

GALILEE LIGHTING LIMITED WARRANTY

Limited Warranty ("Warranty"): Subject to the exclusions set forth below, Galilee Lighting, Inc. ("Galilee") warrants that (i) all Galilee manufactured products ("Products") will be free from defects in material and workmanship which cause the Products to fail to operate in accordance with the specifications set forth in the documentation published or provided with the Products (the "Specifications") for a period of one (1) year from the date of shipment ("Non-LED Warranty Period") and (ii) all Galilee light emitting diode ("LED") Products, will be free from defects in material and workmanship which cause the Products to fail to operate in accordance with the Specifications for a period of two (2) years from the date of shipment ("LED Warranty Period"). For purposes of this Warranty, references to "Warranty Period" shall refer to either the Non-LED Warranty Period or the LED Warranty Period, depending on the type of Product purchased by the End User. Galilee warrants that any standard finish on a Product will be free from cracking, peeling, excessive fading, and corrosion defects during the applicable Warranty Period. For LED Products, the LED arrays in the Products will be considered defective in material or workmanship only if a total of 20% or more of the individual LEDs in the Products fail to illuminate.

Exclusions: This Warranty applies only when the Products have been properly handled, stored, wired, transported, installed, operated and maintained in accordance with the applicable Specifications, including, without limitation, installation in applications in which ambient temperatures are within the range of specified operating temperatures and operation within the electrical values shown on the Specifications. Galilee shall have no responsibility under this Warranty for any failure of the Products that results from external causes including without limitation: acts of nature; physical damage; exposure to adverse or hazardous chemicals or other substances; use of reactive cleaning agents and/or harsh chemicals to clean the Products; environmental conditions; vandalism; fire; power failure, improper power supply, power surges or dips, and/or excessive switching; fatigue failure or similar phenomena resulting from induced vibrations, harmonic oscillation or resonance associated with movement of air currents around the Product; animal or insect activity; fault or negligence of the purchaser of the Products, any end user of the Products and/or any third parties not engaged by Galilee, improper or unauthorized use, installation, handling, storage, alteration, maintenance or service, including failure to abide by any product classifications or certifications, or failure to comply with any applicable standards, codes, recommendations, product specification sheets, use of Products with products, processes or materials supplied by the purchaser of the Products, any end user or third parties, or any other occurrences beyond Galilee's reasonable control. In addition, Galilee shall have no responsibility under this Warranty for any substantial deterioration in the Product finish that is caused by failure to clean, inspect or maintain the finish of the Products. During the Warranty Period some staining, chalking or fading may occur. This is normal aging of the finish and is not a manufacturing defect; therefore, it is not covered by this Warranty. All glass material broken by user or installer is not covered by this warranty. If the Products are used on existing foundations, anchorages or structures, the purchaser of the Products and/or any end user is solely responsible for the structural integrity of such existing foundations, anchorages or structures and all consequences arising from their use.

Adequate records (as determined by Galilee in its sole discretion) of operating history, maintenance, and/or testing must be kept by the end user and provided to Galilee upon request to substantiate that the Products have failed to comply with the terms of this Warranty. The Products are not warranted against costs that may be incurred in connection with changes or modifications to the Products required to accommodate site conditions and/or faulty building construction or design. In addition, the Products are not warranted against cost Lighting resulting from installation of third-party components, failures of third party supplied components, failures of Galilee supplied Products caused by third party supplied components. Or failures of third party faulty installations, troubleshooting electrical components, which include any dimmer switches, smart panels or circuits.
