Notes

1. Please note that bamboo and wood products come from natural materials and inevitably exhibit different textures, knots, halos, cracks, and spots, which will not affect their aesthetics and use.
2. Please do not use corrosive cleaning agents or hard objects for cleaning. It is recommended to use a soft cloth for wiping. Please do not expose the product to sunlight for a long time to avoid cracking.
3. Please strictly follow the installation steps for installation, and other items are not included.
4. Please allow the slight color difference caused by the shooting light and the 1-3 cm error due to manual measurement, and make sure you do not mind before ordering.
