

User Manual

Rattan Table Lamp

Made in China

Introduction

Thank you for purchasing our traditional table lamp, please read the following instructions carefully before use.

Cautions

- 1.When opening the package with a sharp tool like a utility knife, take care not to damage the internal components.
- 2.Carefully remove all packaging materials and keep them for future use.
- 3.Keep all hardware parts and packaging out of the reach of small children.
- 4.Do not allow children to play with this product.
- 5.Please make sure that the voltage is 100-120V, which is standard for US.
This product can only be used between 100-120V.
- 6.Please check whether the packing list is complete.
