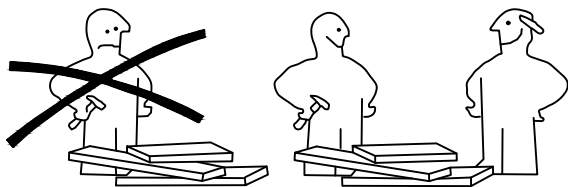

**100**

lbs table top

|

**35**

lbs per

# What' included

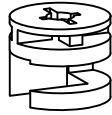

| Code | Description                | Qty |
|------|----------------------------|-----|
| A    | Cam Bolt M6X35MM           | 45  |
| B    | Cam Lock 15X10MM           | 45  |
| C    | Wooden Dowel M8X30MM       | 50  |
| D    | Screw M4X40MM              | 14  |
| E    | Screw M3.5X14MM            | 23  |
| F    | The metal plate            | 3   |
| G    | Nylon Strap                | 2   |
| H    | Solid wood handle          | 2   |
| I    | Screw M3.5X12MM            | 2   |
| J    | Wooden Dowel M8X30MM       | 4   |
| K    | Anchor                     | 2   |
| L    | MATS                       | 3   |
| N    | Self-adhesive hole sticker | 45  |

## IMPORTANT:

1. Do not tighten bolts / screws completely until all bolts / screws are lined up and inserted into holes.
2. Do not over tighten screws and bolts to avoid stripping
3. You can use a screwdriver. Power tools can also be used. Be careful with power tools

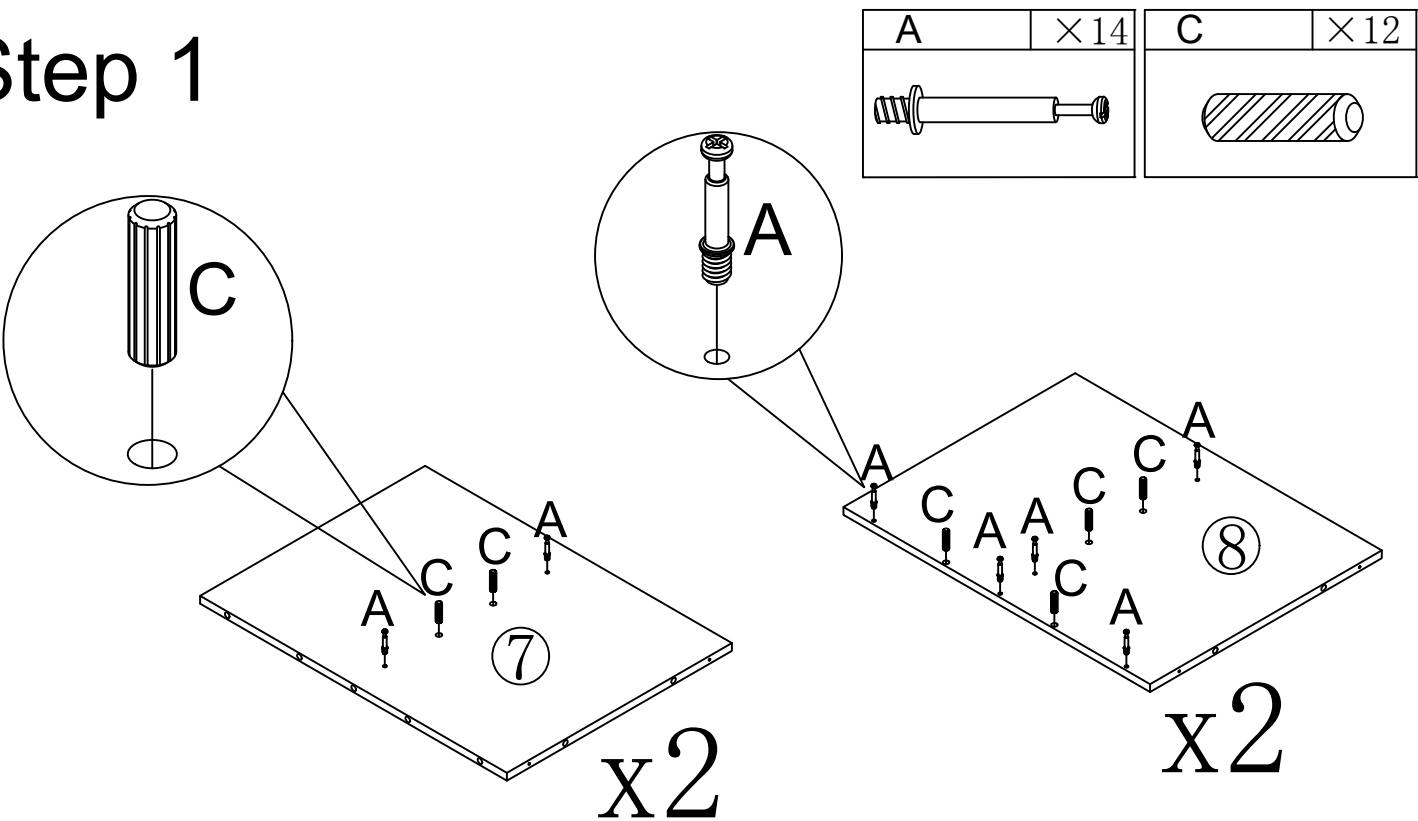

# Included Accessories

| Code | Description                  | Qty |
|------|------------------------------|-----|
| 1    | Cabinet Top                  | 1   |
| 2    | Bottom Panel                 | 1   |

|  |    |  |    |

## Step 20

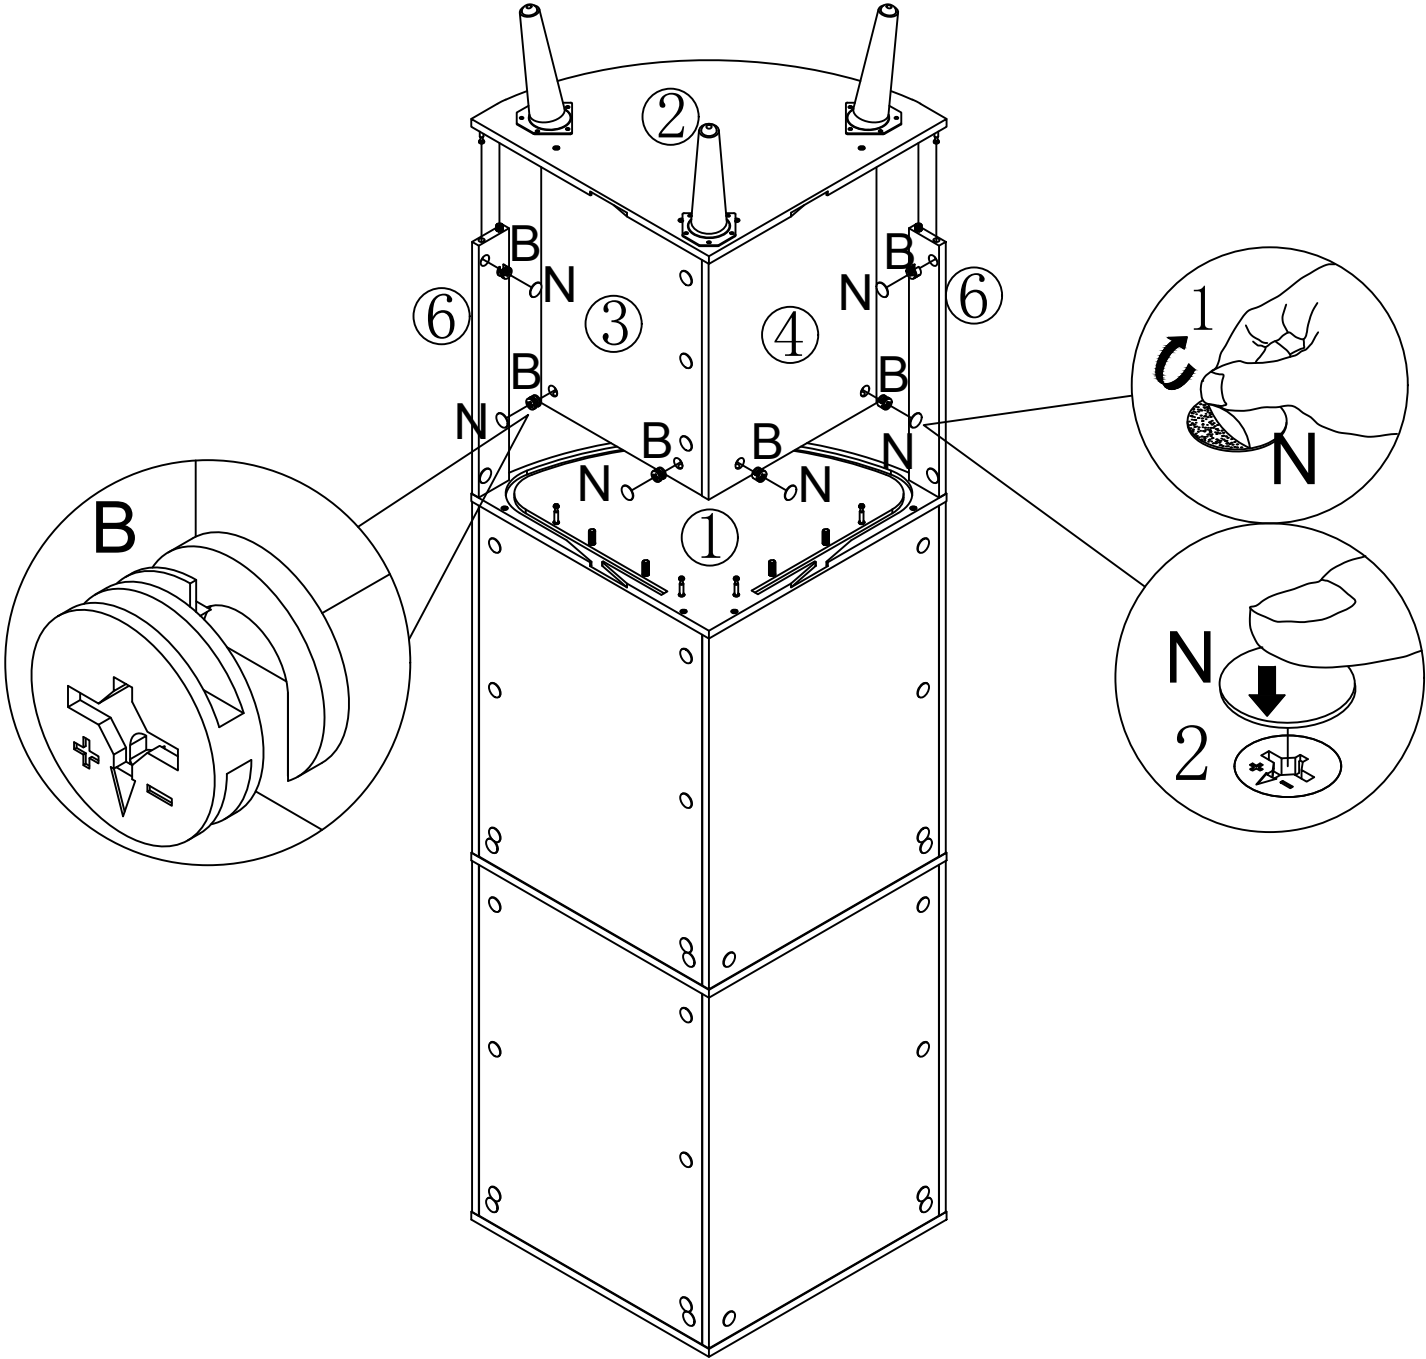

## Step 21

# Step 22

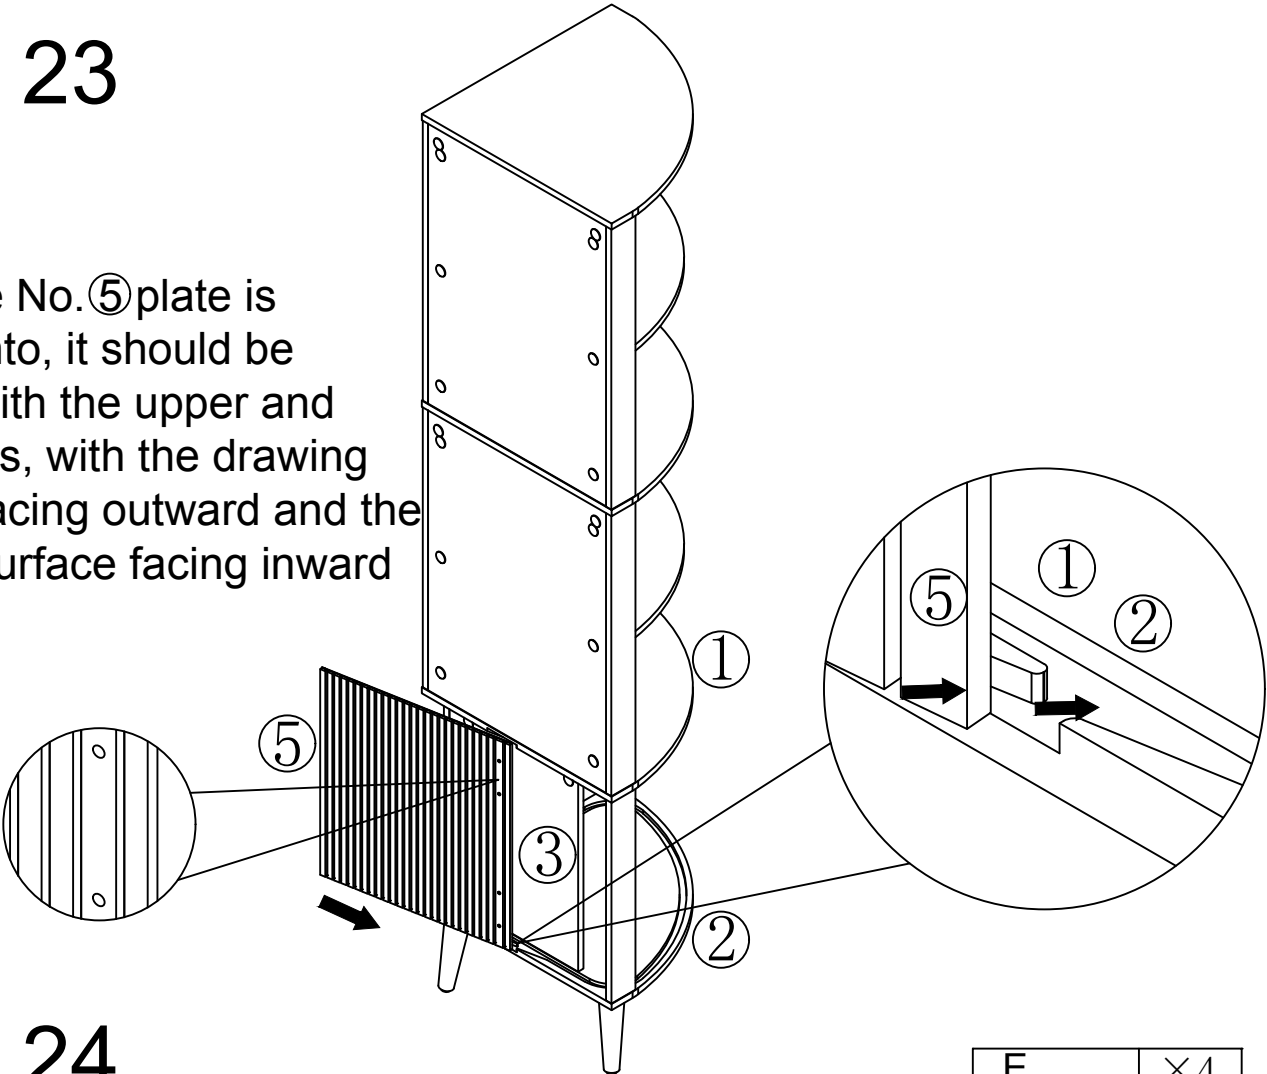

|                                                                                    |    |                                                                                     |    |
|------------------------------------------------------------------------------------|----|-------------------------------------------------------------------------------------|----|
| B                                                                                  | ×6 | N                                                                                   | ×6 |
|  |    |  |    |

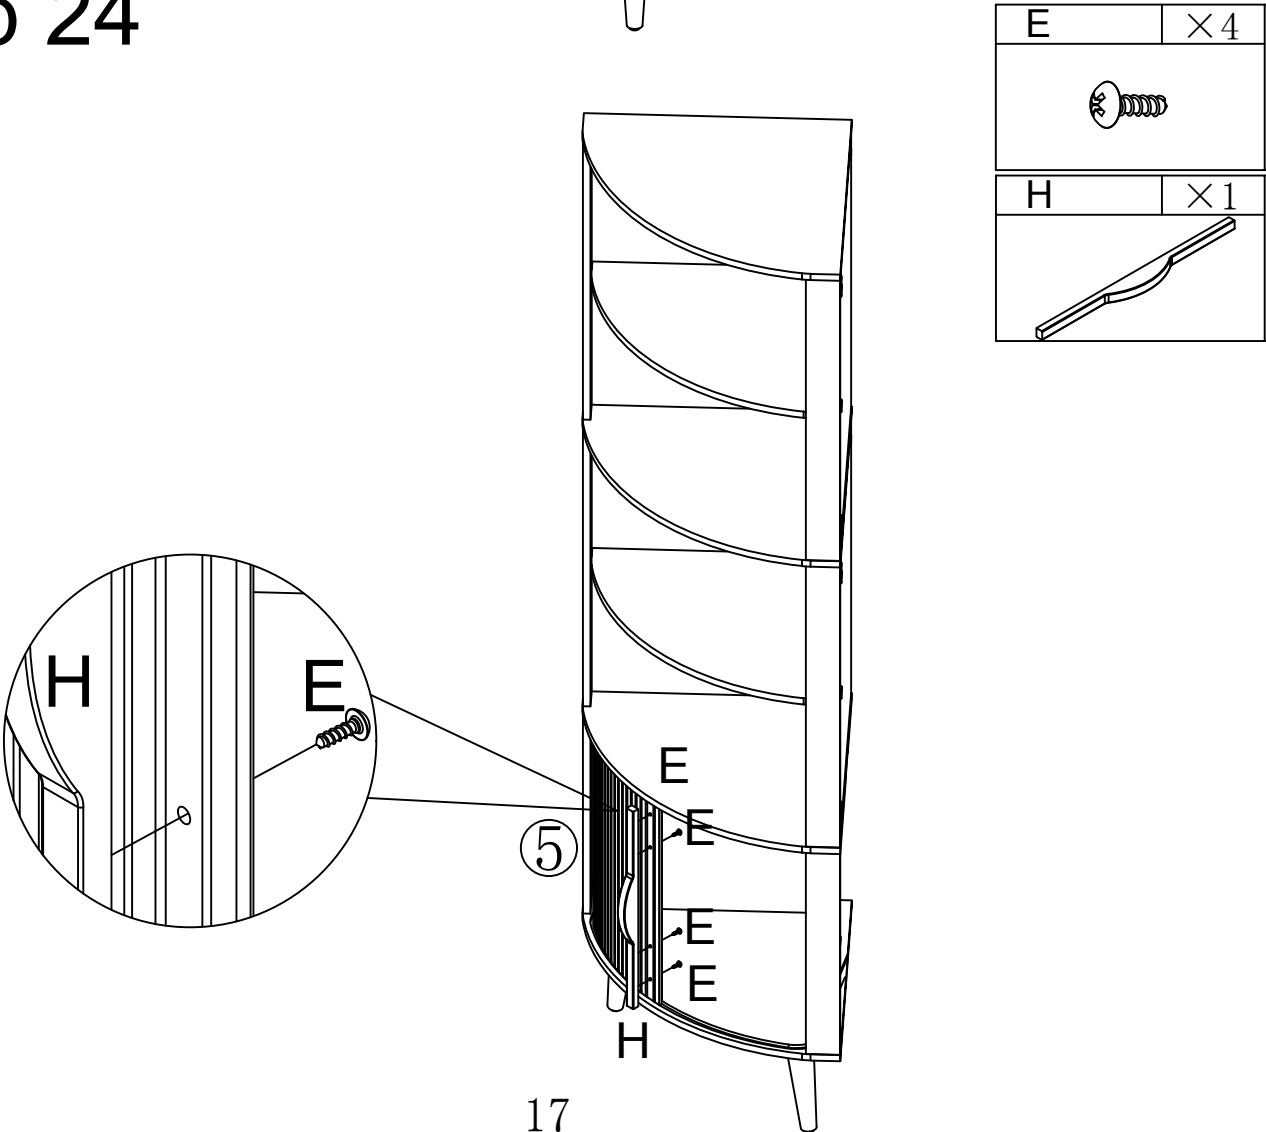

# Step 23

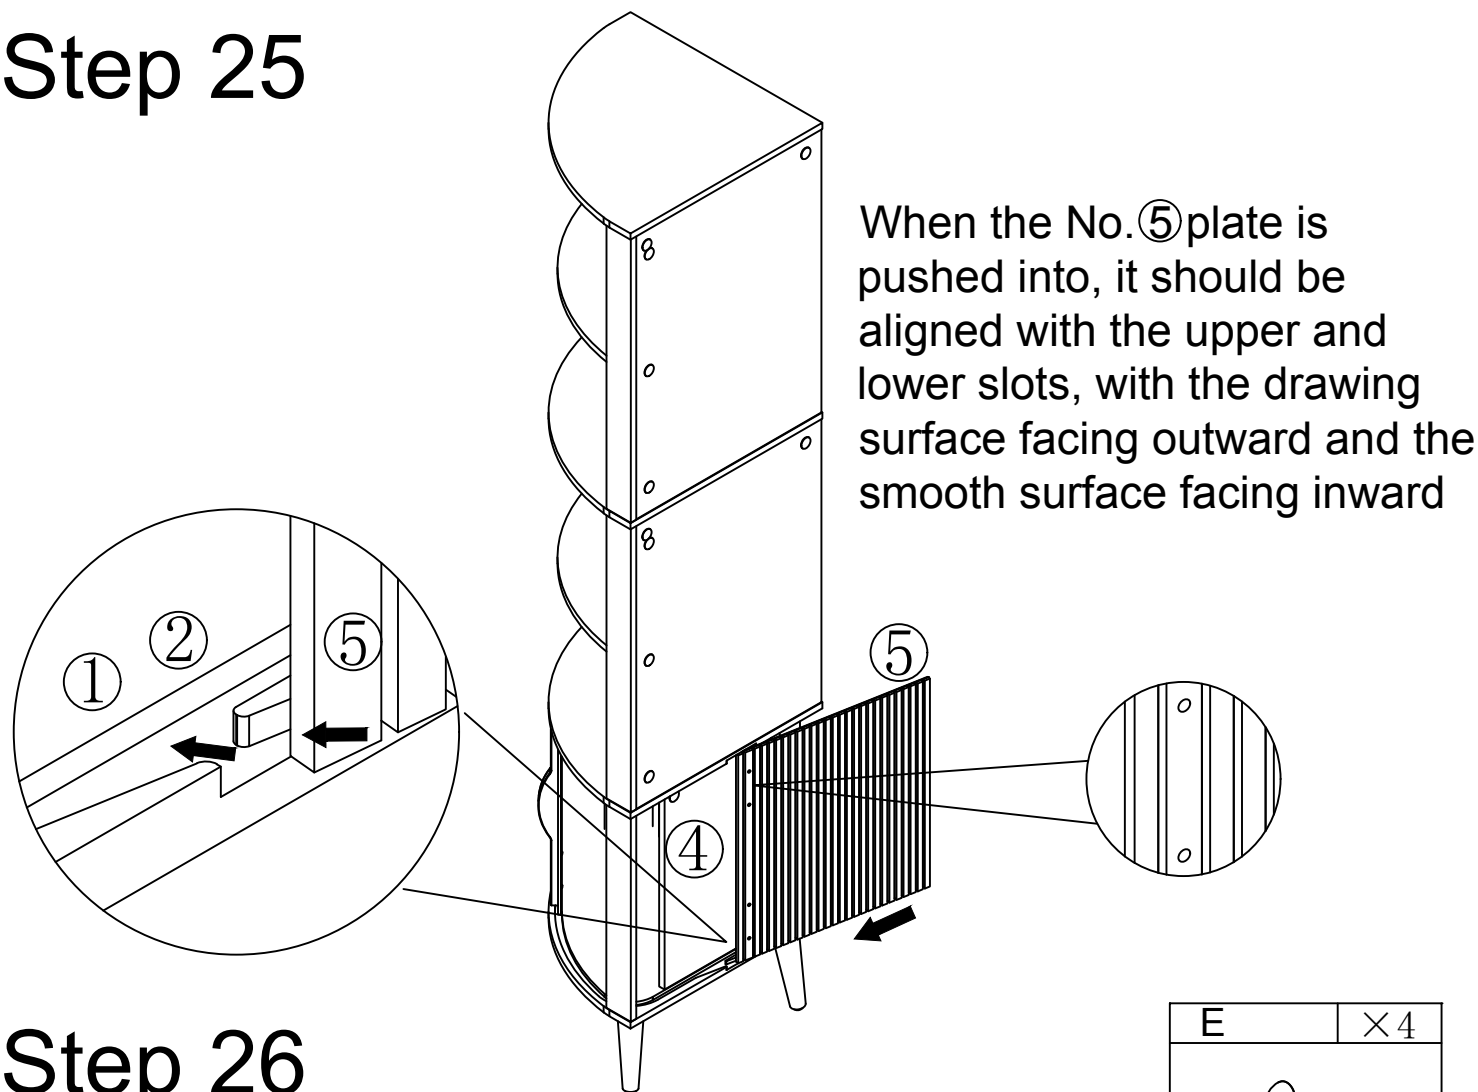

When the No. ⑤ plate is pushed into, it should be aligned with the upper and lower slots, with the drawing surface facing outward and the smooth surface facing inward

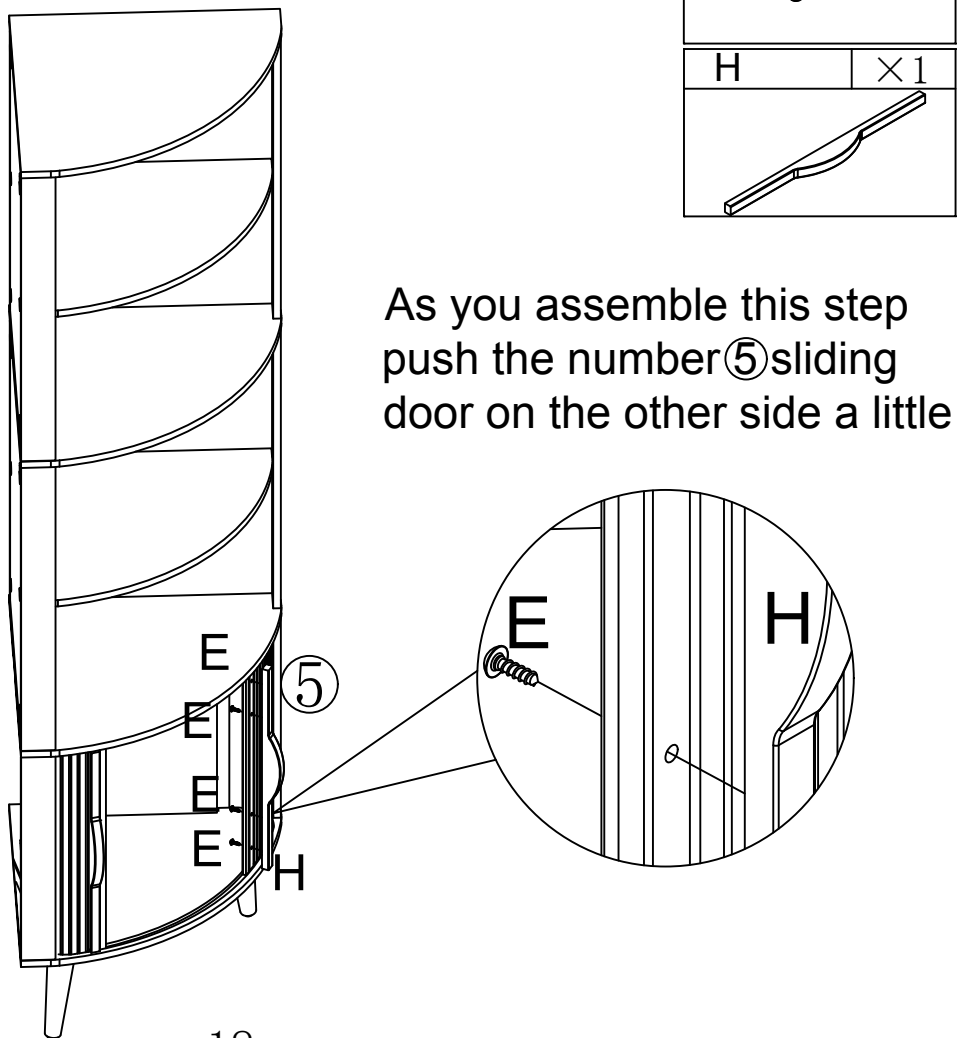

# Step 24

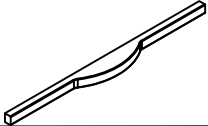

# Step 25

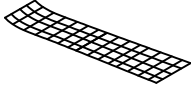

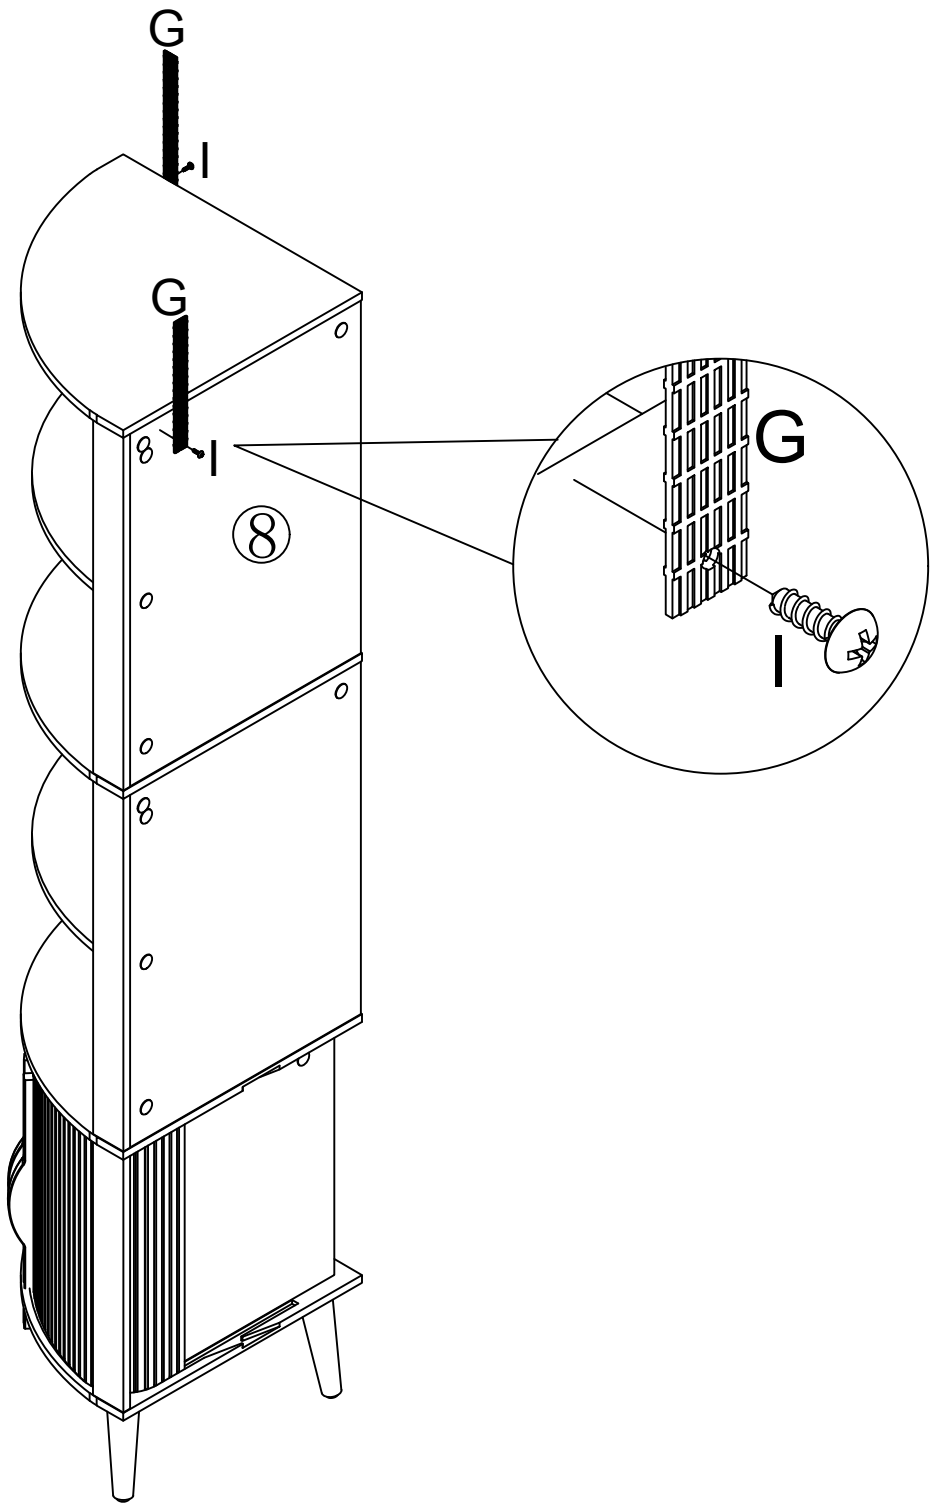

# Step 26

|                                                                                       |     |
|---------------------------------------------------------------------------------------|-----|
| E                                                                                     | × 4 |
|  |     |
| H                                                                                     | × 1 |
|  |     |

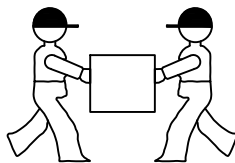

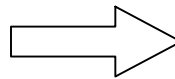

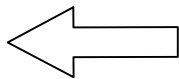

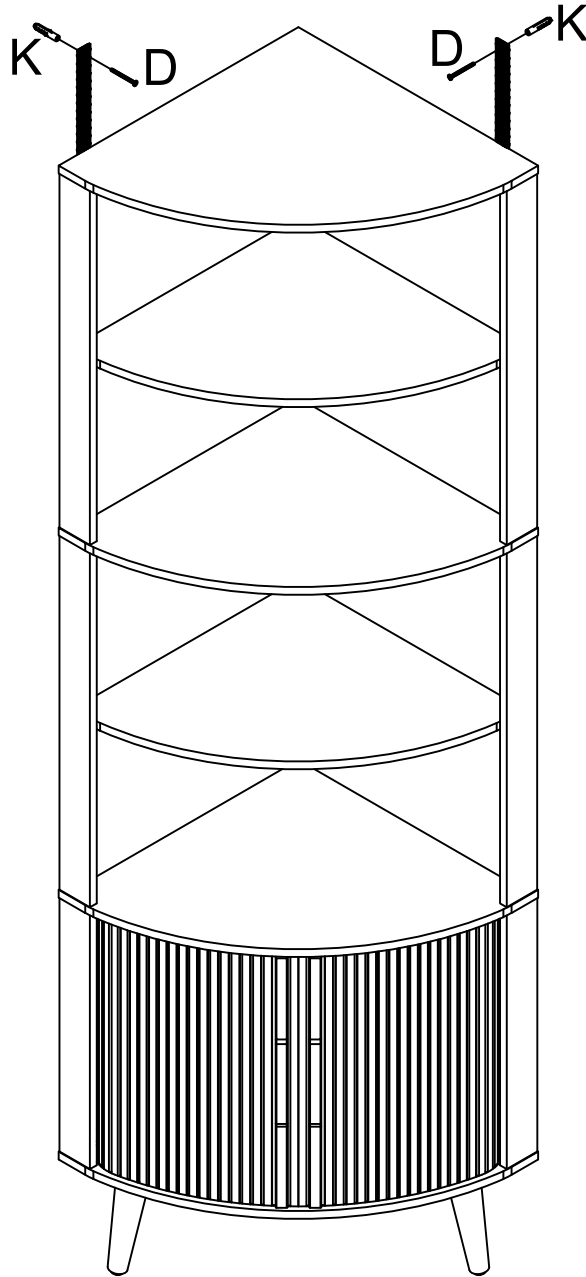

# Step 27

|                                                                                     |    |                                                                                     |    |
|-------------------------------------------------------------------------------------|----|-------------------------------------------------------------------------------------|----|
| G                                                                                   | ×2 | I                                                                                   | ×2 |
|  |    |  |    |

# Step 28

|                                                                                     |    |                                                                                    |    |
|-------------------------------------------------------------------------------------|----|------------------------------------------------------------------------------------|----|
| D                                                                                   | ×2 | K                                                                                  | ×2 |
|  |    |  |    |

Two people work together to move the table.  
Make sure you lift it off the ground.  
Don't push and pull.
