

Monroe Tabletop Clock 645446

TABLE CLOCK: The Monroe Table Clock features a high-gloss, Rosewood Hall finish on select hardwoods with a brass-finished metal base to compliment your home decor. The clock's movement makes a soft ticking noise without the use of chimes for a quieter environment.

DURABLE: This indoor modern clock is created to last. It has a sturdy frame to relieve stress in a busy household. Display it in your kitchen, office, bedroom, living room, mantel, and more.

HIGH QUALITY: The classic arch-shaped design is a home essential. Easily tell time with a polished brass-finished waterfall bezel, black numerals and hands, brass second hand, and glass crystal to stand out over a white dial.

MOVEMENT: It is powered by quartz movement, and requires one AA sized battery.
