

Reminisce Tabletop Clock 613118

TABLE CLOCK: The Reminisce Table Clock has a refined brass-finished arch with polished brass-finished edges and base to compliment your home decor. The clock's quartz movement makes a soft ticking noise without the use of chimes for a quieter environment.

DURABLE: This indoor modern clock is created to last. It has a sturdy frame to relieve stress in a busy household. Display it in your kitchen, office, bathroom, bedroom, living room, and more to fit in a small space for a clean look.

HIGH QUALITY: This design is sure to become a home essential. Easily tell time with black traditional Roman numerals (IIII instead of IV), black hands, and clear acrylic crystal to stand out on the suspended cream-colored dial.

MOVEMENT: It is powered by quartz movement and requires one AA sized battery.
