

Technical drawing of a rectangular object with a slanted top-left corner. The overall dimensions are 36 inches by 36 inches. The top edge is divided into two 18-inch segments. The left edge is divided into two 18-inch segments. The bottom edge is divided into a 2-inch segment and a 32-inch segment. The right edge is divided into a 2-inch segment and a 32-inch segment. The object has a double-line border and horizontal internal lines.

A diagram of a vertical rectangular panel. The width is labeled as $1\frac{1}{2}"$ at the top and bottom. The height is labeled as $36"$ on the right side. The panel is divided into two horizontal sections: a white upper section and a grey lower section. Dashed lines indicate the dimensions.
