A massager hidden as an ottoman

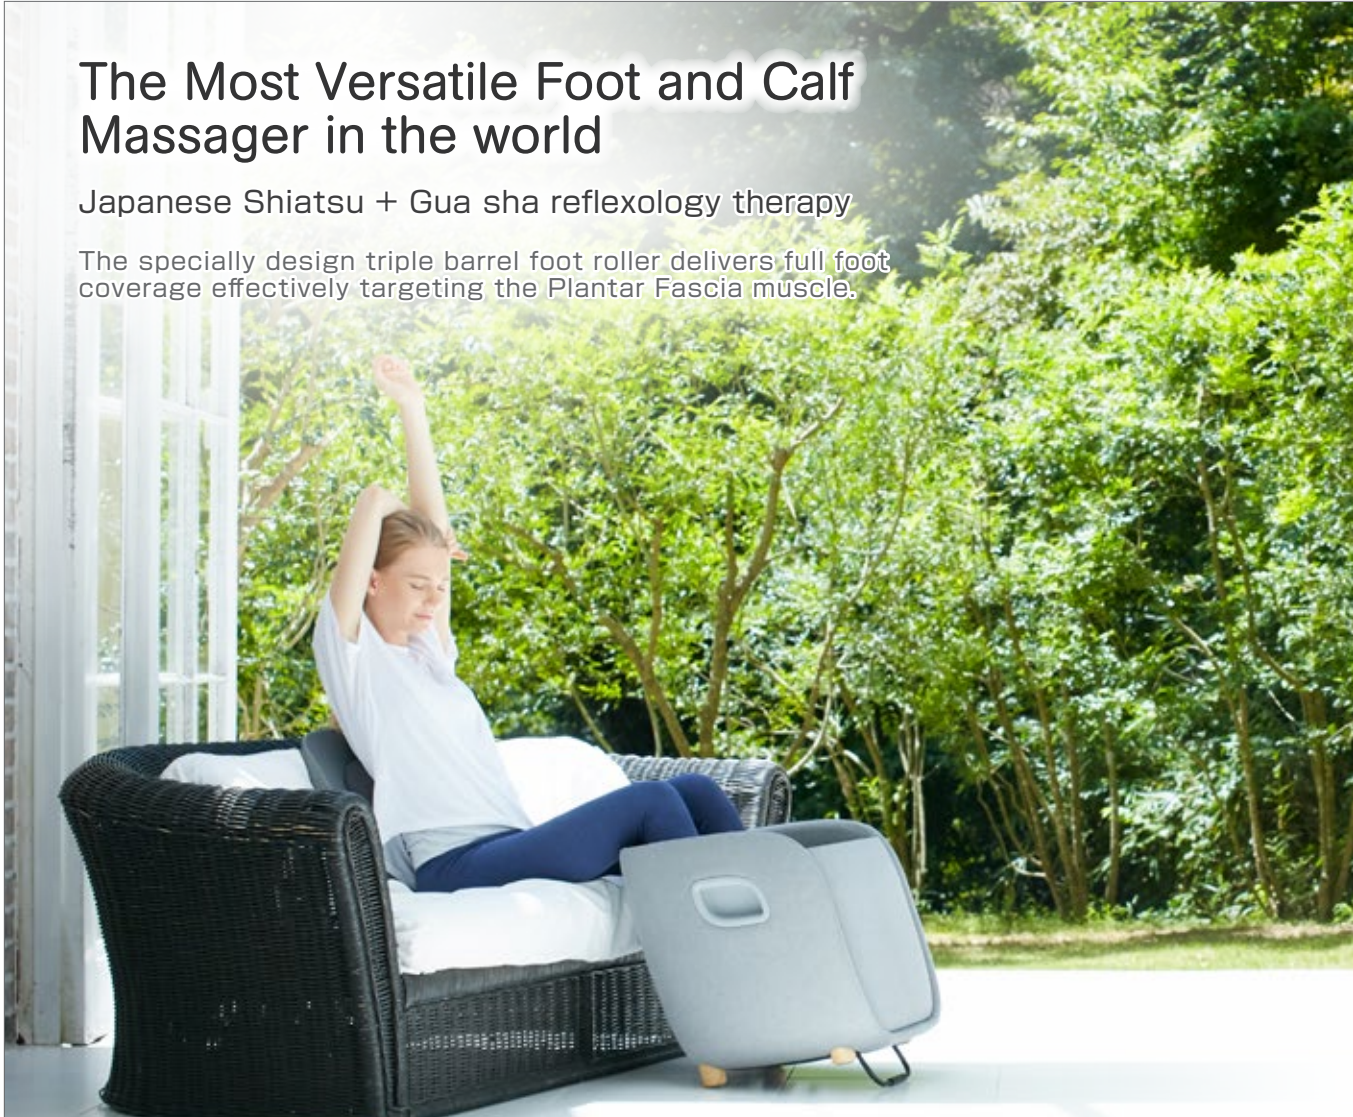

With its tasteful modern design no one will even know it's a massager, it seamlessly blends into your living room decor.

The Most Versatile Foot and Calf Massager in the world

Japanese Shiatsu + Gua sha reflexology therapy

The specially design triple barrel foot roller delivers full foot coverage effectively targeting the Plantar Fascia muscle.

Relieving stiffness from your toes through your calves

The mechanical shiatsu roller physically massages the back of the calf to deliver muscle tension reducing massage therapy.

Shiatsu Calf roller

Effective Sole Gua sha Shiatsu

The roller gently works the full arch of the foot providing kneaded relief after a long day.

Gua sha roller

Full foot coverage

The combination of Shiatsu rollers and Gua Sha rollers along the length of the foot stimulate blood flow and provide a greater area of coverage on the foot compared to other foot massagers.

Shiatsu roller

Soft or Strong, we've got the foot and calf therapy you need.

Double Airbags gently use compression therapy from both sides but can be strengthened to provide deeper compression when needed.

Calf Airbags

The foot airbags grip and further stimulate blood flow when couple with the foot roller system.

Foot Airbags

The gentle gripping heel massage stimulates Tsubo and massages your tight achilles.

Achilles therapy

Vibration + Calf and Sole heat therapy

Heat penetrates deep into the tissue promoting circulation and breaking up toxins.

Heat Therapy

Gentle rhythmic vibration delivers a gentle massage to reduce tension in harder to reach areas.

Vibration Therapy
