

LIST:

- 1 Desktop 2 Table Leg 1 3 Table Leg 2 4 Cross-shaped pallet
5 Round plate 6 Long bolt 7 Short bolt 8 Gasket

Step1:

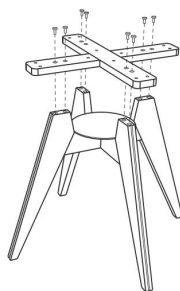

Assemble leg 1 and leg 2 by crossing them, then use the long screws to secure the leg assembly from the bottom up as shown in the figure. Finally, insert the round tabletop.

Order of Screw and Washer Installation

Step2:

Place the cross brace on the leg assembly, align the holes, and secure it with short screws.

Step3:

Place the slab on the tabletop, align the holes as shown in the figure, and secure it with short screws.
