

## CATALINA SCONCE

### DW49005

Light Stone Wash

H: 24 IN

W: 6 IN

D: 5 IN

2 sockets

25 watt max

Designer Beth Webb who has designed numerous homes in Costa Rica needed a subtle sconce for use in indoor and damp locations. The Catalina Sconce made of a cast stone composite in a light-washed terracotta finish directs light both up and down and is designed to integrate with masonry walls.
