Notes

1. Please check the dimensions of the product before ordering to ensure it fits your home.
2. Please note that the 3 E26 bulbs and the wall switch are not included.
3. Please make sure that the roof and floor construction is completed and is free of leakage before the installation of the luminaire. Please do not install the light next to the air conditioner or heater, to avoid rusting due to moisture, which will affect the service life of the light.
4. Please wear electric insulation gloves (not included) and avoid scratching the surface of the light plate and the electric wire when installing. Please make sure that the power supply has been cut off before installation, and conduct a power test before installation. To ensure your safety, we recommend that two people especially have an electrical license install this ceiling light together.
5. The lampshade has been protected by mineral oil, please use a soft dry cloth to remove excess oil. Please use the light within the applicable voltage range and clean the light regularly. Please cut off the power supply when you clean the light, and replace the bulb.
6. Please read the English installation manual carefully before use and pay particular attention to the safety instructions contained therein.
7. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement, and make sure you do not mind before ordering.
