

Smart Solutions[™]

For Everyday Life

- Worry-free fabrics that can withstand the challenges of everyday life – the kids, the pets, and the spills.
- With unbelievable stain resistance and cleanability, these fabrics surpass industry standards for performance to ensure our customers years of faithful service, all without sacrificing beauty, softness, or luxury.
- These fabrics are a combination of performance yarns with C6 chemistry. C6 is environmentally friendly and contains no added formaldehyde and no flame retardants. The chemistry is encapsulated through the fiber which causes tension on the face of the fabric, resulting in liquids beading up on the surface and not penetrating the fabric.
- Every home needs soft and comfortable fabrics that are durable, water and stain resistant, and easy to maintain.
- Smart Solutions fabrics are available on all motion groups and recliners.

LIQUID SPILLS - Coffee, Tea, Juices, Wine, Milk, Soda, Beer, Koolaid, Blood, Urine
NON-LIQUID SPILLS - Ketchup, Ice Cream, Chocolate, Dirt/Mud, Jelly, Ink/Markers

CLEANING METHODS

- All spills should be treated promptly for best results. Most spills can be cleaned by gently lifting the spill with a clean, absorbent cloth or paper towel. While all stains may not be completely removed, these guidelines are suggested for best results.
- Use a water-based soap solution of 1 tablespoon of liquid detergent with 16 ounces of warm water. Dampen the cleaning cloth and blot the soiled area. **DO NOT RUB.** Rinse the area with a clean, damp cloth to ensure all of the soap residue has been removed.
