Base Type: E26

Light Source Included: NO

Voltage: 120VAC

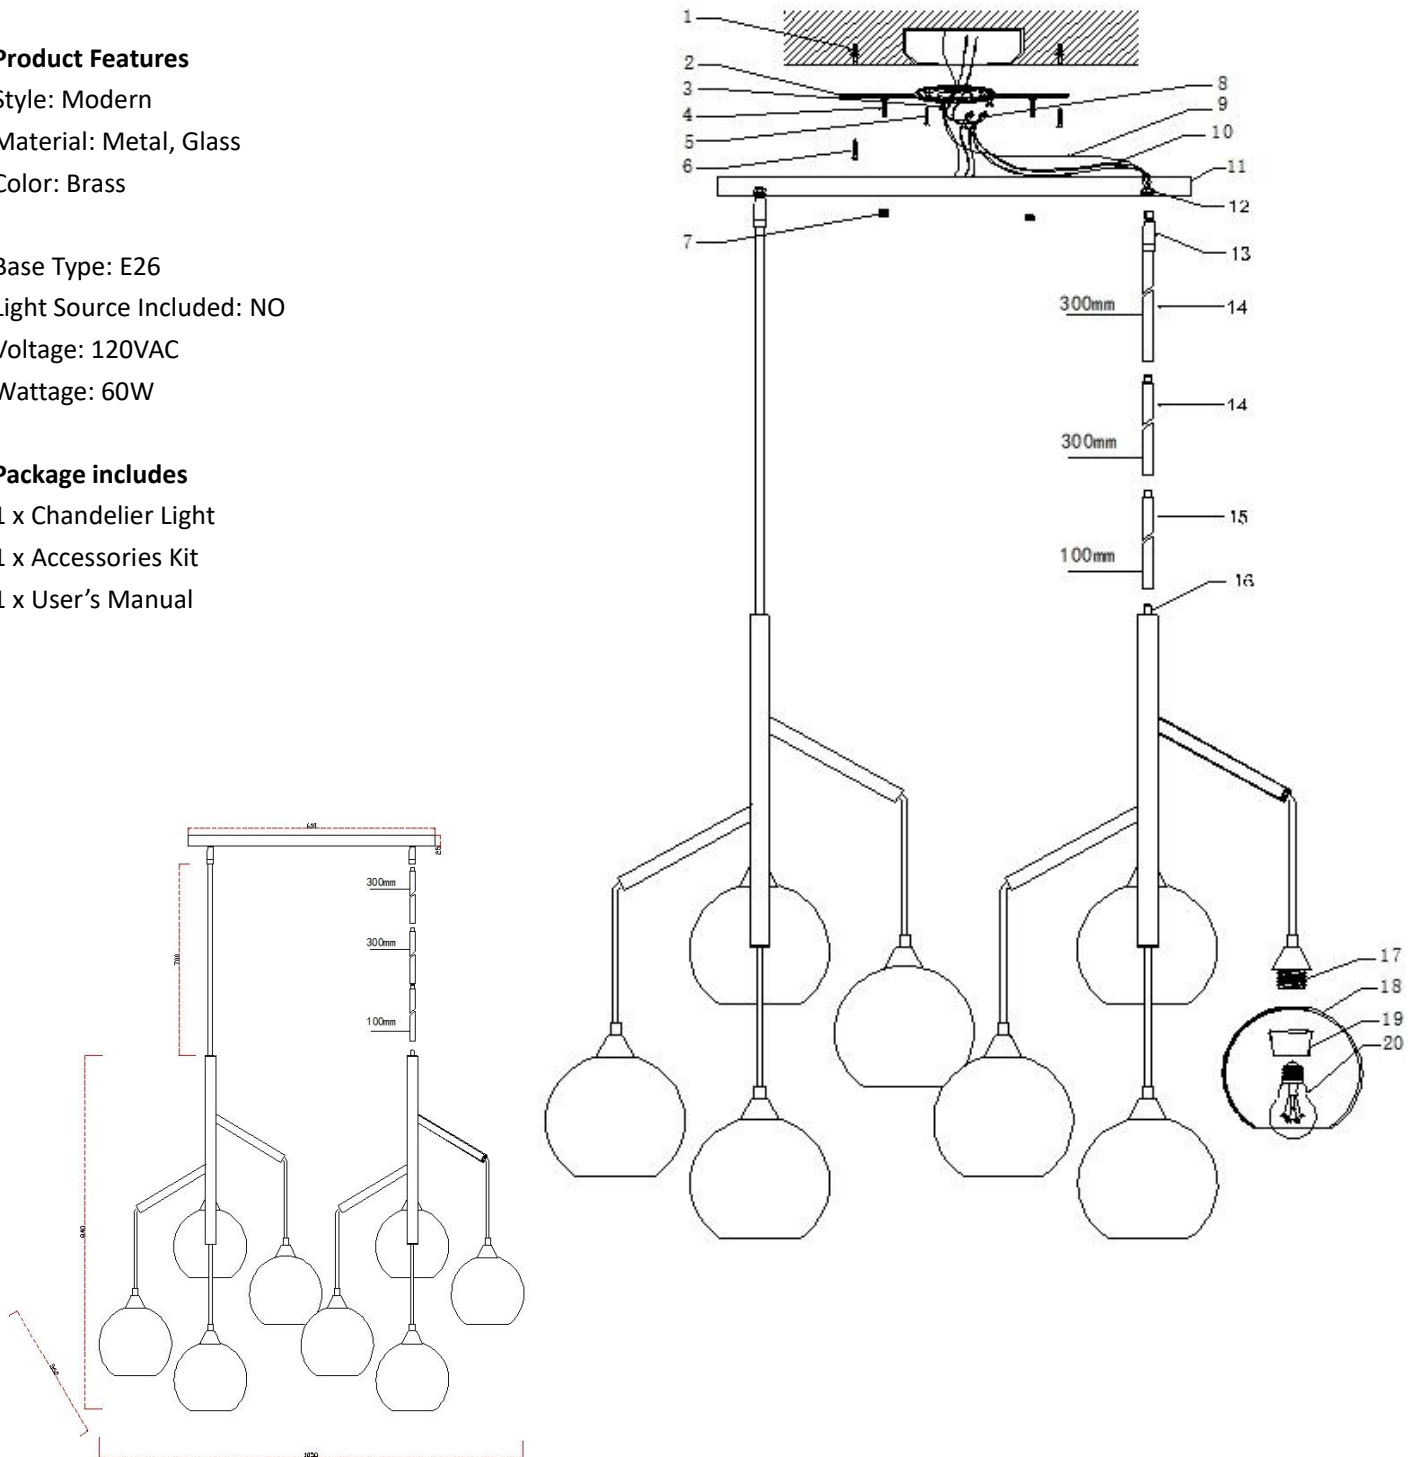

Wattage: 60W

## Package includes

1 x Chandelier Light

1 x Accessories Kit

1 x User's Manual

## Installation Instructions

1. Pass the short rod (15), long rod (14) and ceiling adapter (13) through the main wire (10) and ground wire (9), and then tighten them fully onto the threading (16).
2. Pass the canopy (11) through the main wire (10) and ground wire (9).

3. Use the washer (12) to securely fasten the canopy (11) onto the ceiling adapter (13).
4. First, insert the ribbed plastic anchors (1) into the wall, then use the threaded bolt (5) to attach the backplate (2) to the junction box.
5. Use wood screw (6) to secure the backplate (2) to the ceiling.
6. Connect the black wire (live wire) to the positive wire from the ceiling, and the white wire (neutral wire) to the negative wire from the ceiling using wire caps (8). Please don't expose the nude wire in case of leakage of electricity. Fix the ground wire (9) from the light and the ground wire from the ceiling onto the backplate (2) using the ground wire screw (3).
7. Pass the canopy (11) through the threaded bolt (4), then tighten the cap nuts (7) to securely fix the lamp.
8. Use the socket ring (19) to secure the lampshade (18) onto the lamp holder (17).
9. Finally, screw the light bulb (not included) (20) tightly into the lamp holder (17)

**Note:** please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
