

Installation Steps :

1. Assemble each lamp arm to the light fixture.
2. Get through the lamp wire to the canopy, and screw the canopy to the hanging rod
3. Connect the same color lamp wire together with the wire nut
4. Assemble the mounting bracket to the ceiling junction box with the screw.
5. Connect the power cord that come out from the ceiling junction box to the lamp wires with the lead wire nut.
6. Assemble the canopy to the mounting bracket with the ball nut.
7. Install the bulb.(bulb needs to be purchased separately)

Attention :

1. Please disconnect the power supply until you finish the installation, we recommend installation by a licensed electrician.
2. Please allow a little color difference due to different due to different monitor and 1-2cm error due to manual measurement
3. If there any quality problem, missing parts or other something wrong of the item, please kindly contact with us and we will help you with the satisfied solution.
