PRODUCT DESCRIPTION

Cotten blend. Exceptionally soft, and skin-friendly to the touch. The surface offers visual and tactile warmth, significantly enhancing seating comfort and a cozy feel.

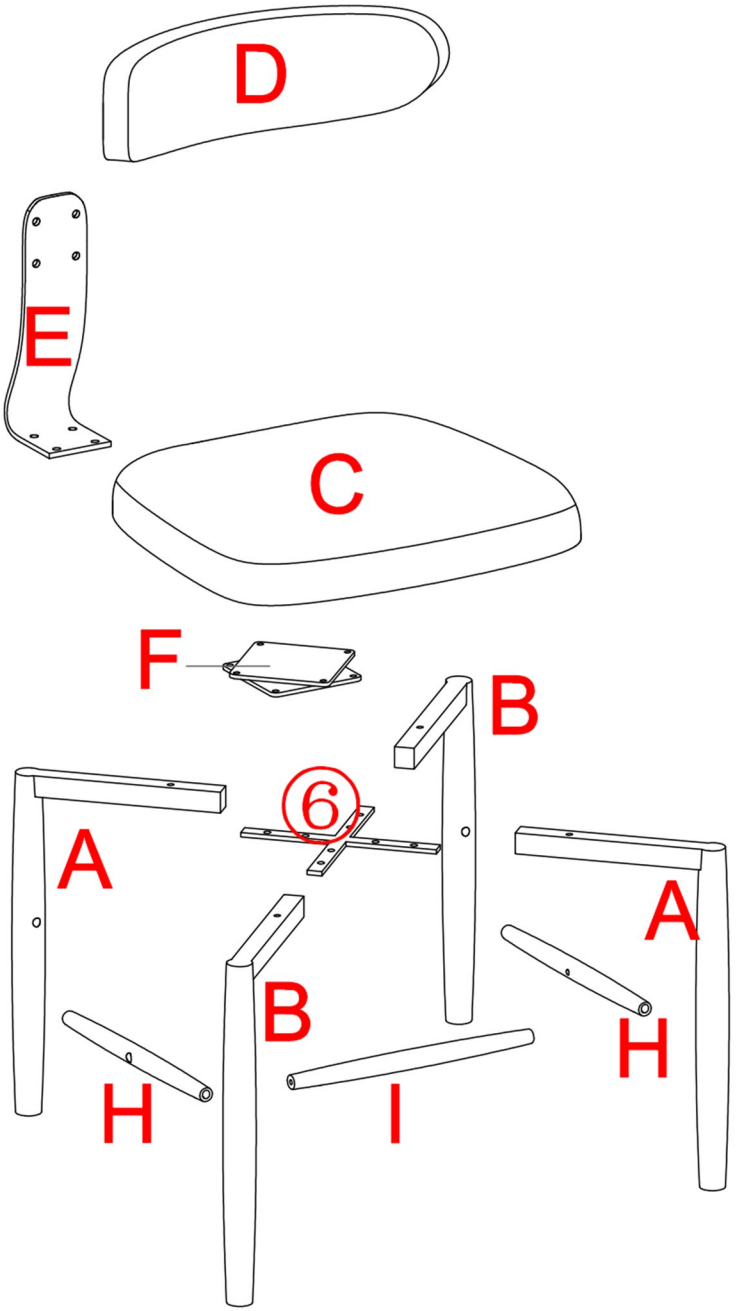

High-density foam filling. The seat and backrest are plumply cushioned, providing immediate soft support and proper resilience. Effectively alleviates pressure from prolonged sitting, ensuring comfort during meals or short breaks.

Solid wood frame, highlighted by the bent design of the rear legs and protective glides on each foot. The bent legs offer strong visual appeal and improve structural mechanics. The glides protect the wood from wear and add a refined detail.

360° Smooth-Swivel Base: Allows effortless rotation for easy conversation and access from multiple angles at a bar, adding fun and flexibility.

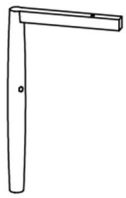

Ergonomic curved backrest: The backrest's arc naturally follows the spine's curve for just-right support.
